A Red Hot Campaign.

The present campaign will be the most exciting one fought out since the war. There will not be a day when something of unusual interest will not transpire. The State Journal has made up its mind to surpass all its former efforts in the direction of news-giving, and will give its readers the most complete details of the campaign, giving all the news from an unbiased standpoint. Republicans will want The Journal because of its staunch Republican principles, it being recognized as the standard-bearer of the great Republican party ot Nebraska. Populists and Democrats should read it for the news it gives. The Semi-Weekly Journal will go to thousands of new homes during the campaign. You should subscribe, as it will only cost you 25 cents from now until November 15. Two papers every week, making it almost as good as a daily. Subscribe through your postmaster or send your order to The State Journal, Lincoln, Nebraska.

To Subscribers of The Tribune.

Readers of THE TRIBUNE will please remember that cash is an essential in the publication of a paper. The publisher has been very lenient during the past few years, on account of crop failures and hard times, and as a consequence many hundreds of dollars are due on subscriptions. We are now compelled to request all who can to call and make settlement in full or in part. In view of the facts, our subscribers must feel the justice and urgency of this request. THE PUBLISHER.

Doy Gray, who has been messenger boy here, left this week for McCook and will run as express messenger between McCook and Imperial. Clyde Kocher has taken Gray's place here.....Jas. Burke came up from Imperial this week and is making arrangements to open up at once an office in this city as he will again act as B. & M. immigration agent. He expects a goodly number of eastern parties here to look over the country and if everything continues favorable he expects to do a good business in the immigration line. Mr. Burke expects to move his family here after election.—Holdrege Citizen.

Mrs. Rhodie Noah of this place was taken in the night with cramping pains and the next day diarrhoea set in. She took half a bottle of blackberry cordial but got no relief. She then sent to me to see if I had anything that would help her. I sent her a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and the first dose relieved her. Another of our neighbors had been sick for about a week and had tried different remedies for diarrhoea but kept getting worse. I sent him the same remedy. Only four doses of it were required to cure him. He says he owes his recovery to this wonderful remedy.—Mrs. Mary Sibley, Sidney, Mich. For sale by McConnell & Co., Druggists.

The Races at the Fair.

MR. EDITOR: I want to say to the public that we are going to have the best races and the best lot of horses at the fair, this fall, that we have ever had. The free for all, in particular, promises to be a hummer. And don't overlook the foot race, a handicap under Sheffield rules, that will last all through the fair, one or two heats every day, and the grand final of the heat winners on Friday. I have just received a letter from Dick Sadler, the colored man who won the first money in the handicap last fall. He says he will be here to start. We will know better how to place him this fall, as he was an unknown quantity then. Seven men have already signified their intention to start. Porter of Lebanon will be here and a crowd of backers and friends, as he is very popular on the Beaver. The Coon will undoubtedly be scratch man. We are figuring with C. H. Haywood for a special attraction in the way of an exhibition race with Clegg Wright and four or five of his colts as starters. Eva Wright and Kitty Wright will be here and possibly Guy L. may start. Take it all in all we will have the best races ever seen here. W. A. M.

Don't Stop Tobacco.

How to Cure Yourself While Using It.

The tobacco habit grows on a man until his nervous system is seriously affected, impairing health, comfort and happiness. To quit suddenly is too severe a shock to the system, as tobacco to an inveterate user becomes a stimulant that his system continually craves. "Bacco-Curo" is a scientific cure for the tobacco habit, in all its forms, carefully compounded after the formula of an eminent Berlin physician who has used it in his private practice since 1872, without a failure. It is purely vegetable and guaranteed perfectly harmless. You can use all the tobacco you want while taking "Bacco-Curo." It will notify you when to stop. We give a written guarantee to cure permanently any case, with three boxes, or refund the money with 10 per cent. interest. "Bacco-Curo" is not a substitute, but a scientific cure, that cures without the aid of will power and with no inconvenience. It leaves the system as pure and free from nicotine as the day you took your first chew or smoke.

Cured by Bacco-Curo and Gained Thirty Pounds.

From hundreds of testimonials, the originals of which are on file and open to inspection, the following is presented:

Clayton, Nevada Co., Ark., Jan. 28.

Eureka Chemical & Mfg. Co., La Crosse, Wis.—Gentlemen: For forty years I used tobacco in all its forms. For twenty-five years of that time I was a great sufferer from general debility and heart disease. For fifteen years I tried to quit, but couldn't. I took various remedies, among others, "No-To-Bac," "The Indian Tobacco Antidote," "Double Chloride of Gold," etc., etc., but none of them did me the least bit of good. Finally however, I purchased a box of your "Bacco-Curo" and it has entirely cured me of the habit in all its forms, and I have increased thirty pounds in weight and am relieved of all the numerous aches and pains of body and mind. I could write a quire of paper upon my changed feelings and condition.

Yours respectfully. P. H. MARBURY.

Last summer one of our grand children was sick with a severe bowel trouble. Our doctor's remedies had failed, then we tried Chamberlain's Colic, Cholera and Diarrhoea Remedy, which gave very speedy relief. We regard it as the best medicine ever put on the market for bowel complaints.—Mrs. E. G. Gregory, Frederickstown, Mo. This certainly is the best medicine ever put on the market for dysentery, summer complaint, colic and cholera infantum in children. It never fails to give prompt relief when used in reasonable time and the plain, printed directions are followed. Many mothers have expressed their sincere gratitude for the cures it has effected.
