Everybody is interested in the Christmas ship which will carry toys and clothing to the millions of poor little children of the war zone of Europe and also clothing for the older children and the mothers who are in want and suffering.

Mrs. Clement Chase, with a score of assistants, has had great success in raising funds and generous gifts for the Christmas ship. Mrs. Bertha Offutt, Mrs. Thomas D. Crane, Mrs. Gould Dietz, Mrs. Fred A. Nash and Mrs. Milton T. Barlow are each in charge of committees and are working untirinaly for this great work.

Scores of packages neatly labeled have been received at The Bee office and this week the school children will make a large contribution.

Funds, clothing and toys, and, in fact, almost anything except provisions, will be welcome and will doubtless be more appreciated than any other Christmas gift we give.

Everything must be in by Friday or Saturday and the railroads have offered to carry everything for the Christmas ship free of charge. The United States government has made all arrangements for sending the ship and also has made arrangements with the different ambassadors of Europe for the distribution of these Christmas gifts.

Creche Benefit.

Society will dance for the benefit of the Creche at the Rome hotel, Saturday evening, November 28. Mrs. T. L. Kimball, who has been president of the Creche association for the last twenty-five years, Mesdames Warren Rogers, Thomas Kilpatrick, Arthur C. Smith, J. E. Summers, Louis Nash, James C. Dahlman, Louis Clark, Arthur Rogers, Bernard Capen and Miss Arabella Kimball are among those who have the affair in charge, and they will place tickets on sale next week.

Since abandoning the old place on Nineteenth and Harney streets a year ago last July, the Creche has been established in Park Wilde Place in the old T. L. Kimball home and this summer Mrs. Kimball gave the house with one lot and a half of ground to the institution which she has for many years backed with her interest and support. In addition to this the Creche management has now purchased the house next door with three lots from Mr. R. R. Kimball and this is being remodeled inside to give a playroom for the children and a big dining room, as well as more sleeping accommodations.

Omaha Girl Weds Abroad.

Miss Mildred Merriam, daughter of Mr. and Mrs. Nathan Merriam, was married to Lieutenant William James Diehl, R. N. I., of Aberdeen, Scotland, at 3 o'clock Saturday afternoon, according to a cablegram received by the bride's father, Mr. Nathan Merriam, and her sister, Mrs. Barton Millard.

The wedding is the culmination of a steamer romance. Mr. and Mrs. Merriam went abroad this summer to spend a few weeks at Ostend. They sailed on the Cedric, and Lieutenant Diehl, who is a reserve officer of the British navy, was third officer on board the Cedric.

Mr. Merriam returned home several weeks ago and Mrs. Merriam and her daughter went to Switzerland and returned to London at the outbreak of the war.

It is not known when Lieutenant Diehl will be called for sea duty, but the young couple will spend their honeymoon at Plymouth.

Mrs. Merriam is expected home next month.

For Popular Guests

Mr. and Mrs. Walter E. Clark of Milford, Conn., are the guests of Mr. and Mrs. Charles G. McDonald, Mr. Clark and Mrs. McDonald being sister and brother. Many social affairs have been arranged for Mr. and Mrs. Clark, who will be here three weeks. Thursday evening they were honor guests at a box party at the Brandeis theater, and Friday evening were entertained at dinner at the home of Mr. and Mrs. Charles G. McDonald, following which the dinner guests made up a party at the Orpheum. Mrs. McDonald will give a luncheon at the University club Tuesday, followed by a Brandeis theater party for Mrs. Clark and Wednesday Mrs. John R. McDonald will entertain at luncheon at the Commercial club and an Orpheum matinee party for Mrs. Clark. From Thursday until Sunday she will be the guest of Mrs. A. H. Fetters.

Those present at Mr. and Mrs. McDonald's dinner and theater party Friday evening were:

Mr. and Mrs. Walter E. Clarke.
Mr. and Mrs. John R. McDonald.
Mr. and Mrs. E. C. Twamley.
Mr. and Mrs. A. H. Fetters.
Mr. and Mrs. N. H. Harriman.
Mr. and Mrs. Charles G. McDonald.

Holiday Affairs.

The school set and the debutantes will be much entertained during the holidays and plans are now being made for many of the social affairs.

Mr. and Mrs. Arthur Crittenden Smith will give a dance for their daughter, Miss Harriet Huntington Smith, December 26, and Mr. and Mrs. C. W. Hamilton will also give a dance for this popular debutante on the evening of December 28.

The Cornell Glee club will be in Omaha December 28 and will give its concert in the evening, and there will be a round of entertaining in their honor.

The date of the Sorority dance holiday week this year will be Wednesday, December 30, at Chambers'. The young women in charge are Misses Marion and Naomi Towle, Esther Wilhelm, Grace Allison, Alice Jequith, Isabel Vinsonhaler, Regina Connell and Helen Eastman.

OMAHA GIRL JUST WEDDED IN LONDON.

Girlish Complexion Now Easily Acquired

"A skin of blended snow, cream and rose" is the way an Ohio correspondent describes her newly acquired complexion. She is one who has adopted mercolized wax in place of cosmetics, massage, steaming and other methods. Many who have tried this marvelous wax report that its effects are quite different from those of any other treatment. It produces a complexion of exquisite girlish naturalness, rather than one bearing evidence of having been artificially "made over." One that is indeed "Nature's own," the result of gradually absorbing dead particles of surface skin, permitting the younger, healthier skin beneath to show itself and giving its pores a chance to breathe. Mercolized wax, procurable at any drug store in original one ounce package, is put on at night like cold cream and washed off in the morning.

I have also had many favorable letters from those who have tried the wrinkle-removing face bath which I recommended recently. If any have mislaid the formula, here it is: One oz. powdered saxolite, dissolved in ½ pt. witch hazel.—"Natalie" in the Woman Militant.—Advertisement.

Magnificent Hair Easy to Obtain Quickly—*Some Astonishing Beauty Secrets*

Many Months of Precious Time Have Now Been Eliminated in the Acquirement of Beauty, Says Valeska Suratt, America's Famous Self-Made Beauty-Actress.

By Miss Valeska Suratt

If you could actually see a difference of two or three inches in the growth of your hair in a few weeks' time and detect a superb improvement in its vigor and silky appearance you would perhaps wonder whether a miracle had not been suddenly performed. Changes of this kind are so infrequent that most women do not believe them possible, yet the fact remains that if the proper means are employed they are more likely to occur than not. The proper means, of course, are the controlling factor. Mere hair tonics, which are commonly sold in prepared form and ready for use, are so often weak in power and in ingredients that it is remarkable how much of them are sold at all. If you would obtain a really beautiful head of hair quickly and with little trouble, just make up yourself at home in a few minutes, a mixture of one ounce of beta-quinol with one-half a pint of alcohol and half a pint of water (or use a full pint of bay rum if you wish instead of the water and alcohol) and apply this liberally. The result will soon be apparent. Hair will stop falling, dandruff will disappear and the hair will grow with remarkable rapidity. It is, in fact, a hair forcer. The hair roots quickly take on new life and vigor, and, naturally enough, when this occurs, almost any hair trouble is bound to cease. This formula makes over a pint of this unequaled hair grower, and costs much less than a hair tonic, and, besides, it is far more effective.

"A Difference of Several Inches a Month Has Resulted From This Excellent Formula."

PHILLIPPA, G. T.—Superfluous hair on a woman is a hideous thing. Many women hesitate to use depilatories because the ordinary preparations sold for this purpose injure the skin and leave a spot where applied, simply because the hair is literally burned off. The way to do is to use simple sulfo solution which is the only thing known that will simply dissolve away the hair and leave the skin soft, white and smooth. In this way no one can ever tell you used anything for removing hair. Simple sulfo solution can be obtained at any drug store. It never fails to destroy all hair, light and coarse, with the utmost rapidity and thoroughness, and it never injures the most sensitive skin or leaves a mark.

◆ ◆ ◆

MRS. S. T. O.—Only one cream is necessary to beautify the skin and bring it to a condition of incomparable loveliness in a short time. A few days' use will prove its results. Make up a mixture of one tablespoonful of glycerine and one ounce of zinkone in a pint of water. This makes a satiny cream which is to be used very liberally every day. This makes over a pint of cream, which is many times more than you ordinarily pay for prepared creams which do not give the desired results. You will soon find that every red spot, freckle and blemish will disappear and leave the skin pure and clear as a lily.

◆ ◆ ◆

MISS T. D. N.—Here is a wrinkle-removing formula which has already become famous because of its quick action in rendering the skin plump and vigorous and thereby eliminating all traces and lines of age. Mix two tablespoonfuls of glycerine and two ounces of eptol in a half pint of water. The result is a beautiful cream of wonderful absorbent qualities. Big and little wrinkles, crow's feet and looseness of flesh disappear in a remarkably short time. The difference in the appearance of age will be quite startling.

◆ ◆ ◆

EVELINA D.—Development of the bust (is very often possible). There is no absolute assurance of this, however. There is danger in the use of vacuum cups, pumps and the like. The following mixture is safe and has been very successful. To half a pint of hot water, add half a cup of sugar and two ounces of ructone, with which any druggist will supply you. Dissolve thoroughly and take two teaspoonfuls after meals and on retiring.

◆ ◆ ◆

MISS FONDLY—Do not pinch out blackheads. You can remove them without fail and in a few minutes by sprinkling some peroxin on a hot-wet sponge and rubbing this on the blackheads. Then look in the mirror and see the difference. This is the only article I know that will really remove blackheads and do it almost instantly.

◆ ◆ ◆

JANET T. D.—You probably don't realize that dandruff may now be dissolved away completely. This is not done with soap, because the alkali does not permit of it. But if you will dissolve a teaspoonful of egzol in half a cup of hot water and use as a head wash, you will be surprised at its splendid results. You can secure from your druggist at small cost enough egzol to make over a dozen of these shampoos.

◆ ◆ ◆

MISS WAITING—Hydrolized talc is a remarkable thing for excessive perspiration of the arm-pits. Use it liberally and you will find that you will suffer no longer from the extreme wetness under the arms, your dress shields and armpits will be fresh and dry and you will have no more gowns ruined by perspiration. Hydrolized talc can be obtained at any drug store. It also destroys perspiration and body odors completely.—Advertisement.
