HELMBOLD'S

FLUID EXTRACT

—OF—

BUCHU.

At the Cape of Good Hope

THE HOTTENTOTS

Have long used

BUCHU

For a variety of Diseases.

It was borrowed from those rude practitioners by the English and Dutch Physicians, on whose recommendation it was employed in Europe, and has been come into general use.

It is given chiefly in Gravel, Chronic Catarrh of the Bladder, Morbid Irritation of the Bladder and Urethra, for Female Weakness and

DEBILITY,

For Prolapsus and Bearing Down, or Prolapsus Uteri, Diseases of the Prostate Gland, Retention, or Incontinence of Urine, and all diseases requiring the aid of a diuretic arising from a loss of tone in the parts concerned in its evacuation.

It is also recommended in cases of

Dyspepsia, Chronic Rheumatism,

Cutaneous Affections and Dropsy.

To cure those diseases we must bring into action the muscles which are engaged in their various functions. To neglect them, however slight may be the attack, is sure to affect the bodily health and mental powers.

Our Flesh and Blood

are supported from these sources.

PERSONS AT EVERY PERIOD OF LIFE,

From Infancy to Old Age,

and in every state of health, are liable to be subjects of these diseases.

The Causes in many instances are unknown.

The patient has, however, an admirable remedy in

HELMBOLD'

Fluid Extract of Buchu.

Philadelphia Evening Bulletin Editorial, SEPT. 15, 1865.

HELMBOLD'S

GENUINE PREPARATIONS.

His Solid and Fluid Extracts embody the full strength of the ingredients of which they are named. They are left to the inspection of all. A ready and conclusive test of their properties will be a comparison with those set forth in the united States Dispensatory. These remedies are prepared by H. T. Helmbold, a druggist of sixteen years' experience in this city, and we believe them to be reliable; in fact, we have never known an article lacking merit to meet with a permanent success, and Mr. Helmbold's success is certainly prima facie evidence. His Drug and Chemical Warehouse, in the city of New York, is not excelled, if equaled, by any in the country, and we would advise our readers, when visiting that city to give him a call, and judge for themselves.
