In Memory of Mabel Heathman,

Who died at North Platte, Aug. 3d, 1894.

Farewell, earth's joys are fleeting,
Though a stranger in the land
Kind friends were ever coming,
To take her by the hand.
To gently smooth her pillow
And cool her fevered cheek,
To quickly gather round her
Some loving words to speak.

Oh wonderous change! in glory,
She is no stranger there,
But enters through the pearly gates.
And views the city fair.
She strikes her harp so gently
And now does sweetly sing,
Amid the ransomed spirits,
All glory to our King.

Safe sheltered there our Mabel,
She whom we loved most dear,
Is walking to the Master's throne,
Without a single fear.
She in the light of glory
Does evermore rejoice,
She hears what she has longed to hear,
Her Saviour's loving voice.

Within that blessed city,
Her bright eternal home,
Our darling Mabel watches
And waits until we come.
In Thine Own time, Lord Jesus,
May we all enter there,
And meet our long lost darling
Happy beneath Thy care.

RESOLUTIONS OF RESPECT.

WHEREAS, The angel of death has again entered our ranks and removed from our midst a true and tried chief and brother, be it therefore

Resolved, That in the death of our brother, Henry F. Clark, a charter member of Pahaska Tribe No. 10, I. O. R. M., our lodge has lost a faithful and earnest member.

Resolved, That we extend to the sorrowing wife and children our brotherly sympathy and commend them to the Great Spirit above.

Resolved, That this tribute of our respect and sympathy be spread upon our record, a copy be sent to the bereaved family and a copy to the different papers of our city.

CLAUDE WEINGAND,
P. G. ARMBUS,
J. R. MINSHALL, } Com.

Mrs Hettie Green, mother of E. H. R. Green, president of the Texas Midland railroad, is in Texas and will make an overland trip in a wagon over the proposed new extension of the Midland in order to become acquainted with the country through which the road will pass. Mrs. Green is the principal road owner and is conversant with every detail of the road business and she is competent to judge whether the country through which the road extension is to run is able to give sufficient revenue to justify the extension.

It has often been noticed by comparative strangers who visit the Newark, N. J., marshes in mosquito time that the natives are quite exempt from their attacks. Some interesting experiments lately concluded by Mr. Edison indicate that their fondness for Jersey lightning accounts for this immunity. Mr. Edison filled a leather bag full of lightning and exposed it to the ravenous insects. Their beaks punctured the leather readily, but as soon as they had tasted the whisky they fell down dead drunk. The average period of recovery was eleven hours, forty-nine minutes and sixteen seconds.

The success of Mrs. Annie M. Beam, of McKeesport, Penna., in the treatment of diarrhœa in her children will undoubtedly be of interest to many mothers She says: "I spent several weeks in Johnstown, Pa., after the great flood, on account of my husband being employed there We had several children with us two of whom took the diarrhœa very badly. I got some of Chamberlain's Colic, Cholera and diarrhœa Remedy from Rev. Mr. Chapman. It cured both of them. I knew of several other cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." Twenty-five and fifty cent bottles for sale by A. F. Streitz and North Platte Pharmacy.

People who have met Mr. Gladstone say that his pictures give his face the appearance of a ruggedness which is foreign to it. He really looks feeble, but his clear complection and the color in his cheeks indicate that his health is good. His hair is white, and a stranger unfamilar with his protrait would class him at first sight as a type of the fine old English gentleman.

SHILOH'S CURE is sold on a guarantee. It cures Insipient Consumption. It is the best Cough Cure. Only one cent a dose. 25 cts., 50 cts., and $1 00. Sold by North Platte Pharmacy.

California passed a law at the last legislature which limits the expenditure for election purposes of any canidate to 5 per cent of the salary given such office—or in case of fees instead of salary, limiting expense to $150. It also provides that expenditures must be limited to printing, cost of public meetings, postage, etc. Heretofore in California members of the legislature have frequently paid three and four thousand dollars assessment when the official salary was but $480.

Captain Sweene, U. S. A., San Diego, Cal. says: "Shiloh's Catarrh Remedy is the first medicine I have ever found that would do me any good." Price 50c. Sold by North Platte Pharmacy.

A little more than thirty miles from the coast of Japan the Pacific Ocean is found to be over 4,643 fathoms deep. Some officers surveying for a telegraph cable had their wire break at this depth without reaching the bottom. This is said to be the deepest sounding ever made, and is so deep that the two highest mountains in Japan placed one over the other in this abyss would leave the summit of the upper one two-thirds of a mile below the surface of the water.

KARL'S CLOVER ROOT, the great Blood purifier gives freshness and clearness to the Complexion and cures Constipation, 25 cts., 50 cts., and $1. Sold by North Platte Pharmacy.

Ping Yang, in Northern Corea, the place where the great battle of September 15 was fought, was the first "literary center" in the peninsular kingdom. Its chief author was an ancestor of Confucius named Kishi, who, gathering up his writing materials and leaving China in 1122 B. C., emigrated eastward into Corean regions. His name is greatly venerated, and many tablets still exist in his honor in the northern parts of Corea

SHILOH'S CURE is sold on a guarantee. It cures Insipient Consumption. It is the best Cough Cure. Only one cent a dose. Twenty-five cts., 50 cts. and $1. Sold by North Platte Pharmacy.

The genial and jovial Dick Tate, who plucked the state treasury of Kentucky seven years ago and took a prolonged vacation, has been discovered in Japan enjoying the fruit of his successful loot. He is not aspiring to office, but there is little doubt he could be induced to manipulate the finances of the Japanese war.

Mr. J. C. Boswell, one of the best known and most respected citizens of Brownwood, Texas, suffered with diarrhœa for a long time and tried many different remedies without benefit, until Chamberlain's Colic, Cholera and Diarrhœa Remedy was used; that relieved him at once. For sale by A. F Streitz and North Platte Pharmacy.

In California a constitutional amendment is to be voted on in November which, if adopted, will shut out aliens, except thoes of the white race or of African descent, from acquiring any real estate or personal property in that state The SanFrancisco Chronicle denounces the proposition as a return to the age of barbarism when every alien was deemed a public enemy.

Thoughtful people heed advice, and profit by it. Our advice to you is, use Oregon Kidney Tea. It has no equal as a remedy for all ailments of the Kidneys or Bladder, and 25 cents is a small amount to invest for a trial package. For sale by A. F. Streitz.

There is a tradition that a tombstone in the graveyard of an old and uncompromising little stone church in Loudon, Pa., gives forth a ticking sound, and it has long been locally famous as the ticking tombstone. The noise is not loud enough for the stone to be located by a stranger, and if the ticking is really ever heard, it comes doubtless from the trickling of water through the limestone formation not unusual in the region. The old church dates back to about the middle of the last century and is surrounded by gravestones, some of them considerably older

Mr. Thomas Batte, editor of the Graphic, Texarkana, Arkansas, has found what he believes to be the best remedy in existence for the flux. His experience is well worth remembering. He says: "Last summer I had a very severe attack of flux. I tried almost every known remedy, none giving relief. Chamberlain's Colic, Cholera and Diarrhœa Remedy was recommended to me. I purchased a bottle and found almost immediate relief. I continued to use the medicine and was entirely cured I take pleasure in recommending this medicine to any person suffering with such a disease, as in my opinion it is the best medicine in existence. 25 and 50 cent bottles for sale by A. F. Streitz and North Platte Parmacy.

There are no schools and only by an occasional church service are they subjected at all to religious influences. He says the Chippewas are increasing.

The London correspondent of the New York Times cables that he has been making a tour of south and west Ireland, and finds the harvest all around is the best for a decade. Even in the poorest and thinnest soils potatoes escaped any signs of discoloration or blight and their yield is plentiful. Other root crops, and general cereal crops, almost uniformly tell the same welcome story.
