WASHINGTON NEWS.

Indisposition of the President.

A Big Law Suit, Etc., Etc.

FRENCH'S OPINION.

WASHINGTON, March 14.—Acting secretary of the treasury French says he does not think the present state of the public treasury would justify the anticipation of called bonds wich will mature May 1st. He said he would not issue another bond call unless specially directed by Secretary Folger.

POLICE FORCE REGULATION.

The citizens' committee, whose efforts to break up the alliance between thieves and detectives in this city have recently met with so much success, adopted a resolution recommending an entire reorganization of the police force of the district. The resolution was sent to the district commissioners.

THE PRESIDENT.

While the president is still somewhat indisposed he is attending to his official duties as usual. He received quite a number of visitors today. Arrangements for his proposed trip to Fortress Monroe have not yet been completed. It is thought that the President will leave for Fortress Monroe some time this week.

A BIG SUIT.

The case of Wm. C. Walsh, commissioner of the general land office of Texas, against Wm. Preston, argument in which was concluded in the supreme court of the United States today, is a suit which involves the title to nearly 3,000 square miles of land within the limits of what is known as America's colony, situated in Texas between the present city of Dallas and the Indian territory, along the headwaters of the Red river. Pierson, appellee, represents a joint stock company known as the Texas association, and claims the lands in controversy under contract made in 1844 between the republic of Texas and one Fenton Mercer, and he seeks to retain the commission from issuing certificates for these lands as if they were part of the public domain, and thus invading the vested rights and clouding the title of the Texas association. The land commissioner, on the other hand, maintains that he is acting in the line of his rightful official powers for the reason that the lands have been annexed by competent authority to the public domain, and are, therefore, under its exclusive jurisdiction and control. He appeals from the decision of the court below. One of the grounds for appeal is that the colonization contract of 1844 was void for unconstitutionality and for fraud on the part of the president, Sam Houston, in making it.

THE OTHER SIDE.

More American Hog.

General Foreign News.

BRADY'S CONFESSION.

DOUBLIN, March 14.—It is stated that Joe Brady, conspiracy prisoner, has confessed that he murdered Lord Cavendish and Burke.

A STRIKE.

LONDON, March 14.—Three thousand weavers in Hudderfield district have struck, owing to a disagreement with masters regarding wages.

REDUCTION OF RAILWAY RATES.

CALCUTTA, March 14.—It is intended to reduce railway rates to enable growers of wheat in India to compete on more equal terms with American producers.

WALSH WINS.

HAVRE, March 14.—The evidence against John Walsh is insufficient to to warrant his extradition. Walsh will likely accompany Byrne and wife to America on Saturday.

THE DEAD PRINCE.

ST. PETERSBURG, March 14.—The intestines of Prince Gorschakoff have been sent to Freiberg to be analyzed. The Prince died at the villa of his German mistress, with whom he became acquainted during the sitting of the Berlin congress.

THE IRISH QUESTION.

LONDON, March 14.—A meeting of the Irish, Scotch and English members of parliament was held yesterday, at which it was decided to form a political committee with the view to inquiring into public opinion in regard to Irish reforms. The committee is quite an impartial one. No Parnellites are connected with it.

AMERICAN HOG LAW.

BERLIN, March 14.—Bismarck has written to the bunkesrath recommending, to prevent evasion of the law, that the hog product be only admitted into the country on arrested proof that they are not from America. The decree prohibiting the importation of American hog products, includes sides bacon and sausage. The decree goes into force a month after its promulgation. The assent of the reichstag is not requisite. The semi-official press reports that the measure is purely a sanitary one. Liberals denounce it as protective in its character.

THIS AND THAT.

Princes, Train Robbers and Indians.

Miscellaneous Matters.

THE NAIL MANUFACTURERS.

PITTSBURG, March 14.—The western nail association met in regular monthly session to-day, and re-affirmed the card rates, and also decided to resume the operations of factories next Monday, and after running three weeks close down again for three weeks.

FOR MEXICO.

PHILADELPHIA, March 14.—It is ascertained that Dr. Bentlock, of this city, acting as agent of Prince Bismarck, is negotiating for the purchase of several million acres in Mexico for a settlement of German emigrants. The land selected is said to be rich in ores and plants.

BILLIARDS.

CHICAGO, March 14.—Last game, preliminary balk line tournament; Morris, 500; Wallace, 473. Fifty-three innings. Best runs: Wallace, 54; Morris, 67. The result of the tournament is that Wallace and Morris take part in the big tournament, beginning March 24. Morris wins the first prize, Wallace the second, Gallagher the third.

CLARENCE HITE DEAD.

LOUISVILLE, March 14.—About a week ago Gov. Crittenden pardoned from the Missouri penitentiary Clarence Hite, of Logan, who was sentenced to twenty-five years' imprisonment as one of the Jessie James gang, he having pleaded guilty. He spent two-thirds of the time in the hospital. Hite was taken home to Logan county last Thursday and died the following Monday.

THE PRINCE OF WALES.

LOUISVILLE, Ky., March 14.—Some time ago the managers of the Louisville southern cotton exposition, hearing that the Prince of Wales was intending to visit America, extended him an invitation to attend the exposition. A reply from the Prince's secretary was received to-day, dated Berlin, February 27, stating that the prince had no intention to visit America during the present year, and thanking the managers for their invitation.

THE TRAIN ROBBERS.

LITTLE ROCK, March 14.—McDonald, one of the six who stopped the Fort Smith train a week ago, murdered the conductor and wounded a brakeman, was jailed at Van Buren today. He offered to conduct the officers where they were to rendezvous if he would be admitted as state's evidence. Superintendent Hartman declines to do this, believing that there is evidence enough already to hang McDonald. The others are surrounded and bloodhounds are on the scent for their retreat. A reward is on their heads of $200.

THE [illegible]ERS.

CHICAGO, [illegible] at the request from the [illegible] the Western Union Tel[illegible]pany ceased supplying the [illegible]s to the open board, and the wires connecting it with the regular board were cut. This was a surprise, as it was the understanding of the open board people that they would not be molested, not having joined the bucket shops in the legal fight. It is said the open board will be enabled to continue business by getting quotations of Chicago markets from Milwaukee.

ON THE WAR PATH.

ST. LOUIS, March 14.—Advices from the Creek Indian nation say that Sleeping Rabbit, one of the principle leaders of the Spieche faction, who was arrested some days ago by Gen. Porter, commander of the Chicote party was killed at Okmulkee last week while attempting to escape. Two other leaders of the same faction have also been killed. These murders, as they are called, are said to have aroused Spiecheis men to renewed action, and 200 of them are reported to be marching on to Okmulkee for the purpose of bringing about a fight. General Porter with 200 men has gone out to meet the advancing party, and a conflict is expected.
