The village board has ordered the city marshall, at their regular meeting last Tuesday, to kill all dogs and cats found running at large within the city limits after due notice has been posted in three public places in the town. The order is made to prevent the spread of contageous diseases, more particularly small-pox. The order is a good one and should be enforced to the latter. Children play with dogs and cats that are apt to visit the back yards of some of these infected premises and then the parents wonder how it is they have become exposed.

If people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or water brash, caused by indigestion or dyspepsia. A preparation, such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good. Odendahl Bros.

A son of J. W. Heapy had a very narrow escape from death, the latter part of last week. It seems he was driving along the road with a disk, and his horses became frightened at some object and started to run. The boy was thrown off, but fortunately went far enough to have the disk missed all but one hand, which required a physician to sew up the lacerated member. One of the horses fell and was so severely crippled that it was necessary to kill it —Litchfield.

A WORTHY SUCCESSOR

"Same thing New Laxer Tea name."

All Doctors here trend to cure CATARRH by the use of powders, acid gases, inhalers and douches to clean nasal passages. Their powders dry up the mucous membranes causing them to crack open and bleed. The powders, douches and douches have entirely failed, even the same medicines that the sufferer have taken all to cure, while persons will in a few minutes remove the disease. An old physician practitioner who has for many years made a close study and specialty of the treatment of CATARRH, tried and perfected a treatment which when faithfully used, not only relieves, but permanently cures CATARRH, by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLE," the "GUARANTEED CATARRH CURE" and is sold at an extremely low price of one dollar, each package contains sufficient, and a special treatment sufficient for a full month's treatment, and everything necessary to its perfect use.

"SNUFFLE" is the only perfect CATARRH CURE ever manufactured and is now recognized as the safe and powerful cure for that annoying and disgusting disease. It quickly allays inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD. CATARRH when neglected often leads to CONSUMPTION—"SNUFFLE" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition, and you will receive special advise from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLE" the "GUARANTEED CATARRH CURE."

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept. A25 EDWIN B. GILES & COMPANY, 330 and 332 Market Street, Philadelphia.

A Very Remarkable Remedy.

"It is with a good deal of pleasure and satisfaction that I recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy," says Druggist A. W. Sawtelle, of Hartford, Conn. "A lady customer, seeing the remedy exposed for sale on my show case, said to me: 'I really believe that medicine saved my life the past summer while at the shore,' and she became so enthusiastic over its merits that I at once made up my mind to recommend it in the future. Recently a gentleman came into my store so overcome with colic pains that he sank at once to the floor. I gave him a dose of this remedy which helped him. I repeated the dose and in fifteen minutes he left my store smilingly informing me that he felt as well as ever." Sold by—Odendahl Bros.
