FINANCIAL.

NEW YORK, November 10.

Money—Easy at 1½@2 per cent, closing at 1 per cent.

Prime Paper—6@7 per cent.

Exchange Bills—Weaker at 4.81½; demand, 4 84½.

Governments—Steady.

The net result of the fluctuations in the stock market for the week is an advance of ½ to 5 per cent on the general list. To-day the highest prices of the week were made just before the close. The advance in one hour was ½ to 1 per cent, the latter in Union Pacific to 90½, Lake Shore 1 per cent to 103, Northwestern ½ to 127½, Lackawanna ½ to 117½, Reading ½ to 53; Oregon & Transcontinental ½ to 4%; Erie ½ to 29½, Omaha preferred ½ to 100½, and common ½ to 38½, Louisville & Nashville to 51, Michigan Central ½ to 94, with smaller advances on other stocks. The chief influence at work was the decision of the Chicago pool in refusing business to the Delaware & Lackawanna road after November 20, if that company did not live up to the rates agreed upon by the trunk lines. The gain in the surplus reserve of over $1,000,000 by the New York associated banks is owing to the strong support accorded the Vanderbilt and Gould stocks.
