A MAP

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY WILL SEE BY EXAMINING THIS MAP THAT THE

CHICAGO, ROCK ISLAND & PACIFIC RAILWAY

By reason of its central position and close relation to all principal lines East and West, at Initial and terminal points, constitutes the most important mid-continental link in that system of through transportation which invites and facilitates travel and traffic between cities of the Atlantic and Pacific Coasts. It is also the favorite and best route for travel to points East, Northeast and Southeast, and corresponding points West, Northwest and Southwest.

The Great Rock Island Route

Guarantees to its patrons that series of personal security afforded by a solid, thoroughly ballasted roadbed, smooth tracks of continuous steel rail, substantially built culverts and bridges, rolling stock as near perfection as human skill can make it, the safety appliances of patent buffers, platforms and air-brakes, and that exacting discipline which governs the practical operation of all its trains. Other specialties of this route are Transfers at all connecting points in Union Depots, and the unsurpassed comforts and luxuries of its Passenger Equipment.

The Fast Express Trains between Chicago and Peoria, Council Bluffs, Kansas City, Leavenworth and Atchison are composed of well ventilated, finely upholstered Day Coaches, Magnificent Pullman Palace Sleepers of the latest designs, and sumptuous Dining Cars, in which elaborately cooked meals are leisurely taken. Between Chicago and Kansas City and Atchison are also run the Celebrated Reclining Chair Cars.

The Famous Albert Lea Route

is the direct and favorite line between Chicago and Minneapolis and St. Paul, where connections are made in Union Depots for all points in the Territories and British Provinces. Over this route Fast Express Trains are run to the watering places, summer resorts, picturesque localities, and hunting and fishing grounds of Iowa and Minnesota. It is also the most favorable route to the rich wheat fields and pastoral lands of interior Iowa.

Still another DIRECT LINE, via Seneca and Kankakee, has been opened between Cincinnati, Indianapolis and Lafayette, and Council Bluffs, Kansas City, Minneapolis and St. Paul and intermediate points.
