The Most Desirable Bargains in Omaha Real Estate

have been collected and published in the real estate columns of today's Sunday Bee. The offerings today are unusually attractive and care has been taken to make it as easy as possible for interested people to get the latest information on values and conditions.

It is doubtful if any other city approximating the size of Omaha can offer such splendid opportunities in real estate investments. Its position in the world of commerce, stability of business and steady and consistent growth are almost incomparable.

Real Estate is consequently worth while studying and intensely interesting to the man who wants to make money on his investment with a minimum of risk.

These real estate announcements may be found in the Classified Section of today's Bee.

A practically new automobile at a ridiculously low price is what we are offering to you.

This list contains but a few of the makes and models that we have on our floor, ready for your most rigid inspection.

One 1911 Ford, 5 passenger.

One 1914 Ford, 5 passenger.
One 1914 Ford Roadster.
One Ford Delivery Truck.

"Why pay the price of a new automobile when you can buy one that is just as good and some times a whole lot better with a great deal less money?"

Visit our machine shop where our mechanics are overhauling each and every car before it is placed on our floor to be sold.

Our satisfied customers are the best recommendation that we could give you.

YOUR ATTENTION Is Invited to The Best Used Cars in All Omaha

You take no chance of being outdickered when you buy a used car from us. We have been in this business a long time and have a large list of satisfied customers and we cannot afford not to live up to our word and reputation.

We have a large number of good used cars, some of them practically new, that were taken in trade by us on Hupmobiles and Chandler Sixes, on such basis that we can afford to sell them at unusually low prices.

These cars must be sold at once to make room for those which we are taking in on new trades. They are real bargains and good enough for anyone. Will consider trade for city property.
