Lundberg has been watching the rain clouds with as much interest as anyone. He has several "prospects" that will depend altogether on how the cat jumps in this moisture question. The corn is not suffering much yet, but Mr. Farmer hesitates to buy even as good a car as the Davis unless the rains come.

Seldom is a community of this size called upon to mourn the passing of two such useful members at once. Mrs. Pollard and Mrs. Opp had lived useful lives and their contributions to humanity are of a kind that though unostentatious will live long in the memory of those who are left behind. There is a perosnal note behind. There is a personal note Opp, as he will miss her cherry greeting day by day.
