CHICAGO, ROCK ISLAND & PACIFIC RAILWAY

By reason of its central position and close relation to all principal lines East and West, at initial and terminal points, combines the most important mid-continental link in that system of through transportation which invites and facilitates travel and traffic between the Atlantic and Pacific Oceans. It is also the favorite and best route to and from points East, Northeast and Southeast, and corresponding points West, Northwest and Southwest.

The Great Rock Island Route

Guarantees its patrons that sense of personal security afforded by a solid, thoroughly ballasted roadbed, equipped with a continuous steel rail, substantially built culverts and bridges, rolling stock of the perfection as human skill can make it, the safety appliances of Westinghouse automatic air brakes, and that exacting discipline which governs the practical operation of all its trains. Other specialties of this route are Dining Cars at all convenient points in Union Depots, and the unsurpassed comforts and luxuries of its Passenger Equipment.

The Fast Express Trains between Chicago and Peoria, Council Bluffs, Kansas City, Leavenworth and Atchison, are composed of well ventilated, finely upholstered Day Coaches, magnificent Pullman Palace Sleepers of the latest design, and sumptuous Dining Cars, in which delicately cooked meals are served at all hours, between Chicago and Kansas City and Atchison and Leavenworth, and between Chicago and Council Bluffs, Kansas City, Minneapolis and St. Paul and intermediate points.
