Alexander Wins Pitching Duel From Meadows, 2-1

Cubs Star Hurler Wins Game in Eleventh Inning With Two-Base Smash.

Chicago, April 28.—Grover Alexander, making his first start at home for the season, smashed out a double in the 11th inning, which enabled him to defeat Lee Meadows in a pitching duel. The score was Chicago, 2; Pittsburgh, 1.

Alexander had great control, not walking a man, the visitors' only run resulting from Barnhart's single and a double by Wright. Score:

SYRUP PEPSIN
Gives is Natures Own

Ladies! This Beats Cosmetics

GOOD health cannot be camouflaged by powder and rouge. The eyes will tell. That sparkle and clearness that denote good health will not be there if you are constipated. Mrs. Clara Proctor of Pottersville, Mich., had been told by doctors she had this and that disease, and one advised an operation, but she knew she had been constipated all her life so first tried Dr. Caldwell's Syrup Pepsin. She avoided the operation and now feels better than she ever did. Likewise Mrs. William Appleton of Eddington, Pa., who was badly constipated and now looks her best again after using Syrup Pepsin.

On Sale for 30 Years

Intelligent women are realizing that health and mere outward complexion are two different things, and more and more are taking Dr. Caldwell's Syrup Pepsin. Over 10 million bottles were bought in drug stores last year, the largest selling liquid laxative in the world! Go to your druggist and buy a bottle. The cost is less than a cent a dose. You will see how much more effective a spoonful of Syrup Pepsin is than tablets, powders or pills, and without shock to the system.

Safe Family Laxative

Use it regularly a day before and a day after the periods. The gentle emptying of the bowels will give you relief, and lessen headaches and congestion. Take a spoonful at bed-time and see how much better you feel in the morning. It is a vegetable compound of Egyptian senna and pepsin with agreeable aromatics, and entirely safe not only for you but for the youngest child. Keep a bottle of Dr. Caldwell's Syrup Pepsin constantly in the home for you or some other member of the family may need it any moment to relieve constipation, to break up fevers and colds, to clear up biliousness, indigestion, a pimple, a fever sore and other disturbances that show constipation.

AT THE THEATERS

Something different and worthwhile attending will be the two-hour study and tourist film that will be shown at the Brandeis theater this evening at 8:15. Besides showing the national events and festivities in Sweden in 1923, including the stately Gothenburg exposition, scenery and a travel film that the tourist never forgets will be shown such as scenery in Skane, and the great sugar industry of this locality; views of Stockholm, one of the most beautiful capitals of the world, and the famous colony gardens and the great iron works at Bofors. The Swedish pictures will be shown but the one evening at the Brandeis theater.

Elsie Clark, who is a phonograph artist of considerable fame, is proving one of the successful entertainers in the current bill at the World theater. Miss Clark has wonderful diction and her various comedy songs are so easily understood that it is a pleasure to listen to her. Harry Abrams and his company offer a unique dancing spectacle made noteworthy by the appearance of an oriental dancer who has ideas of her own in the line of terpsichore. The entire bill is meeting with much approval.

"The Stuttering Sheik," now at the New Empress, is scoring the biggest hit of any Bert Smith musical comedy offered thus far. This western play bubbles over with laughter and gives Billy Van Allen great opportunities in the role of the cowboy Romeo. "Clown Night," one of the novelties of the season, is an extra added feature following the conclusion of the first show this evening.

George MacFarlane, of the magnificent baritone voice and genial stage presence, is at the Orpheum in a tuneful presentation of the sort of songs with which he has always been associated. The favorite of his present repertoire seems to be "Mandalay" and, as he sings this number, Miss Margaret Walker appears as an interpretative vision in dance. This is one of the really artistic offerings of vaudeville.

"The Bat" will be presented at the Brandeis theater for a return engagement of three nights beginning tomorrow night. Thursday, May 1, with matinee on Saturday, has established a record for success never before equalled by a play of any character in this or any other country. It is, without one single exception, the greatest success ever presented on any stage. "The Bat" was written by Mary Roberts Rinehart and Avery Hopwood. It is presented under the painstaking management of Wagenhals and Kemper. It is played by a company of excellent reputation in the theater, each of whom was carefully chosen for the role assigned. The cast will include Lizzie Evans, Ben Taggart, Josephine Morse, Helen Redd, Thomas Fitzpatrick, Tod Matese, Bryan Lovan, Edward Keane, Frederick M. Conklin and H. M. Gardner.
