LATEST FASHIONS DEMAND

J. W. BRADLEY'S

CELEBRATED PATENT

DUPLEX ELLIPTIC

(OR DOUBLE SPRING)

SKIRT.

The Wonderful Flexibility and great Comfort and Pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small space as easily and conveniently as a Silk or Muslin Dress, and is a more noble quality in crinoline, not found in any Single Spring Skirt.

A Lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the Single Spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom rods are not only double springs, but twice (or double) covered; preventing them from wearing out when dragging down stoops, stairs, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the *Standard Skirt of the Fashionable World!*

To enjoy the following inestimable advantages in Crinoline, viz: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure to get the genuine article.

CAUTION—To guard against imposition be particular to notice that skirts offered as "Duplex" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other skirt.

For sale in all Stores where first-class skirts are sold throughout the United States and elsewhere.

OF THE

Omaha Republican,

DAILY AND WEEKLY.

Its paper is universally recognized as the

Leading Organ of the Republican Party,

AND THE

Best, Most Enterprising, and Most Widely Circulated Newspaper in Nebraska.

The Republican Party of Nebraska constitutes three fifths of its voting and fully four-fifths of its newspaper reading population. Of this largely dominant party the REPUBLICAN—the only Republican journal published at the Capital—is the recognized organ. In this wide field it has no rival and no competitor, in influence or circulation.

Herself the REPUBLICAN ascribes upon its banner the principle of

Equal Rights for All,

and while fighting that great battle through—if God will—to the end, it promises hereafter to furnish all who rally to its support even *better and more attractive newspaper than ever before.*

In the fullness of its State Correspondence, the completeness of its *Local and Commercial Reports;* in its Statistical Exhibits of the progress of the Trade, Agriculture, Manufactures, &c., of the State, and in every department of Local and General Intelligence, the REPUBLICAN is without a rival.

The Proprietor of the REPUBLICAN is determined to make it, as soon as expense can allow, the leading journal of the REPUBLICAN as the most popular and influential journal and the most attractive newspaper west of Chicago.

"Unquestionably the best sustained work of the kind in the world."

HARPER'S

New Monthly Magazine

Critical Notices of the Press.

It is the foremost Magazine of the day. The Republic never had a more delightful companion, nor the million a more enterprising friend, than Harper's Magazine.—*Methodist Protestant* (Baltimore.)

The most popular Monthly in the world.—*New York Observer.*

We must refer in terms of eulogy to the high tone and varied excellence of Harper's Magazine—a journal with a monthly circulation of about 170,000 copies—in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the culture of the American people; and the pecuniary it has required is merited. Each number contains fully 144 pages of reading matter, appropriately illustrated with good wood cuts; and it combines in itself the racy monthly and the more antiquated quarterly blended with the best features of each.—*Boston Post.*

It has great power in the dissemination of a love of pure literature.—*Webster's Guide to American Literature, London.*

The volumes bound constitute of themselves a library of miscellaneous reading such as cannot be found in the same compass in any other publication that has come under our notice.—*Boston Courier.*
