Christmas for Horses.

The New Year's holidays have reached a wider circle than ever this year. Not only old and young folks, men and women, boys and girls, children and babies have felt the spirit of kindly good cheer, but even our dumb animal servants have had something to be thankful for as well. Thousands of them this past year have been emancipated from a terrible cruelty and a horrid fate; for there is, and can be no worse fate or greater affliction than to be sick, and then in addition to be tortured with villainous drugs and thus in sheer ignorance or brutality have their only chance of recovery lost. But thanks to the progress of the age, during this year of grace, thousands of them have been emancipated and given a chance for their lives, when sick, by the use of HUMPHREYS' VETERINARY SPECIFICS. Their use is extending on every side and thousands of the most intelligent and extensive stock owners and breeders have long since discarded every other method and rely upon the VETERINARY SPECIFICS; even the cavalry officers of the United States Army have endorsed and recommended them. Not only do the SPECIFICS cure promptly, but they are given without the least trouble or delay and are indeed a blessing for which to be thankful.

Dr. Formad of Philadelphia reports on 250 autopsies on drunkards and finds only six cases showing cirrhosis of the liver with contraction. He concludes that cirrhosis is due not so much to heavy drinking as to persistent drinking of spirits on an empty stomach.

PILES! PILES! PILES

A sure cure for Blind, Bleeding, Itchin and Ulcerated Piles has been discovered by Dr. Williams, (an Indian remedy), called Dr Williams' Indian Pile Ointment. A single box has cured the worst chronic cases of 25 or 50 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions and instruments do more harm than good. Williams' Indian Pile Ointment absorbs the tumors, allays the intense itching, (particularly at night after getting warm in bed), acts as a poultice, gives instant relief, and is prepared only for Piles, itching of private parts, and for nothing else.

SKIN DISEASES CURED.

"Come in the evening, or come in the morning;
Come when you're looked for, or come without warning,"
are words that might have been sung to Baker's Breakfast Cocoa; for, come when it will, it is always welcome. Morning is the approved time, but there is no time when it is not refreshing. For nursing mothers, it is the most healthful and nourishing article of food; it is both meat and drink, and is as grateful to the taste as it is beneficial in its effects.
