A Strange Oversight.

The body of a man who had drowned himself was taken from the water by a New York policeman.

"Does anybody know anything about this man?" asked the policeman of some urchins who were present.

"We seed him just as he came up for the last time, but we forgot to ask him what his name was," said one of the boys.

A New Jersey man once said hat the people in the state rather like mosquitoes, because they felt so good when they were gone. There must be some such feeling in the minds of those who have suffered the pangs of rheumatism and been speedily relieved by the use of St. Jacobs Oil.

The completeness of the work done by the earlier astronomers is shown by the fact, recently stated, that out of the 6,000 or more nebulæ now known the Herschels had discovered 5,000.

Cures of sciatica are reported as having taken place in Paris after a single application of Dr. Debove's method of freezing the skin above the painful parts with a spray of chloride of methyl. The application is said to be applicable to facial neuralgia.

THE CHICAGO AND NORTH-WESTERN RAILWAY.

SHORT LINE

Omaha, Council Bluffs And Chicago

The only road to take for Des Moines, Marshalltown, Cedar Rapids, Clinton, Dixie, Chicago, Milwaukee and all points east. To the people of Nebraska, Colorado, Wyoming, Utah, Idaho, Nevada, Oregon, Washington and California it offers superior advantages not possible by any other line

Among a few of the numerous points of superiority enjoyed by the patrons of this road between Omaha and Chicago, are its two trains a day of DAY COACHES which are the finest that human art and ingenuity can create. Its PALACE SLEEPING CARS, which are models of comfort and elegance. Its PARLOR DRAWING ROOM CARS, unsurpassed by any, and its widely celebrated PALATIAL DINING CARS, the equal of which cannot be found elsewhere.

At Council Bluffs the trains of the Union Pacific Ry. connect in Union Depot with those of the Chicago & Northwestern Ry. In Chicago the trains of this line make close connection with those of all eastern lines.

For Detroit, Columbus, Indianapolis, Cincinnati, Niagara Falls, Buffalo, Pittsburg, Toronto, Montreal, Boston, New York, Philadelphia, Baltimore, Washington and all points in the east, ask the ticket agent for tickets via the "NORTH-WESTERN."

If you wish the best accommodations. All ticket agents sell tickets via this line.

A MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY WILL SEE BY EXAMINING THIS MAP THAT THE

CHICAGO, ROCK ISLAND & PACIFIC RAILWAY

By reason of its central position and close relation to all principal lines East and West, at initial and terminal points, constitutes the most important link in a continental line in that system of through transportation which invites and facilitates travel and traffic between cities of the Atlantic and Pacific Coasts. It is also the favorite and best route to and from points East, Northeast and Southeast, and corresponding points West, Northwest and Southwest.

The Great Rock Island Route

Guarantees its patrons that sense of personal security afforded by a solid, thoroughly ballasted roadbed, smooth tracks of continuous steel rail, substantially built culverts and bridges, rolling stock as near perfection as human skill can make it, the safety appliances of patent buffers, platforms and air brakes, and that exactness and discipline which governs the practical operation of all its trains. Other specialties of the route are Transfers at all connecting points in Union Depots, and the unsurpassed comforts and luxuries of its Passenger Equipment.

The Fast Express Trains between Chicago and Peoria, Council Bluffs, Kansas City, Leavenworth and Atchison are composed of well ventilated, finely upholstered Day Coaches, Magnificent Pullman Palace Sleepers of the latest design, and sumptuous Dining Cars in which elaborately cooked meals are leisurely eaten. Between Chicago and Kansas City and Atchison are also run the Celebrated Reclining Chair Cars.

The Famous Albert Lea Route

Is the direct and favorite line between Chicago and Minneapolis and St. Paul, with which connections are made in Union Depots for all points in the Territories and British Provinces. Over this route Fast Express Trains are run to the watering places, summer resorts, picturesque localities, and hunting and fishing grounds of Iowa and Minnesota. It is also the most desirable route to the rich wheat fields and pastoral lands of interior Dakota.

Still another DIRECT LINE, via Seneca and Kankakee, has been opened between Cincinnati, Indianapolis and Lafayette, and Council Bluffs, Kansas City, Minneapolis and St. Paul and intermediate points.
