ANNOUNCEMENTS

WHY PUT IT OFF?

Maybe you are waiting until "next fall" to take up a course in Boyles college. Why delay?

To get a start you must pull yourself together and make an effort. No one ever got a start by drifting except a start down stream.

He who makes no sacrifice achieves no success. He who sits passively on a dry goods box at the corner thrusts his hands into empty pockets.

To get a start you must learn to do something that the world wants done. There is no better avenue to the business world than that of a thorough knowledge of bookkeeping, telegraphy or stenography, and if a man seeks profit, prominence or power, the business world offers him the best opportunities to be found today.

There is no better time to take up any of these practical branches than RIGHT NOW.

Every day is an enrollment day.

The handsome catalogues are furnished free upon application.
