## We are offering you right now the Best Bargains You ever heard of in Used Cars.

We have a large assortment on hand of good used cars, some of them practically new, that were taken in trade by us on Hupmobiles and Chandler Sixes, on such basis that we can afford to quote very exceptional prices to you.

Our new lines are in demand, and our ability to make profitable trades is limited only to our ability to sell second-hand cars. We, therefore, propose to put prices on our second-hand stock that will move at least twenty-five of them during the coming week, so as to enable us to accept some of the best trades that are offered to us.

Just remember that we are permanently engaged in the automobile business, with a large patronage in this territory, and we will not misrepresent the second-hand cars that we sell.

We will consider trades for city property.
