OFFICES FOR RENT

If you are in search of offices or want to find a new location for your place of business, we would like to have you call at

THE BEE BUILDING

and look at the space we can offer you.

In the southeast corner of the fifth floor we can show you an elegant suite of two rooms, a floor space of 560 square feet, with good light, a vault and nicely decorated rooms. This faces both Farnam and Seventeenth streets and is the best office space in Omaha today.

On the sixth floor we have two small rooms, which are connected, and would make a splendid combination for anyone being small, but well arranged offices.

There is another room on the sixth floor, facing on Seventeenth street, 8x21-6, which rents for $12 per month. Anyone wishing a small office with good light would be pleased with this one.

On account of contemplated changes, we are in a position to make leases on desirable space on the second floor. These rooms are very desirable and have been occupied by enterprises requiring much space. Call and let us figure on your requirements.
