Dry Lumber.

The wholesale trade is very light, dealers for the most part having laid in a heavy stock early in the season. In a retail way the lumber business is very good, especially in the city.

Democratic Gubernatorial Cloth.

Papillion Times.

After looking over all the democratic gubernatorial cloth thus far hung out the Times finds none of better fiber than that in the make-up of James E. Boyd. We should prefer to see him enter the congressional race, but his party will doubtless need him on the state ticket.

JAMES PYLE'S PEARLINE is highly indorsed by housekeepers and others who have tried it. No soap is required, and cleaning is done with a saving of much time and labor. All housekeepers should use it.

THE CHICAGO AND NORTH-WESTERN RAILWAY.

SHORT LINE

Omaha, Council Bluffs And Chicago

The only road to take for Des Moines, Marshalltown, Cedar Rapids, Clinton, Dixie, Chicago, Milwaukee and all points east. To the people of Nebraska, Colorado, Wyoming, Utah, Idaho Nevada, Oregon, Washington and California it offers superior advantages not possible by any other line

Among a few of the numerous points of superiority enjoyed by the patrons of this road between Omaha and Chicago, are its two trains a day of DAY COACHES which are the finest that human art and ingenuity can create. Its PALACE SLEEPING CARS, which are models of comfort and elegance. Its PARLOR DRAWING ROOM CARS, unsurpassed by any, and its widely celebrated PALATIAL DINING CARS, the equal of which cannot be found elsewhere.

At Council Bluffs the trains of the Union Pacific Ry. connect in Union Depot with those of the Chicago & Northwestern Ry. In Chicago the trains of this line make close connection with those of all eastern lines.

For Detroit, Columbus, Indianapolis, Cincinnati, Niagara Falls, Buffalo, Pittsburg, Toronto, Montreal, Boston, New York, Philadelphia, Baltimore Washington and all points in the east, ask the ticket agent for tickets via the "NORTH-WESTERN."

If you wish the best accommodations. All ticket agents sell tickets via this line.

CHICAGO, ROCK ISLAND & PACIFIC RAILWAY

By reason of its central position and close relation to all principal lines east and west, at initial and terminal points, constitutes the most important mid-continental link in that system of through transportation which invites and facilitates travel and traffic between cities of the Atlantic and Pacific Coasts. It is also the favorite and best route to and from points East, Northeast and Southeast, and corresponding points West, Northwest and Southwest.

The Great Rock Island Route

Guarantees its patrons that sense of personal security afforded by a solid, thoroughly ballasted roadbed, smooth tracks of continuous steel rail, substantially built culverts and bridges, rolling stock as near perfection as human skill can make it, the safety appliances of patent buffers, platforms and air brakes, and that exacting discipline which governs the practical operation of all its trains. Other specialties of this route are Transfers at all connecting points in Union Depots, and the unsurpassed comforts and luxuries of its Passenger Equipment.

The Fast Express Trains between Chicago and Peoria, Council Bluffs, Kansas City, Leavenworth and Atchison are composed of well ventilated, finely upholstered Day Coaches, Magnificent Pullman Palace Sleepers of the latest design, and sumptuous Dining Cars in which elaborately cooked meals are leisurely eaten. Between Chicago and Kansas City and Atchison are also run the Celebrated Reclining Chair Cars.

The Famous Albert Lea Route

Is the direct and favorite line between Chicago and Minneapolis and St. Paul, where connections are made in Union Depots for all points in the Territories and British Provinces. Over this route Fast Express Trains are run to the wheat belt, summer resorts, picturesque localities, and hunting and fishing grounds of Iowa and Minnesota. It is also the most desirable route to the rich wheat fields and pastoral lands of interior Dakota.

Still another DIRECT LINE, via Seneca and Kankakee, has been opened between Cincinnati, Indianapolis and Lafayette, and Council Bluffs, Kansas City, Minneapolis and St. Paul and intermediate points.
