Each day, for seventy-five days, there will be published in The Bee a picture which will represent the name of a book. Beneath each picture there will be a blank for the contestant to fill in the title of the book.

Cut out both the picture and blank and fill in the name and author of the book and add your name and address neatly and plainly in the space provided.

No restrictions will be placed on the way in which answers to the pictures may be secured. Each picture represents only one title of a book. If you are not sure of a title and wish to send in more than one answer to each picture, you may do so. BUT NOT MORE THAN FIVE ANSWERS WILL BE ACCEPTED TO ANY ONE PICTURE. Incorrect answers will not be counted against contestants if correct answer is also given. More than one answer should not be put on the same coupon. Extra coupons should be used for extra answers. All answers to the same number should be kept together in sending in the set.

While not absolutely necessary, it is desirable that the pictures should in each case be sent in with the answers, in order that all answers be uniform. Additional pictures and coupons may be obtained at the office of The Bee by mail or in person.

When you have all seventy-five pictures, fasten them together and bring or mail them to The Omaha Bee, addressed to the Booklovers' Contest Editor. Prizes will be awarded to the contestants sending in the largest number of correct solutions. In event of two or more persons having the same number of correct solutions, the person using the smaller number of extra coupons in his set of answers will be declared winner. In event of two persons having the same number correct and using the same number of coupons, the person whose set of answers is most neatly prepared, in the opinion of the full judging committee, will receive the first prize.

Only one list of answers may be submitted by a contestant.

The use of the coupons is not obligatory upon the contestant, and an answer may be submitted in any legible manner the contestant may select.

Awards will be made strictly according to the merit of each separate list.

The name of more than one person must not be written upon any one coupon.

The awards will be made by the Contest Editor and a committee of well-known citizens, whose names will be announced later.

The Contest is limited to the following territory: Nebraska, Wyoming, that portion of Iowa west of but not including Des Moines, and that section of South Dakota known as the Black Hills District.
