Idle Wealth

There is probably thousands of dollars' worth of personal property in the city of Omaha alone which is of little value to its present owners.

Nearly all of this would be of use and decided value to somebody else.

Why not exchange to mutual advantage? You must have something you don't need or want. Advertise it in the

Swappers' Column

of The Bee and get something for it.

Automobile Owners

W. Norman Hopegood, editor of Harper's Weekly, says: "An uninsured automobile is not an asset, but a liability." Every prudent automobile owner is appreciative of the value of automobile insurance, but he need not throw away his money by the payment of excessive rates.

Nebraska losses are materially less than those in the eastern portion of the country, and our rates are the lowest to be had. You are protected by a "LEGAL RESERVE" deposited with the State of Nebraska.
