The Great Lathe of Circumstance Is Waiting to Carve Your Chance

The whole universe lies before you.

In every business there's a "spare room" for capacity. There's a prepared place for every ambitious man and woman who will earnestly, honestly prepare to FILL that place.

But remember well this fact—if you're ambitious to fill a truly lucrative position in the business world, prepare THOROUGHLY for it—take enough time about the preparation to assure yourself that you will get the right start in the business world. A hasty start won't hasten success.

But—KNOW THIS: Gain such a thorough, painstaking, complete training for a business career as that given by

BOYLES COLLEGE
(Day and Night School—All the Year Round)

to all its Stenography, Bookkeeping, Telegraphy or Civil Service students and you'll be sure to succeed—if you have the proper never-say-die ambition.

Any earnest, well-courraged, sincere striver is bound to reach the place he's bound for. Failure cannot exist where zeal and purpose and the proper preparation exist.

Our graduates are in great and constantly growing demand by banks, wholesale houses, manufacturers, retail houses and business concerns of all kinds all over this section of the United States for 500 miles in every direction from Omaha.

Let us send you the proof of this. Let us open your eyes to the possibilities the business world holds out to YOU. Our Year Book will prove intensely interesting. Let us send you a Free Copy. It is as different from the usual business college catalogue as Boyles College is different from the usual business college.

A REBUILT CADILLAC
It's a Safe Used Car to Buy

SPECIAL VALUES NOW

A rebuilt Cadillac is superior to any new car at the same price. They are the truest values on the street. By rebuilt we mean that the cars have been entirely taken apart, each part examined and, if necessary, replaced by a new part made at the Cadillac factory; the entire car repainted and refinished like new; all equipment put in first class condition—the whole car, in fact, carefully reconstructed until it is as good as new in every detail.

We offer Cadillac exclusively, as we do not accept other makes in trade. Consequently we are as interested in the performances of these rebuilt cars as we are in new Cadillacs. In actual service values, these cars are worth a great deal more than we ask for them, and we usually have a variety of body styles to select from. See them before you buy.
