OPPORTUNITY
OPENS ITS ARMS TO YOU
MONDAY, JANUARY 6, 1908

at BOYLES COLLEGE. There are as great opportunities before you today as there was before Andrew Carnegie, President Roosevelt, or George B. Cortelyou twenty-five years ago.

YOU can succeed. You need but to do your level best to obtain that kind of an education that will bring out all the latent elements of success that abide within you. It is only the weak and vacillating, the indolent and cowardly, who doubt their ability to succeed, or question that there are opportunities ahead of them, if they are prepared to accept them. It is not opportunities that are lacking. They are everywhere. The trouble is that there are not enough people who are prepared to use the opportunities that are lying around.

Think this matter over well and think of the many advantages that you could obtain by entering

BOYLE'S COLLEGE

at the beginning of the midwinter term, Monday, January 6, in either the day or night sessions.

Here you will be turning into gold the moments that otherwise might be wasted. Here in a building devoted wholly and solely to business college interests, you will be surrounded by an atmosphere of business that will imbue you with enthusiasm for work and make your acquisition of a knowledge of stenography, bookkeeping or telegraphy a pleasure instead of work.

Call and see us about this matter some day this week, or if you can't call, write for our catalogue.

The college offices will be open throughout the entire day, every day during the holiday season.

BOYLE'S COLLEGE,
H. B. BOYLES, PRESIDENT.

"NOTHING SUCCEEDS LIKE SUCCESS." THE OMAHA COMMERCIAL COLLEGE PRE-EMINENTLY SUCCESSFUL.

BIG ENROLLMENT, THOROUGHLY PRACTICAL COURSES, PERFECT EQUIPMENT, PROFESSIONAL INSTRUCTORS, FINEST COMMERCIAL SCHOOL BUILDING IN AMERICA, EXPERIENCED MANAGEMENT AND SUPERIOR FACILITIES.

SELECT A RELIABLE SCHOOL.

It never pays to experiment with a new or cheap school. Attend the best you can find; it is the cheapest in the end.

UNPRECEDENTED ENROLLMENT.

Our enrollment since September 1 is the largest we have ever had. Every department shows a big increase. The months of January, February and March will break all former records. Students from more than thirty different states and territories will be enrolled. Scores of students from Omaha, South Omaha and Council Bluffs will be with us. Young men and women are rapidly learning that it pays to attend a high-grade, first-class commercial school, having superior advantages and opportunities.

WINTER TERM.

The Winter Term opens Monday morning, January 6. New classes will be started. We will be at the College Office every day during the coming week, to confer with those who wish to call and make inquiry concerning various courses of study, etc. We would like to show you our magnificent school rooms and appointments. Call if possible. Our telephone number is Douglas 1288.

DAY AND NIGHT SESSIONS.

Both day and evening sessions are held. The Night School meets on Monday, Wednesday and Friday nights, from 7:00 to 9:00 p. m.

COURSES OF STUDY.

The following courses may be had: Regular Business, Shorthand, Typewriting, Telegraphy, Penmanship, English, Normal and the Civil Service Branches.

BUSINESS DEPARTMENT.

All who have visited and examined our Business Department, and the courses of study taught, regard it as the best business department to be found. Actual business from the start makes our course of bookkeeping unusually interesting and profitable. Expert professional teachers have charge of this department, and two expert professional penmen teach the students how to write. The Office Department is the most elaborate and complete to be found.

SHORTHAND AND TYPEWRITING DEPARTMENT.

This department, within the past two years, has been thoroughly revolutionized, due to the employment of thoroughly modern, progressive and up-to-date instructors. Our system of shorthand commends itself to every one. We have been doing the finest work in typewriting of any school in America. Much individual instruction is given, and the backward student obtains special encouragement and help. We can get students ready for positions quicker than the average school. Our students are in great demand. Only recently several four months' students were placed in $50 positions. If you want to become a stenographer, you cannot afford to miss the opportunity we are about to offer you.

TELEGRAPH DEPARTMENT.

Within the past two months this department has been thoroughly revolutionized. We now have a Union Pacific railroad wire for use of students. We have all the blanks, books and forms used by that company. The company has agreed to furnish every student with a position, as soon as ready. We, therefore, guarantee you a position as an operator on the Union Pacific railroad as soon as ready. Station work and every detail pertaining to the duties of a telegraph operator are taught. Many new features have been added to this department. Above all, we have an old experienced operator at its head. If you want to become an operator and have a position on the Union Pacific, write us at once.

OTHER FEATURES NOT FOUND IN OTHER COMMERCIAL SCHOOLS.

Reference is made to a splendidly equipped Gymnasium, Literary Society, and a series of public Literary and Musical Entertainments, Lecture Course, etc. These are all free to the student.

POSITIONS FOR 500 STUDENTS.

During the past eight months our records show that over 500 different students have been placed in positions as bookkeepers, stenographers and telegraph operators. This shows the strong preference the business men of Omaha have for Commercial College students. They have learned to know their value. It also means that if you will attend this Institution and prepare yourself for a position, you will have the opportunity of securing it. We are ready to help you. Are you ready to permit us to do so?

SUCCESS GUARANTEED.

If you will join our numbers at the opening of the Winter Term, Monday morning, January 6, and diligently prosecute your work for a few months, we absolutely guarantee you success. Every dollar you invest in a mercantile course of study will bring you 500 per cent profit inside of two years. Write us at once for catalog, call at the College Office, or telephone Douglas 1288.
