'Spirit' is the subject of the Lesson-Sermon which will be read in Christian Science churches throughout the world on Sunday February 9, 1947.

The Golden Text is: 'This is the word of the Lord unto Zerubbabel, saying, Not by might, nor by power, but by my spirit saith the Lord of hosts." (Zech. 4:6. Other Bible citations include, "Offer unto God thanksgiving; and pay thy vows unto the most High. And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me (Psalms 50: 14, 15).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, 'Science and Health with Key to the Scriptures' by Mary Baker Eddy, 'To calculate one's life-prospects from a material basis, would infringe upon spiritual law and misguide human hope. Having faith in the divine principle of health and spiritually understanding God, sustains man under all circumstances: whereas the lower appeal to the general faith in material means (commonly called nature, must yield to the all-might of infinite Spirit' (p. 319).
