FINANCE AND COMMERCE.

FINANCIAL

NEW YORK, January 20.—Money—Market easy at 1@1½ per cent, closed at 1 per cent.

Prime mercantile paper—4½@6c.

Sterling Exchange—Bankers' bills firmer at 4 82½: sterling exchange demand at 4 85½.

Governments—Easier.

Railway Bonds—Lower.

Stocks—Firm, except for Vanderbilt's, which were a fraction lower. Before 11 oclock there was a brisk demand and general advance. The improvement ranged ⅛@1⅝ per cent. In the loan crowd there was a sharp inquiry for New York Central, which went as high as ⅛ per cent per diem. Other active shares commanded 1-28@1-32 per cent near midday. A report was circulated that an oil company of Pittsburg had made an assignment. This unsettled affairs and checked the upward movement. The market ran off ⅛@1½ per cent on this report, but later the secretary denied that an assignment had been made, adding on the contrary that the company was reducing its indectedness.

In the afternoon speculation was dull, but near the close Northwestern, St Paul, Union Pacific and Western Union developed strength and changed the course of prices. At the close a firm tone prevailed.

Coal shares were weak throughout the day, on unfavorable rumors concerning the coal combination, and near the close it was reported from Philadelphia that the Pennsylvania company had refused to join the coal combination.

Compared with last night's closing, prices are ½@¾ per cent higher, except for coal shares and Erie, which are ⅛@⅜ per cent lower.
