BUSINESS CHANCES.

MR. BUSINESS MAN.

Are you able to judge an extra good proposition when you see it? If you are and have $10,000 or over, a well established manufacturing company can show you where its "trade mark" alone will be worth $1,000,000 with three years of hustle and push besides the annual income. The high cost of living has created a demand for our goods. Every man, woman, child and baby is a user. The human race is the only limit to the field to be worked. We have the manufacturing facilities and material on hand for $400,000 retail business. This proposition will stand the most rigid investigation. Can be handled by a silent or active partner.
