BRAVES RAISE FLAG; WIN TWO COMBATS

Boston Nationals Celebrate Event by Taking Double-Header from Phils.

TYLER IS WILD IN THE FIRST

BOSTON, May 28.—The Boston Nationals today raised the world's championship pennant captured from the Philadelphia Athletics last fall, and observed the occasion by winning both games of a double header from Philadelphia and moving into the first division. The first game was won, 5 to 2, notwithstanding Tyler's wildness. Magee's double with three men on bases, broke a tie at the expense of Alexander, his former roommate.

The lead changed three times in the second game, which Boston won, 5 to 4, only by using every element of reserve strength. The lineup was changed by much bitters during a rally in the eighth inning, that an almost readjustment was necessary when the team took the field in the ninth.

A home run by Cravath ocer the left field fence, a running one-hand catch by Connolly in the ninth inning, that probably saved another tie score, and the fielding of Magee were features of this contest. Score, first game:

Invitation Track Meet is Postponed for Another Week

Because of continued rainy weather, the invitation track meet scheduled for today on Creighton field has been postponed until the following Saturday, June 5. Promoters and athletes are determined to hold the meet, in spite of adverse weather condition, and since the postponement has been made necessary, they are renewing their efforts to make it a notable athletic event and one that Omaha will welcome and appreciate.

The entry list, now totalling over 100, has been reopened until Tuesday at 10 a. m. Nelson of Nebraska City High school, champion one mile runner, is the latest to file his entry. Coach Tommy Mills of the Omaha High school expresses pleasure over the postponement, as the wek date, a week later, brings the event just one week prior to the time when his athletes will compete in the Stagg's invitation track meet at Chicago, thereby keeping them in prime condition for the latter important contests.

Magnates Will Push Fight Against the Base Ball Pools

NEW YORK, May 28.—Base ball authorities here see in the trial of William Rice at Chicago and the arrest of two men at New Orleans, the beginning of a nationwide campaign against base ball pools It was said today that the matter would be called to the attention of the district attorney in this city and the facts also will be presented to Governor Whitman with a request that action be taken to abate the practice

President John Tener of the National league was outspoken in condemning pool betting "It should all be wiped out," he said, "for it is fast growing to be a menace to the community as well as to base ball itself. As a man is known by the company he keeps, so base ball will be known by its association and those associations ought never to be such that a finger can be pointed in scorn.

"For the moral welfare of the community base ball pools should be stamped out just the same as any other form of gambling.

PITTSBURGH, Pa., May 28.—The entire police force of Pittsburgh was today on the lookout for dealers in base ball pools under an order issued last night by Superintendent W. N. Matthews, who detelared such pools to be lotteries and therefore illegal. Under the law the crime is punishable by a fine of $1,000 and imprisonment for one year. A campaign against the pools has brought out the repeated statement that fully $100,000 is invested in the enterprise weekly by Pittsburgh people.

Track on Franklin Field is Fast and Weather is Fine

PHILADELPHIA, Pa., May 28.—Clear, cool weather, a fast track in perfect condition and a field of more thon 600 athletes, the pick of a score or more colleges in the association, promised record breaking performances in the fortieth annual track and field champions of the Intercollegiate association which opened today on Franklin field.

Elimination trials in the shot put, pole vault, running high jump, hammer throw and running broad jump, and preliminary heats in the 100-yard dash, half mile run, 120 and 220-yard hurdles, 220 and 440-yard dashes comprised today's program. Six men will qualify for the finals in each of the field events and records made today will stand unless bettered in the final competitions tomorrow.

Many of the experts have figures that the championship may be largely determined by the results in the half and quarter mile runs and much interest was manifested in the drawings on the various colleges for position in these events.

Flush Your Blood Get it Cleansed

Remarkable Remedy That Works All Through Your Body.

When you put a tablespoonful of S. S. S. into your stomach it gets straight into your blood. In less than five minutes it has become a wave of restorative influence wherever the blood has circulated. Does this read like magic? But it is absolutely true. Those powerful digestive juices in the stomach can not change the medicinal effect of S. S. S. The liver can not burn it. The lungs, skin and kidneys excrete it only after S. S. S. has set in motion millions of cells and nerves to throw off the countless germs that have infested every part of the body. And as S. S. S. continues to battle those troublesome pests that gather in the form of pimples, boils, eczema, acne, catarrh, rheumatism and other so-called blood disorders, it rouses into action a myriad of strange but well-understood corpuscles called luecocytes that actually devour or change or convert disease germs so they are readily and quickly cast out of the body. It is probably the best appreciated blood medcine known. You will find S. S. S. on sale in nearly every drug store in the U. S. Get a bottle today. And if your case is peculiar, write to the Medical Department, The Swift Specific Co., 105 Swift Bldg., Atlanta, Ga. It is conducted by a noted physician.
