AUTOMOBILE SCHOOL EVENING CLASS.

For the benefit of those desiring a thorough, practical and theoretical automobile education, who do not have time to obtain the same during the day, we are organizing an evening class, in addition to our regular day classes, commencing Nov. 16.

We have just added another building, over 8,000 square feet, to our already large space, giving us a total of over 14,000 square feet of floor space, devoted entirely to the Auto School and auto repairing.

Remember that this is the place where you can obtain the practical auto education, getting your training by doing actual repair work, finding trouble, etc., just the same as you will do when you go out into the automobile world.
