J. W. BURLEIGH, Ed. and Pub.

The joint railroad committee decided last week to draft a state-wide primary bill.

A bill to restrict the sale of patent medicines to druggists has been killed in committee.

They are having an abundance of Thaw in New York City, let the weather be ever so frigid.

"Harry Thaw Swill," is the way one paper prints what was intended as reading "Harry Thaw's Will." They mean the same thing.

The committee will this week report on a 2-cent passenger fare bill. Those who oppose such a law claim it is clearly unconstitutional.

County division as relates to Custer and other counties, has another wait coming, as the present legislature has fallen heavily on the whole matter.

The house last week killed the bill to do away with capital punishment. Thus the majority of the representatives record themselves in favor of legalized murder. No more, no less.

The county option bill was killed in the senate last Friday by a vote 20 to 11. The opponents claimed the bill was unfair because it gave the anti-saloon people two whacks at the saloon to one strike back.

Representative Fries of Howard county has introduced a bill in the legislature, the effect of which is to compel every voter to exercise his right of franchise, in default of which he shall pay the sum of $3 as a special voting tax.

The editor of a weekly paper published in Barber county, Kansas, grants no favors to the railroads now that the pass has been abolished. He has taken out the railroad time table and instead prints this information: "Trains are about due when you see the smoke."

The senate after sitting down on the levy idea, as a sort of legalized graft, when asked for by the State Fair Association, records itself in favor of a half mill levy to make good the defalcations of ex-Treasurer Bartley. It makes some difference whose ox is gored.

Senator Randall of Madison has introduced into the senate a bill which is said to be directed against school ma'ams who fall victims to cupid in the middle of a term and desert their posts of duty. The bill prescribes the terms of contracts between school districts and teachers, and then provides that neither can violate the terms of the agreement with impunity As a penalty for violation the teacher will have her certificate to teach taken away from her. The measure also fixes the minimum salaries to be paid teachers at from $30 to the lowest class, to $50 for the more experienced grades.

I will start a milk route about the 25th of this month, and your patronage is respectfully solicited. Give me a trial and I will give you satisfaction. HENRY DOLLING.

Hymeneal.

Married, at the home of the groom's parents, Mr. and Mrs. Ed Slawson of Washington township, on Wednesday, Feb. 6th, 1907, at 7 o'clock p. m., Justice-of-the-Peace Henning Claussen officiating, Mr. W. P. Slawson to Miss Lillie M. Jewell, daughter of Mr. and Mrs. Andrew Jewell, in the presence of their immediate relatives and a few friends. After the ceremony all did justice to a splendid wedding supper. The young couple have a host of friends who join in wishing them a happy journey through life.

Test Your Seed Corn.

Poor seed corn means missing hills, one-stalk hills and weak stalks, producing little or nothing. It means wasted land and wasted labor. It means less than thirty bushels of corn per acre in the "corn belt" instead of forty or forty-five bushels. On this point, Prof. Holden, the noted corn specialist, says: "If the corn fields of the United States were mine and I could give but one order, that order would be to test six kernels of corn from every ear that was intended for planting." Such testing in carefully arranged test boxes that any farmer's boy can make in a few minutes, would discover in time to prevent the planting of corn from ears that are unsound from any cause, and this year it will be found that many an ear that looks good on the surface has weak vitality and has no business in the seed pile.

Obituary.

On last Sunday evening, Feb. 20th, occurred the death of Mr. Henry Lange at his farm home five miles southwest of Ashton. Although in poor health for some time Mr. Lange's last sickness was only of two weeks duration, a combination of stomach and bowel trouble terminating his life. The funeral services were held at the home on Tuesday at 1 o'clock and were conducted by Rev. L. C. McEwen. The local singers were assisted in the music for the occasion by Miss Beth Rimmerman. The A. O. U. W. lodge of which Mr. Lange was a charter member, through their past Grand Master C. F. Beushausen, also participated in the exercises. The large concourse of people who assembled at the home and formed the procession to the cemetery testified to the esteem in which Mr. Lange was held by neighbors and friends. The deceased was born in Oldenburg, Germany, in the year 1844. He came to America in 1854, was married to Miss Marie Hielman in 1881 and settled in Sherman county the same year, continuing his residence here until the time of his death. Mrs. Lange passed away on the 25th of last May. He leaves a daughter, Mrs. Wm. Shumann, who with her husband mourns the loss of a kind and affectionate father. Mr. and Mrs. Wm. Shuman express their heartfelt thanks to the kind friends who were so tho'tful in their sympathy and actions during the illness and subsequent demise of their loved father.

The sad news was wired here yesterday that Mrs. Irvin Conger had died at her home in Denver at 11 o'clock on the previous evening. Her brother at this place, Mr. R. A. Axelson, left for Denver on receipt of the telegram to be present at the funeral which was to occur this afternoon at 3:30. Mrs. Conger had been suffering with consumption for a long time, and the news of her death was not entirely unexpected. She leaves a husband, brother of the Conger boys of this city, and also two little daughters, aged 11 and 13 years respectively. Mrs. Conger was here on a visit the past summer, and was quite ill at the time. The many friends and relatives of deceased deeply sympathize with the bereaved husband and little daughters in their great sorrow.
