CITY AND COUNTY.

LOCAL MELANGE.

—The days are lengthening.

— Have you seen Dolen's dog.

—Potatoes are scarce in this market.

— George Berkley is at home on a visit. He is apparently extravagant in his praise of Crete.

— Reserved seats for Swiss bell ringers entertainment, for sale at Geo. Dunn's book store. Price 50 cts.

—E. B. Ebright has thrown out his shingle as a practicing attorney. We wish him many clients and huge fees.

— Friends of the retiring editor of this paper are respectfully notified that his P. O. address will be Brownville until further notice.

— A Missourian named Joseph Glick, living at Ross Grove, Holt Co., Mo., has a hog seven feet long, four feet high and weighs 1,130 lbs.

—The article headed "Tipton," on the 4th page of to-day's issue, was clipped from the *Inter Ocean* which credit was inadvertantly omitted.

— Ward, the Chicago hat man, arrived in the city on Monday with a budget of new stories. He thinks some of adding "rubber boots" to his line of goods.

— Downie Muir, formerly of the State Bank of this city now of the Commercial Bank, Lincoln, is in the city, looking, if possible, better and prettier than ever before.

— The "Union" is the name of a new daily paper hailing from Omaha, and published by the "striking" printers of that burg. It is a sprightly edited sheet and looks quite pert. We wish its founders success.

— Bill Small wants to sell his saloon, not, he says, because said saloon is not making money, for it is, but for the reason that he desires to embark in other business. An early applicant will get a good bargain.

— Since our last issue two children have left their parents and gone to their Father, viz: R. Morrison's little son, aged one year, and a child of six years belonging to Mrs. Hinelins who lives 18 miles west of Brownville.

— Col. Abell, President of the Atchison & Nebraska R. R., died at his residence, Atchison, Kansas, on Friday last. Th Col. had many friends and acquaintances here who will deeply regret to hear of his demise.

— Tom Green, of La., late of this county, was in the city a few days since. He had come north with the body of his brother John, who was recently killed by a darkey. Tom was looking well but does not seem to be much in love with his new home.

— The merry Austins (*pro-tem* artists) with the bell ringers, will render their original character sketches, "Little Fraud," "The old man is drunk again" and "Battley's courtship." Charlie Austin will also appear in Irish and German specialities, Monday evening Jan. 26th.

— Geo. W. Vinton, E-q., of the Deere Plow Works, Moline, Ills., spent a couple of days in our city last week. Mr. Vinton has been visiting Brownville for upwards of fifteen years on business connected with the sale of his plows, through which time he has made many friends, and his last visit was made the occasion of a perfect ovation, during which a feast of reason and flow of California wine prevailed. Long live Vinton, and may his visits hither be many and frequent.

RING! RING THE BELLS!

Leavitt's Bell Ringers gave an entertainment last night at the Opera House to a crowded house, and every one came away well pleased. The concert indeed, was the best we ever attended. The Peak and Baker families not excepted. Among the various pieces was Charlie and Emma Austin's original version of "Little Fraud." This piece of all gave the most general satisfaction. "My Father's Drunk Again," (temperance song) was an excellent piece and brought the gentle "tear drop" to more than a score of eyes. "Pleyel's Hymn" and "Home, Sweet Home" by Bell Ringers was very truly indicative of the most thorough training in the art of bell music. The whole company was well received. The troupe is composed of a class of fine looking and in every way respectable young men, and we can recommend them and their performances to the public with pleasure.—*Iowa State Press.*

McPherson's Hall, Monday evening January 26th. Reduced price list. Admission, 35 cts; children 25 cts.; reserved seats 50 cents.

TRUNK R. R.

PERU VOTES THE BONDS!

Handsome Majority!—Completion of the R. R. Assured.

Peru voted on the proposition to subscribe aid in the sum of $28,000 to the Trunk R. R., on Saturday last. The following is the official vote:

For Bonds,	143
Against Bonds,	7
Blank,	1
Total,	151

Caleb Cushing was withdrawn by the President as a candidate for Chief Justice, whereupon the adherents of of the N. Y. *Tribune* howl. Do they remember how Caleb, when Attorney General, under Frank Pierce, issued an order to the Post Masters of the South not to deliver the New York *Tribune* to subscribers, and, how under such authority the Southern Post Masters burned the *Tribunes*? So much for reform—Caleb died of Bright's disease—an affection of the kidneys toward the South.

Judge Morrison R. Waite, of Toledo, Ohio, President of the sitting Constitutional Convention of his State, has been nominated.—A righteous choice, and one which will be ratified, not only by the Senate, but by the Republicans and patriots of the nation.

OBITUARY.

Georgiana Swan was born in the town of Kingsbury, Washington County, N. Y., July 18th, 1844, and died at her residence in Peru, Monday morning, January 12th 1874. She died in the full triumphs of Christian faith. She leaves a husband and five children to mourn, but not as those without hope. Her funeral sermon was preached to a large and sympathizing audience in the M. E. Church by the writer from John 14: 1-2, "Blessed are they that mourn for they shall be comforted."

L. F. BRITT.

DIED.

January 6th, 1874, in Lafayette precinct, Susie May, daughter of Wm. and Percy Steward, aged three years and ten months.

The deceased was a remarkably bright and intelligent child, for one of her age, and her parents will long miss the ray of sunshine which her presence cast around the home circle. Again and again has the messenger of death visited this afflicted family and taken their love ones from their embrace. But death is an impartial messenger, he calls the young and old alike. Yet there is consolation in the thought that those that die in childhood go into the presence of their Maker, unstained by the spots which a contact with the cares of life is sure to impress on us all. PARTY ARRESTED!

HABEAS CORPUS.

POLOCK SHOWS HIS METAL

A PISTOL PUTS THE CROWD TO FLIGHT.

Last Thursday night some one burglarized our Post-Office and helped himself to two bunches of letters, tied up ready for the mail, and two registered letters, amount of money enclosed unknown. The entrance was effected by breaking a light of glass in a side window, through which aperture the support or bolt was removed, and lifting up the window the thief dropped in, helped himself and then made good his escape. Friday morning P. M. Pollock, on entering the office, discovered the depredation and at once set about finding the depredator.

On last Monday night about nine o'clock he arrested a young man named McCreery, and lodged him in jail, there to await the departure of the noon train on Tuesday, when he expected to escort him to Omaha there to appear before the U. S. Commissioner. But before bus time a writ of habeas corpus was sworn out and the prisoner brought before Judge Mc Comas. Post Master Pollock also appeared, but denying the competency or jurisdiction of the court, and a lively time ensued—Pollock demanding the prisoner in the name of the U. S., and the Judge requiring evidence that Pollock was a U. S. officer. The prisoner resisting arrest, Pollock drew a revolver, when the prisoner manifested docility and the majority of those present thought of business they had down stairs, and stood not upon the order of their going, but "got" at once, the value of chairs, tables, &c., in their road, being tho't of little moment. Finally the court decided that he would determine in two hours to whom the prisoner belonged.

At the appointed time P. M. Pollock, having been sent for, arrived, and was informed by the court that he could take the prisoner, when Pollock declined, saying that his right to the prisoner had not only been denied but resisted, and those thus denying and resisting could release him at their pleasure—he would never arrest him until he did it by authority of a U. S. warrant.

Finally the prisoner, having no custodian, put on his hat and walked out. We apprehend, however, that the end is not yet. A suit in damages is already threatened, though we think that damages to the amount of the first syllable of the word has not been sustained by any of the parties in the action.

— As we go to press (Wednesday noon), McCreery is in the hands of a Deputy U. S. Marshal who came from Omaha on a dispatch from Polock.

Christmas is coming and J. L. Roy has a fine lot of wall pockets, comb cases, brackets, picture frames, &c., &c., which he will sell at panic prices during the holidays.

PERU ITEMS.

— Mr. Thos. Green who has been absent for some time, is at home again.

— What we don't care anything about up here—Shorkey or his shocking debates.

— Any person desiring to cross the river at Peru will find a good solid bridge all the way over.

— We understand Maj. Daily, U. S Marshal, is expected home this week, before going to Washington.

— The fourth quarterly meeting for the Peru station will be held in the M. E. Church next Saturday and Sunday.

— Our steam mill here, under the management of Mr. Hall, is doing good work and turning out some excellent flour.

— We have noticed quite a number of strangers in town for a few days past, looking for corner lots, intending to build when the cars come in.

— Only seven votes cast against R. R. bonds last Saturday. Election passed off quietly with no opposition. Now for work on the Trunk railroad.

— Quite a number of our citizens are putting up ice for the inner man during the warm days of summer. Ice from twelve to fourteen inches thick and very solid.

— The meetings in the M. E. Church of this place, L. F. Britt, Pastor, is yet going on with increasing interest. There has been between 50 and 60 conversions and 37 accessions to the church, and great good being done. The students of the Normal School are sharing largely in the fruits of the revival.

VINEGAR BITTERS
VEGETABLE — FREE FROM ALCOHOL — PURELY — DR. WALKER'S CALIFORNIA — EUREKA
VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked, "What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant Sudorific, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelminitics will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
