Appoplexy.

Smith Palmer, who lived on one of C. H. Parmale's farms on Turkey Creek, near Wm. Snyder's died on Saturday or Sunday morning very suddenly. The circumstances seeming to demand an inquest, Sheriff Hyers and Dr. Livingston were sent for. The Doctor made the necessary examination and was satisfied that death came from natural causes. The sheriff held an inquest as a matter of form and the following is the verdict of the jury after a careful examination of all the details:

STATE OF NEBRASKA, } ss.
Cass County

At an inquest holden at the residence of Smith Palmer in Eight Mile Grove Precinct in said county on the 22d day of October A. D. 1878, before R. W. Hyers, sheriff of Cass County, Neoraska, acting as coroner upon the body of Smith Palmer, lying dead, by the jurors whose names are hereunto subscribe, the said jurors upon their oath do say that the said Smith Palmer came to his death by reason of cereboral hemorrhage caused by an attack of appoplexy and that the brain of said Smith Palmer was so infiltrated with blood as to cause his instant death; in testimony whereof the said jurors have hereunto set their hands, the day and year aforesaid.

"The New Party."

Just arrived from the East and the "old settler" in the west, find that the old Eastern medicines, do not relieve the diseases incident to this new Western climate. The verdict of every family using **Brown's Vegetable Liver Pills,** is that they have no equal for relieving constipation, sick headache and biliousness, and that **Eureka Ague Pills** *never fail to cure the chills* when taken as directed.

Brown's Cough Balsam, for coughs, colds, and lung affections, contains no stupefying opiates, but relieves by soothing the irritated parts, and producing easy, gentle expectoration.

Brown's Tar Troches, are valuable to public speakers and singers, and all afflicted with sore throat and hoarseness.

Brown's Arnica Salve stands without a rival for removing inflamation and healing old sores, ulcers and frost-bite.

Sarsaparilla, Dandelion and Iodine of Potassium, is the king of remedies for blood, liver, and skin diseases.

Consumption Cured.

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy, for the speedy and permanent cure for consumption, bronchitis, catarrh, asthma and all throat and lung affections, also a positive and radical cure for nervous debility, and all nervous complaints, after having tested its wonderful curative powers in thousands of cases, has felt it his duty to make it known to his suffering fellows. Actuated by this motive, and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, with full directions for preparing and using, in German, French, or English. Sent by mail by addressing with stamp, naming this paper, W. W. Sherar, 149 Powers' Block, Rochester, New York. 26t4

"German Syrup."

No other medicine in the world has ever given such a test of its curative qualities as Boschee's German Syrup. In two years three million four hundred thousand small bottles of this medicine were distributed *free of charge* by Druggists in this country to those afflicted with Consumption, Asthma, Croup, severe Coughs, Pneumonia, and other disease of the Throat and Lungs, giving the American people undeniable proof that German Syrup will cure them. The result has been that Druggists in every town and village in the United States are recommending it to their customers. Go to your Druggist, and ask what they know about it. Sample bottles 10 cents. Regular size 75 cents. Three doses will relieve any case. 38tf-alt

Caution to Smokers.

From and after the 1st day of May, 1878 all boxes containing cigars of my manufacture will have my name boldly printed on the inside of the lid. This is to prevent counterfeiting my brand of cigars, with an inferior quality of cigars, resorted to by some unprincipled manufacturers. None are genuine unless plainly labeled:

JULIUS PEPPERBURG,
MANUFACTURER,
Plattsmouth, - - Nebraska.

A Remarkable Result.

It makes no difference how many Physicians, or how much medicine you have tried, it is now an established fact that German Syrup is the only remedy which has given complete satisfaction in severe cases of Lung Diseases. It is true there are yet thousands of persons who are predisposed to Throat and Lung Affections, Consumption, Hemorrhages, Asthma, Severe Colds settled on the breast, Pneumonia, Whooping Cough, &c., who have no personal knowledge of Boschee's German Syrup. To such we would say that 50,000 dozen were sold last year without one complaint. Consumptives try just one bottle. Regular size 75 cents. Sold by all Druggists in America. 29lyeow

The Atlanta Ga., Constitution,

Recently published a long account of the destructiveness of the "Sherman Rat" which is 2 to 4 times as large as the Northern Rat. On the 17th of September, 1877, the Manager of this celebrated paper having tried Centennial Rat Exterminator says: Gentlemen your "Pizen Stuff" knocks "Sherman Rats," stiff and cold.

OSAGE, IOWA, Dec. 20, 1877.

Star Manufacturing Company, Fort Madison, Iowa; Gentlemen: The Centennial rat poison, received last Monday. We have given three doses. On Monday, Tuesday and Wednesday nights, and we verily believe there is not a rat or mouse left. The saw mill, feed, custom and merchant's mills were full of them, as were also our houses, cooper shops, barns and hog pens. Since giving them the poison they have been running round as "crazy as loons" and the river bank is line with dead rats, in fact it has created a terrible commotion among them and they have all left, thanks to the "Centennial Rat Exterminator," each box of which is worth a twenty dollar bill. We will see our druggists and have them send for it. Thanks, thanks. Very respectfully. E. M. BRITTS, & Co.
