Miss Hapgood tells how she escaped an awful operation by using Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I suffered for four years with what the doctors called Salpingitis (inflammation of the fallopian tubes and ovaritis), which is a most distressing and painful ailment, affecting all the surrounding parts, undermining the constitution, and sapping the life forces. If you had seen me a year ago, before I began taking **Lydia E. Pinkham's Vegetable Compound,** and had noticed the sunken eyes, sallow complexion, and general emaciated condition, and compared that person with me as I am today, robust, hearty and well, you would not wonder that I feel thankful to you and your wonderful medicine, which restored me to new life and health in five months, and saved me from an awful operation."—MISS IRENE HAPGOOD, 1022 Sandwich St. Windsor, Ont.—*$5000 forfeit if original of above letter proving genuineness cannot be produced.*

Ovaritis or inflammation of the ovaries or fallopian tubes which adjoin the ovaries may result from sudden stopping of the monthly flow, from inflammation of the womb, and many other causes. The slightest indication of trouble with the ovaries, indicated by dull throbbing pain in the side, accompanied by heat and shooting pains, should claim your instant attention. It will not cure itself, and a hospital operation, with all its terrors, may easily result from neglect.

THE FARMERS WILL FIGHT.

They Demand Some Changes in the New Revenue Law.

LINCOLN—A new non-partisan political organization is being formed in Saline and adjoining counties. The farmers mean to secure several radical changes in the revenue law and are combining to enter the legislative fight.

The agriculturists probably will not return the Saline delegation to the legislature should the present incumbents be renominated. All other aspirants must run the gauntlet on revenue matters before they will be supported.

The plan of organizing is a novel one. The farmers declare that farm assessments are outrageous in comparison with railroad and corporation assessments. An organizer will follow the assessor. Each farmer will be asked to compare the figures this year with the assessment last year. If he is dissatisfied he will be invited to join the organization without money and without price. In politics the organization will take non-partisan and concerted action in regard to legislative candidates.

From the comparative statements returned by the farmers a huge petition will be compiled and presented to the state board of equalization at the May meeting. The avowed purpose of the organization will be to work against all candidates who supported the new revenue law and against all new nominees in sympathy with the measure.

A VENERABLE PASTOR CURED BY PE-RU-NA.

Pe-ru-na is a Catarrhal Tonic Especially Adapted to the Declining Powers of Old Age.

In old age the mucous membranes become thickened and partly lose their function.

This leads to partial loss of hearing, smell and taste, as well as digestive disturbances.

Peruna corrects all this by its specific operation on all the mucous membranes of the body.

One bottle will convince anyone. Once used and Peruna becomes a life-long stand-by with old and young.

Strong and vigorous at the Age of Eighty-eight.

Rev. J. N. Parker, Utica, N. Y., writes: "In June, 1901, I lost my sense of hearing entirely. My hearing had been somewhat impaired for several years, but not so much affected but that I could hold converse with my friends; but in June, 1901, my sense of hearing left me so that I could hear no sound whatever. I was also troubled with rheumatic pains in my limbs. I commenced taking Peruna and now my hearing is restored as good as it was prior to June, 1901. My rheumatic pains are all gone. I cannot speak too highly of Peruna, and now when 88 years old can say it has invigorated my whole system. I cannot but think, dear Doctor, that you must feel very thankful to the all-loving Father that you have been permitted to live, and by your skill be such a blessing as you have been to suffering humanity."—Rev. J. N. Parker.

A Bishop's Letter.

T. H. Lomax, D. D., Bishop 2d Dist. A. M. E., of Charlotte, N. C., writes: "I recommend your Peruna to all who want a strengthening tonic and a very effective remedy for all catarrhal complaints."—T. H. Lomax.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

The spring is the best time to treat catarrh. Nature renews herself every spring. The system is rejuvenated by spring weather. This renders medicines more effective. A short course of Peruna, assisted by the balmy air of spring, will cure old, stubborn cases of catarrh that have resisted treatment for years. Everybody should have a copy of Dr. Hartman's latest book on catarrh. Address The Peruna Medicine Co., Columbus, Ohio.
