SHERIFF.

We are authorized to announce the name of JOSEPH W. JOHNSON as a candidate for the office of Sheriff at the coming election, subject to the decision of the Republican nominating Convention.

TREASURER.

ED. HERALD.—Please permit me, through your columns, to return thanks to all my tried friends—friends who have surely been kind to me, I may well say that they have been with me "in six troubles, yea, in the seventh they have not forsaken me." Now, if it is not presuming upon their patience, I offer my name as a Candidate for Re-election, resting my cause in the hands of the Nominating Convention.

S. DUKE.

REPUBLICAN PRECINCT MEETING.

REGISTRARS

Of the various precincts in the county should not forget to send in their lists of voters for publication, in accordance with Section 9, of the Registry law. See page 112, laws of last session.

From Monday's Daily.

Does any one know of the whereabouts of "Capt. Jenks, of the Horse Marines?"

We learn from the *Journal* that the finishing touches are being made to the cupola of the Capital at Lincoln.

Found, a lever watch, with silver cases. The owner can get it by calling at this offic and paying charges.

Let us hear from some one on the question of Avenues as suggested in the HERALD.

We learn that a shooting affray occurred on the streets this morning, about one or two o'clock. No serious damage occurred.

The *Press* has learned of the safe arrival of Col. Irish and family at Bremen. They expected to arrive at Dresden on the Saturday following.

Ten teams have been at work to-day removing ties from the levee to the depot grounds.

All right, Dr.—the Omaha Daily *Herald* is now received in exchange, for which favor the proprietors have our thanks.

One of the telegraph cables across the Missouri river at this place was broken yesterday, probably by its own weight. Messrs. Shea and Smith are engaged in repairing it to-day.

The *Chronicle* learns from a gentleman in Otoe precinct that he raised this year, on a four acre lot of land *two thousand bushels* of potatoes. This is a pretty fair yield.

Prof. Miller left for Lincoln, to-day, where he will attend the lot and land sales. He will go from Lincoln to Ashland, to attend the great sales there commencing on the 27th.

We have not been able to find a good police item to-day. We saw one man with mud on one side and blood on the other, but could not ascertain how it came about.

The Republicans of Otoe county held their nominating convention last Saturday. We have not learned who the nominees are but they are certain to be elected if judicious nominations have been made.

Mr. Fimple, of Liberty Precinct showed us a specimen ear of corn raised in his field, which measured over a foot in length, and was well filled out to the point with plump grains. A few such ears would make a bushel.

On Friday last, a young man (we did not learn his name) from near Ottumwa, who was chopping wood for Mr. D. W. Mullen, of Louisville precinct, nearly severed a large slice from the inner side of his left foot. Dr. Rawlins, who dressed the wound, found it necessary to take up and tie two arteries.

Look over the Registry List, published to-day, and see if you discover the name of one illegal voter thereon, or if you know of any legal voter whose name does not apper. It is the duty of every man to look after this matter.

J. Dan Lauer, of the *News*, came up Saturday and left for home again this morning. We learn from him that Dr. Converse is in good health, and is soon expected to "arrive from the east with iron," etc.

At the last meeting of the Otoe County Fair Ground Company a committee was appointed to sell some more stock of the Company for the purpose of improving the grounds. A share costs $25, and entitles the owner to admission to the Fairs of the Society and to vote upon all questions concerning the management and improvements of the ground also to one 140th interest in the land in fee simple.

The Pawnee *Tribune* says "The Granary of Mr. Malory, about four miles from town, was struck by lightning on the night of the 3d inst. and consumed.—Notwithstanding the storm, the light was visible many miles distant. Loss about $400.

"During a storm one night about a week previous several stacks were struck by lightning near Table Rock. They were the property of Mr. Fairbanks."

From Tuesday's Daily.

Mr. Abner Buck left for Illinois to-day.

Mr. Frank M. Vancil, of Illinois, has purchased a half interest in the Brownville *Democrat*.

The Plattsmouth Public School was opened last week. Mr. Young's school commenced yesterday.

The Engle building has been moved back preparatory to putting in the new edifice.

D. Graves, Esq., has just completed substantial improvements to his Rail Road Barber Shop. Graves is determined to keep up with the times.

Mr. Russell is having a neat portico put up on his residence which will add materially to the beauty of his property. Mitchell & Wolfe are doing the work.

Do not forget the sale of buildings Thursday. The probabilities are that you can buy one at that time much cheaper than you can build it.

Mr. V. V. Leonard has leased the Thomas Picture Gallery for one year from date, and is now ready to do as good work as can be had in the west.

They talk about "Pound Sweet" apples back east; but Perry Walker, of this city, has what might well be called *two pound* sweets.

All the buildings between Second street and the river are to be moved away in a short time. This will materially change the appearance of the river front of the town.

Another large lot of grading tools, teams, men, etc. came across the river this morning and proceeded west. We did not learn at what point they were to commence operations.

Capt. Palmer, of Chariton, Iowa, has purchased the Platte Valley House and the lots adjoining. The Capt. has great faith in Plattsmouth becoming the great city of the Missouri Valley.

F. Stadelman is having a large and commodious room attached to his Bakery, which he will fit up in No 1 Style for a Lunch Room. Carpenter Tucker is doing the work.

Jos. D. Patterson, Esq., whom Early and others endeavored to make a Brazillian Martyr of some years ago, is back again, teaching school in Rock Bluffs He is said to be a very good teacher.

On Tuesday night a freight train on the Hannibal & St. Joe Road was thrown from the track, near Brookfield, by a damaged rail. Nine cars were piled together on the track and badly wrecked. No one on the train was injured.

Wm. W. Irish, Esq., came in from Lincoln last evening. He has leased the room over Bloom's Clothing House, where he will open a first-class restaurant. Billy knows just how that thing is done.

A gang of upwards of eighty men reached a section on the Midland Pacific, a few days since, from the B. & M. line up the country. How is this Hathaway, have you run short of room on your "great through line to China?"—*Chronicle.*

We understand they "reached a section;" but when they learned that no contractor on the M. P. road had ever yet received a cent of compensation, they kept on "reaching," and have probably "reached" some other place by this time.

From Wednesday's Daily.

Jacob Vallery left for the east several days ago, to purchase a stock of goods for their house in this city.

Dr. M. H. McClusky will be at his office in this city on the 25th, and remain until the 29th. Persons desiring work done will do well to call early.

Judge Whaley died at his residence in Columbus, Nebraska, last Sunday evening. He was well known throughout the State.

The Brownville Brass Band asked $500 and expenses at Lincoln, paid, for attending the laying of the corner stone of the State University

The Republican Precinct Meetings, for choosing delegates to the County Convention, will be held on Monday next unless otherwise arranged by the Republicans of the precinct.

We hear of quite a number of Cass county people who are going to the State fair. Cass should contend for a reasonable number of premiums—and she can get them.

Let candid, cool headed men be selected from the different precincts of the county, to attend the Republican County Convention on the 29th, and a ticket will be nominated that will give satisfaction to the Republicans of the county.

Mr. Henry Robertson, of Ottumwa, has opened a wholesale Liquor and Cigar store, one door east of Wm Herold's, on Main street. He purposes bringing fresh Oysters through direct from Baltimore as soon as through cars are run via Burlington on the great air line to the Pacific.

Capt. Palmer, who recently purchased the Platte Valley House, in this city, left for Chariton, this morning. He will probably add another set of rooms to the Platte Valley, this fall. He is ready to keep the house up to the requirements of the public.

About one hundred and thirty quill drivers of Iowa assembled at Keokuk on the 15th inst, and held an editorial convention. Gen. Hedrick, of the Ottumwa *Courier* was chosen permanent President.

Capt. Murphy will soon commence the erection of three or four buildings in different parts of the city. His building on Main street will be the finest frame building in the State.

The Congregational Social will be held at the Court House to-morrow (Thursday) evening. We hope to see a general turn out of all who feel an interest in church matters, and all who wish to pass a pleasant hour.

The Brownville *Democrat* commenced the issue of a daily edition yesterday.—They do not say what the intention is, but we presume it is only to be issued during the continuance of the County Fair.

We are requested by the Secretary of Mills County Agricultural Society to announce that their fair has been postponed on account of bad weather and a failure to get ready, from the 30th of September, until October 14th, 15th and 16th.

Bob. Doom says he is not mixing in politics, expects to vote the straight Democratic ticket and sell all the goods he can. We must concede that he is correct if his name does not appear on the call for a "mixed convention," along with Mickelwait's.

Bryant's Chicago Business Training College.—Our advice to any young man that can spare the time and money, is to go to *Bryant's Chicago Business Training School*, where the best facilities in the country are to be found. It is just as cheap to go to "Headquarters" as to go to a second-rate institution. Send for paper describing this model institution—the "High School" to Commercial Colleges. Address H. B. BRYANT. Chicago, Ill.

READ THE FOLLOWING LETTER,

[From one of the oldest and most reliable grocery merchants in the city of Davenport.]

FRIEND WALTON: Agreeable to my promise to you when here, I write you (for publication if you see proper,) a true statement of the good effects of Roback's Stomach Bitters upon myself. I had been troubled with indigestion for a long time, attended with severe headache, particularly after eating, when, fortunately, an old soldier friend came into the store and recommended me to use Roback's Bitters. I did so by taking a small wine-glass full just before each meal, and to my great joy I was relieved at once, and am now well by their use. I would not be without them at any price. I have not taken any other medicine since I commenced using the Bitters. And I can say with a clear conscience, try Roback's Bitters—they will do all they are recommended to do—if taken according to directions. Yours truly,

FRANK H. MILLER.

Of the firm of Beidebeck & Miller, wholesale grocers, Davenport, Iowa.
