The Nebraska Herald.

LOCAL NEWS.

From Wednesday's Daily.

☞Deer are reported plentiful on the Nemaha.

☞Read the communication to-day from the pen of Mr. Mosher.

☞The track is completed, and trains running on the B. & M. R. R. to Melrose.

☞The *News* says Saturday night last was the coldest of the season—mercury 29 deg. below zero.

☞D. M. Kelsey, Esq., has our thanks for a copy of the *Daily Globe* containing the debate on the Nebraska bill.

☞Passengers for the east via, the C. & N. W. R. R., leave this city at 3 p m., and connect with the train at Pacific city.

☞The *Nonpareil* says, officially, that the location of the bridge has been postponed for thirty days. Thirty days of agony and suspense to the Omahas

☞Bro. Chapman, of the *Nonpareil*, lamenteth and mourneth because of a dearth of news. What's the matter, John? Running a newspaper in a railroad town, and no news!

☞Deputy Sheriff Fairfield informs us that he saw some one skulking around in the neighborhood of the jail on Monday night He learns that threats have been made against the life of a prisoner, and intimates that skulkers in that vicinity at an unseasonable hour may "run against something."

☞We learn from Omaha that no action is to be taken by this Legislature towards bridging the Platte. We are sorry for this, but will urge the next best thing—a reliable ferry or as near reliable as it is possible to have one on that stream. Let us have some way of crossing. The known difficulty of crossing the Platte is a constant injury to the whole country.

☞Nicholas S. Ryan, who was discharged from custody, Monday evening, on the charge of being accessory to the killing of Keysinger, was arrested for drunkenness And disorderly conduct yesterday, and brought before his Honor, Mayor Wise, who committed him for examination this morning. Upon examination this morning he was fined; but owing to his inability or refusal to liquidate the fine and costs, he was committed to jail for eight days. Hurrah for Mayor Wise!

From Thursday's Daily.

☞Gus. Wachter has opened a meat market in the old auction rooms.

☞The weather has moderated—warm and spring like to-day. The snow cannot withstand more than one more such day as this.

☞Capt. Thos. Chapman, brother of our townsman Sam. Chapman, Esq., has been in the city several days "looking about." He thinks some of settling in this part of the country

☞Read the report of the committee on Federal Relations. They set forth the facts in a plain, straight forward manner, which cannot but carry conviction to the most obtuse mind.

☞Our enterprising friend, Mr. W. J. Hesser, is determined to supply all the demand that can be made of him the coming season, for Sweet Potato Plants. He is preparing to sprout twice as many as last year.

☞All manner of rumors are afloat relative to the killing of Keysinger. We advise our readers to give as little credence as possible to these reports, but to rest assured that the whole affair will receive a thorough examination when court sets, and that justice will be done.

☞Greenbacks and Robacks are indespensable to the public welfare, for one sustains the pecuniary health of the nation, while the other preserves the physical health of the individuals composing the nation.

They see their mistake now.

Mr. Thomas O. Schooley, of Mohawk Village, Ohio, in a letter to the manufacturer of a certain sewing machine in this city, writes: "Mr. Elliott, of Coshocton, sold three or four of your machines; and although most of the people at first thought the work would not stand, they all see their mistake now." This machine, it is hardly necessary to add, is the Wilcox & Gibbs.

From Friday's Daily.

☞Railroads are again clear of snow, and trains are making regular time.

☞Through passenger trains from Chicago will arrive at Council Bluffs today for the first time.

☞In the Council on the 29th the whole day was consumed in discussing impartial Suffrage.

☞The act changing the name of St. Deroin to Marysville, has been repealed.

☞Garrett Davis was elected Senator from Ky, on the 30th, by 78 to 41 for Barstow, radical.

☞Among the list of arrivals by the U. P. R. R. yesterday, we notice the name of our townsman, J. R. Porter, Esq.

☞A bill legalizing the organization of Saunders county has been passed by both houses of the Legislature and signed by acting Gov. Paddock.

☞People having stock in their possession which comes under the head of estrays, will do well to consult the law in relation to their duty in the premises.

☞Prof. Jenson left town this morning hauling his box of fixtures, sled fashion after two unsuccessful attempts to secure an audience in this city. The people hereabouts believe in printer's ink, and are slow to patronize institutions of this kind that run on the cheap plan.

☞At the last meeting of Olive Branch Lodge No. 2, held in this city, the following officers were elected for the ensuing term:

Bro. E. C. Lewis,	W. C. T.
Sister E. J. Montgomery,	W. V. T
Bro. Wes. Montgomery,	W. R. S
" Clinton Billings,	W. T.
" Wm. R. Mathis,	W. F S
" Wm. L. Wells,	W. M
Sister Alice Moore,	W. I. G.
Bro. A. W. Throckmorton,	W, O. G.
Sam'l M Chapman	Lodge Deputy.

From Saturday's Daily

☞Hon. Wm. Wheeler, and Judge Tubbs, of Iowa, arrived in the city yesterday.

☞Mayfield & Taylor sold, this morning to Judge Tubbs, of Iowa, forty five head of fat cattle, to be delivered the first of March.

☞We learn that several gentlemen from Wisconsin have just returned from Salt Creek where they have been looking for locations to settle. Mr. Dagget we understand proposes to open a hardware store at Ashland.

☞By a private letter from Washington, we learn that Hon. T. M. Marquett, Member of Congress elect from Nebraska, has been seriously ill for the past three weeks. We are happy to be able to state, however, that he is recovering.

☞The *Nonpareil* of this morning says: The laying of a temporary track by the C. & N. W. R. R. Co., from their Depot in this city to the Missouri River, for the purpose of supplying the Union Pacific Railroad with building material, was completed yesterday; as we are informed.

☞T. B Peterson & Brothers, publishers, have sent us a copy of "French without a master, in six easy lessons," by A. H Monteith, Esq Those desiring to learn the French language, will find this an invaluable assistant. It is what is known as the Robertsonian method, and is used extensively in the educational institutions of England, France and Germany. Price 40 cents. Address T. B. Peterson & Brothers, 306 Chestnut St., Philadelphia.

From Monday's Daily.

☞Judge E. S. Dundy passed through the city yesterday, on his way to Omaha.

☞It is reported that the "Siamese Twins" are about to locate in St. Joseph, Mo.

☞Messrs. Gaylord J. Clarke and De Forest Porter arrived with their families this morning.

☞The bill for a road from Plattsmouth to the Blue river was taken up on Saturday last, re-committed

☞We are pleased to see our townsman, Jacob Vallery, Esq., on the streets again. He has been ill most of the winter.

☞The *Nonpareil* claims six different railroads for Council Bluffs. Why not make it an even dozen? It would be no more trouble.

☞Rev. Mr. Calfee delivered a temperance lecture in Council Bluffs one evening last week. He is grand lecturer of the Good Templars order, for the State of Iowa.

☞The resolution endorsing the action of Congress, relative to Nebraska coming in as a State was adopted in the House on the 1st by a vote of 16 yeas to 11 nays

☞B. Newman, Esq., starts east in the course of a few days, for the purpose of laying in a heavy stock of clothing for their house in this city and also for the one in Council Bluffs.

☞A Secretaryship appears to be the standing price for political treachery. H. H. Heath has been appointed and confirmed Secretary of New Mexico. This is probably the last that will be heard of Heath in the political world.

☞Messrs. Thos. and Jos. Chapman, started for their home, near Burlington, on Saturday morning last. Mr. Thos Chapman intends returning to this city, as a permanent resident, in the course of a month or six weeks. We like to see such men coming.

☞The Omaha *Herald* publishes what purports to be a communication from Brownsville, but which bears the "ear marks" of the *Herald* office, in which there is an attempt to ridicule the Hon. Thos. Majors. If the writer had one half the sound sense and manhood that Mr. Majors has, he would attempt almost anything else than showing his ears in the manner he has.

From Tuesday's Daily.

——Gov Saunders is expected home in about two weeks.

☞Another Lodge of Good Templars is about to be installed at Nebraska City called "Good Samaritan Lodge, No. 12."

——The Nebraska City *News* says that private advices have been received in that city to the effect that twenty thousand troops are to be sent westward in the spring.

☞A fire in Denver on the night of the 22d destroyed several of the frame buildings on Fourth street, near Ferry, among them the old "Joe Fairre store." We learn from the *Gazette*,

☞See new advertisement of Wm S. West, to day. He proposes for a small remuneration, to furnish eastern people with that thrifty and useful tree called "cottonwood."

☞M. H McCluskey, Dentist, is at his post again in this city, ready to do all kind of work in his line. He is fast establishing a reputation as a No. 1 workman. Those desiring work should call as soon as possible.

☞The Nebraska City *Press* says Rev. J L. Fort has returned from Eight Mile Grove, and reports a good work of grace at that place—some thirty five persons made a profession of faith. Mr. F assisted in conducting the series of meetings.

☞An old bachelor, whom we will call Squabbles, recently showed his stocking, which he had just darned, to a maiden lady, who contemptuously remarks: "Pretty good for a man darner;" whereupon Squabbles rejoins: "Good enough for a woman, darn her!"

☞The managers of "The Olive Branch," the new temperance paper, are meeting with considerable encouragement in their new enterprise. From present appearances, their circulation will be extensive, and business men will advertise liberally. Success to it

☞A man named Wm. Holmes was shot in Omaha on Saturday last, by one Geo. Wilson. The ball entered the cheek and lodged in the neck. Wilson had threatened to rob Holmes, the latter hearing of it put Wilson out of the saloon where he (Holmes) was bar tender, when Wilson shot him as above

——The Omaha *Herald* has a notice that Dr. Geo. L. Miller has returned. That notice was superfluous. The style and temper of the editorial matter was sufficient. The paper was quite gentlemanly, for it, while under the management of "Ajax."

J. W. BRADLEY'S
CELEBRATED PATENT
DUPLEX ELLIPTIC
(OR DOUBLE SPRING)
SKIRT.

The Wonderful Flexibility and great Comfort and Pleasure to any lady we may say the Duplex Elliptic Skirt will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenade and House Dress, as the Skirt can be folded when in use to occupy a small space as easily and conveniently as a Silk or Muslin Dress, an invaluable quality in crinoline, not found in any Single Spring Skirt.

A Lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day, will never afterwards willingly dispense with their use. For Children, Misses and Young Ladies they are superior to all others.

They will not bend or break like the Single Springs, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been thrown aside as useless. The Hoops are covered with double and twisted thread, and the bottom ends are not only double springs cut twice for double covered; preventing them from wearing out when dragging down stairs, &c.

The Duplex Elliptic is a great favorite with all ladies and is universally recommended by the Fashion Magazines as the *Strongest and Best of the Fashionable World!*

To enjoy the following inestimable advantages in Crinoline, viz: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, enquire for J. W. Bradley's Duplex Elliptic or Double Spring Skirt, and be sure to get the genuine article.

CAUTION—To guard against imposition be particular to notice that skirts offered as "Duplex" have the red ink stamp, viz: "J. W. Bradley's Duplex Elliptic Steel Springs," upon the waistband—none others are genuine. Also notice that every Hoop will admit a pin being passed through the centre, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination not to be found in any other skirt.

For sale in all States where first-class skirts are sold throughout the United States and elsewhere
