The water rose in the Weeping Water valley last week, during one of our slashing rains, with exceeding rapidity. PIC NIC AT HESSER'S GROVE.

There will be a Pic Nic at Hesser's famous Gardens on Saturday a week, June 21st. It is a school pic nic, and all are cordially invited to attend.

The Gardens are worthy any one's time to visit, and then it is just a nice ride down to Hesser's, from Plattsmouth.

These lawyers must have good times nowadays; they do more fine courting than any other set of chaps we know of. We have called to see Sam. Chapman several times lately, and always got the reply: "He's gone to Court in Seward county, or he's gone to Court in Saunders county, or at Lincoln or somewhere's. Now we wonder how Mrs. C. likes this.

ERRATA.—In a statement made in the HERALD last week, in regard to the New York Life insurance Company, our types made a slight mistake in the figures. Their *cash assets* should read $22,000,000 (Twenty-two Million Dollars), and the purely Mutual should have been $3,000,000, (Eight Million Dollars).

Bliss-ful, isn't it, to talk about so much money, so off-handedly.

We must not forget to notice Mr. Dovey's new sidewalk. This is a decided improvement, and keeps us up out of the mud splendidly To make it more so, however the whole sidewalk should be raised from Third street down. The houses on this side of the street can bear it, and the sidewalk is lower than the street in many places.

COUNTY COMMISONERS COURT

Met on Tuesday June 9th, and after considering the various applications for bridges and other improvements concluded to offer aids for the building of one bridge over salt creek and one over Weeping water, together with 10 or more smaller bridges throughout the County, the particulars of which can be seen in the advertised bid in another column. They adjourned to meet on Wednesday the 18th.

FOURTH OF JULY IN OUR CITY.

The Turner Society of this place propose to hold a grand celebration on the anniversary of our freedom.

A grand procession will be formed in the forenoon, about 10 o'clock, and which will march through the principal streets, attended by a splendid band of music—drums beating and flags flying. A Picnic is to be holden in one of the handsomest groves near the city—to be selected yet—and of which due notice will be given.

The Hon. Mayor Dr. Livingston will read the Declaration of Independence, and orators from at home and abroad will enliven the entertainment with their wit or their wisdom.

Free carriages will be provided from the city to the grounds selected for the Picnic.

To crown and to close the whole, a grand ball will be given in the evening at Fitzgerald's Hall. Best of music, refreshments, and good floor managers, will enforce the observance of the strictest order and decorum throughout.

No liquors allowed in or about the Hall. Reserved seats for the ladies, on the Picnic grounds, and the marshals will arrest disorderly persons at once.

A CURIOUS SIGHT.

Dan McKinnon says he saw a man that saw a corn-field in Cass county, where men were planting corn, plowing corn, and husking corn, all in the same field at the same time.

DIED.—In this City June 12th, 1873, at 6 o'clock A. M., of Typhoid and Pleura-Pneumonia fever, Mrs. Dr. SCHILDKNECHT. The funeral services will take place at the Methodist Episcopal Church, to-morrow (Friday) morning at 10 o'clock.

Friends of the family invited.

EVERYTHING GOES.

Little and big, fat and lean, ye old folks and ye young folks, all went up to Omaha to see Joe Jefferson, in Rip Van Winkle, his great character. All were pleased. It is a wonderful performance, and we scarcely knew which to admire most, the fine taste, pure mind and great abilities of the genial, kindly author, Washington Irving, who conceived the curious, shiftless, easy Rip; or the scarcely less wonderful bent of mind—and perhaps greater artistic skill—which can take up and absorb into itself a character drawn by another hand, and really live that person before our eyes on the stage, as Joe Jefferson has this character of Irving's. In fact, it is hard to tell, now, whether Jefferson made this Rip Van-winkle, or Rip made Jefferson.

Again, the friendly, social intercourse of our people, on such little jaunts, and excursions, is a source of great pleasure and profit, making us better acquainted with each other, and helping to grease the wheels of the social machinery of life, and place us all on a better, higher, and we hope purer level.

A HEAVY RUNAWAY.

On Monday evening, Mr. and Mrs. Lambert, from near Rock Bluffs, started home in a big wagon, with one roan and one black colt, for a team.

At O'Neill's farm they stopped to water, and Mr. L. took the bridles off so the horses could drink better, while Mrs. L. held the *lines* in the wagon.—Something startled the colts, and off the team set eddying around the valley and bluffs a spell, and then through the cut on Third street, into Main street, Plattsmouth, with a rush. They kept on rushing up Main street, on the south side, until they turned Mr. Merges upside down over a box, and then turned themselves around and come down Main street, on the north side, as far as Johnson's drug store, where, knowing that the Doctor was standing there, and that everything was handy for a bust up, they ran into another wagon and were brought up all standing. All this while the old lady had held onto" the lines and yawed, but as there were no bits in the horses mouths her pulling was like unto pulling at a stump, in effect. Fortunately no one was hurt, and after rubbing the old lady's arms, and waking her up with a little *eau de vie*, the harness was patched up. The broken wagon was settled for, and all went on their way rejoicing.

THE DRAMATIC ENTERTAINMENT Of Friday evening was very well conducted. We have heard a great many speak of it with unstinted praise. We were not able to be present in person, but from all accounts many a professional troupe have done worse. We feel proud of Plattsmouth, and think she has as much native talent in this line as any town we ever lived in.

After "Black Eyed Susan" a hop took place, which all enjoyed, and then Dramatics and all took an adjournment until the next evening, when

THE OLD FOLKS

made their appearance, and were heartily greeted with good humored cheers and laughter. We were really gratified and pleased with this entertainment, and feel admiringly elated with Plattsmouth and her people. Let us not say again that our town is dull, that we cannot sustain any amusements, or anything of the sort.

We doubt very much if Omaha contains any better amateur musical ability than we have shown. It surprised us. The taste and originality displayed in the costumes show that we have a cultivated and intelligent element among us, and it only needs a little more sociability, a little more intermingling on a freer social platform for every one to find out that there are lots of nice folks in Plattsmouth, and that we can get up a good time all "tew hum," just whenever we are of a mind to agree to do it.

Both performances were very creditable, and have elicited universal praise.

The net proceeds will exceed $150, and will nearly liquidate the debt on St. Luke's Church, that is, with what had been given before. By liquidating this debt we raise our credit abroad, and pave the way for new enterprises, by showing that we have the grit and ability to meet our obligations, one way or another. This applies as well to other *business* indebtedness as to Church affairs.

The thanks of the Society are due Mr. John Fitzgerald for the liberal terms allowed for the Hall, and also for the use of a Piano, without which the *Concerte* came near being a failure, at one time.

Of course all our own people did well and worked well. To select any particular persons for praise, would be unjust and invidious; but we think no one will feel hurt if we call attention to the untiring energy and unflinching zeal of Mr. Cecil Williams, to whose exertions, as head of the Business Committee, and to whose forethought and carefulness the Society are indebted, that all the necessary adjuncts—the "properties"—as a theatre manager would say—were on hand at the right time and place.

The Editor of this paper desires to return his personal thanks to Mr. Williams. Having by sickness been incapacitated from acting on that Committee, except such help as "shooting off his mouth" may have been, and thereby leaving a double duty for Mr. W. to perform.

Good-bye, Old Folks! Come again, we will greet you with pleasure.

Centaur Liniment.

There is no pain which the Centaur Liniment will not relieve, no swelling it will not subdue, and no lameness which it will not cure. This is strong language, but it is true. Where the parts are not gone, its effects are marvellous. It has produced more cures of rheumatism, neuralgia, lock-jaw, palsy, sprains, swellings, ear-ache, caked-breasts, scalds, burns, salt-rheum, &c., upon the human frame, and of strains, spavin, gall's, &c., upon animals in one year than have all other pretended remedies since the world began. It is a counter-irritant, an all-healing pain-reliever. Cripples throw away their crutches, the lame walk, poisonous bites are rendered harmless, and the wounded are healed without a scar. It is no humbug. The recipe is selling as no article ever before sold, and it sells because it does just what it pretends to do. Those who now suffer from rheumatism, pain or swelling deserve to suffer if they will not use Centaur Liniment. more than 1000 certificates of remarkable cures, including frozen limbs, chronic-rheumatism, gout, running tumours, &c. have been received. We will send a circular containing certificates, the recipe, &c., gratis to to any one requesting it. One bottle of the yellow wrapper Centaur Liniment is worth one hundred dollars for foundered or sweeney horses and mules, or for screw-worm in sheep.—Stock-owners—this liniment is worth your attention. No family should be without Centaur Liniment. J. B. ROSE & Co., New York. 46-1y
