# Ground floor office
## in The Bee Building

East front on Seventeenth street, one door north of Farnam, size 16½x40½. The fire-proof vault in connection with this room is 6½x12½ and there is also a cloak and wash room, conveniently arranged. There is an entrance from the court to this room, making a good and accessible office to reach the public. It will be available April first.

## Small offices with vaults

Did you ever stop to consider the value of a vault in connection with an office? It gives you a place to keep your books and valuable papers in case of fire breaking out in your office. You don't need to lock up your office every time you are called out. Many customers are lost when they find the door locked and no place to wait for your return.

We offer a small room with vault on the fourth floor just west of the elevator. Easy of access and convenient to the public and the rent is only $17.50 per month.
