# SHORTAGE IN THE BALLOTS

### One Cast for Harvey as Foot Ball Captain Said to Be Missing.

### BOARD CALLED TO PASS ON IT

**Prospect is Last Vote Will Not Be Recorded and that Ballots Will Be Issued for Another Vote on the Question.**

LINCOLN, Jan. 31.—(Special.)—An inspection by the University of Nebraska Athletic board today of the ballots cast for foot ball captain brought to light the fact that one vote that had been cast was not counted in the canvass Tuesday. Investigation showed that the fourteen "N" men eligible to vote for captain had cast their ballots and sent them to the secretary of the board. At the canvass of the votes on Tuesday only thirteen of the ballots were brought out and the vote gave Masters five, Harvey and Cook each four. The fourteenth ballot contained a vote for Harvey and would have made him and Masters high men and Cook would have dropped out of the race, leaving the two high men to be voted for on the next ballot. As it was the board ordered Harvey and Cook to draw straws to determine which of them should quit the field.

When Harvey learned of the result of the vote he refused to draw straws, but interviewed his five supporters and found that they all had cast their votes for him. He then complained to the president of the athletic board about the irregularity and a special meeting of the board was called for investigation. At the meeting it was found that the fourteen ballots were mailed and that they had been received at the secretary's office. The missing ballot, however, was not found and the supporters of Harvey claim that it was destroyed in an attempt to defeat him for captain.

Another meeting of the board will be held next week, when it is expected that the last vote will not be recorded and that new ballots will be issued for a new election.

### BASKET BALL MEN IN FINE TRIM

**High School Confident of Victory Over Lincoln.**

Thursday afternoon the high school basket ball team had its last practice before the big match with Lincoln, scheduled for Saturday. The boys have developed fast team and signal work and are in first class condition for the game. Burdick, Arnstein and Nagle are still throwing goals with their usual skill, and the work of Neavles and Howard as guards is an indication of a small score by Lincoln. Pagels and McWhitney have been chosen as substitutes and are doing fine work in practice.

Every practice of the squad is made to count, for unless the lads on the first team do their best they run the risk of having the second or "scrub" team outscore them. Among other prominent candidates for team honors are Carter, Clark, Deanes, Dodds, Larmon and Thomas.

Omaha's game on Saturday's game with Lincoln will be as follows: T. F. Burdick, L. F.; Nagl (captain), C., Arnstein; R. G., Neavles, L. G., Howard. Subs: Pagles and McWhitney. Umpire, Hill.

**Bills Signs with Athletics.**

WOOD RIVER, Neb., Jan. 31.—(Special.)—Joe Bills of Shelton, who pitched for the Memphis team in the Southern league last season, has that signed a very satisfactory contract with the Philadelphia Americans for the coming season. He will leave soon for Hot Springs, Ark., and go from there to New Orleans to join his new teammates. In his letter to Bills, Mr. Mack says that he has an excellent chance to make good as two of his old pitchers are showing a reversal in form, and Mr. Mack states that if Bills keeps up the excellent work that Mack saw him do at Memphis last summer he has no doubt as to his making good.

**Sheppard Asks Reinstatement.**

PHILADELPHIA, Jan. 31.—Melvin Sheppard, track athlete, who struck Guy Haskins during a race here last week, came to the city yesterday and apologized to Haskins. He also made appeal to the registration committee of the Middle Atlantic association for reinstatement, having been suspended following the meeting at which he struck Haskins. The committee will consider the matter today. Scores of letters have been received asking that Sheppard be reinstated.
