EDUCATIONAL

IF YOU HAD FOUR HANDS AND COULD WRITE WITH EVERY ONE OF THEM YOU COULD NOT RECORD AS FAST DICTATION AS ACCURATELY AS ONE STENOTYPIST CAN ON JUST ONE LITTLE STENOTYPE.

Startling statement that, but the Stenotype itself is as startling.

You never saw such an amazing record breaker in your life.

Persons studying only six to eight months have broken records—have made perfect records of dictation that soared above 500 words per minute. One slip of a girl, Miss Maybelle Head, but seventeen years of age, made a splendid record of dictation that attained the terrific speed of 595 words per minute.

Surely the mastery of this little Stenotype, giving as it does, the power to accurately record dictation twice and thrice as fast as man-written shorthand, must mean that whosoever masters the use of the Stenotype will be the master of a splendid, unusually fine salary.

Think this over—never forgetting that

Boyles Colleges

are the only schools in Omaha, Council Bluffs and South Omaha, and in all this section of the country that can teach you the use of the Stenotype.

Send for our special Stenotype booklet, and also for a copy of our big, free Year Book.

You will be interested in both of them.

Send for both today.
