Hesser's Gardens.

A Reporter of the HERALD, in company with a couple of Plattsmouth's fairest daughters, visited Mr. Hesser's famous Gardens. These Gardens are a sample of what can be raised in Nebraska. He has 66x14 feet of hothouse room—all in use, and is preparing to build more. He has three tier of shelves in the building, filled with the choicest varieties of flowers, having expended $500.00 this Spring for new varieties. Besides flowers, he has vegetables and fruit in great abundance, having set out 1,500 apple trees this season, and intends, in a few years, to be able to ship fruit East. One might preach to the Eastern people through the papers for years, that this is a great fruit-growing State, and they would say: "Those fellows have some corner lots they wish to dispose of, and take this method to puff them up." But we will prove to them, at no distant day, that this is no "Sandy Desert."

It is gravely and currently reported that during the fire last evening, a gentleman, either from force of habit, or some other cause, gathered a bundle of hoop skirts in his arms to put the fire out with. How is that for absent-mindedness?

CROWDED OUT.

A very witty article on the Farmers' Convention (?) in Plattsmouth last week, two articles on our wheat elevators and some other matters were absolutely crowded out this week. Remember we hade our State Fair to advertise, our County Fair, and the tax list is still running. Next week we shall have more room.

TEN DOLLARS REWARD.

Whereas, some rascals took my saddle and bridle from off my mare on the 25th, and threw them over the river bank, and turned the mare loose. I will give the above reward to any man that will inform me who did it, and bring sufficient proof to convict those highflyers. J. W. HAINES.

The only exclusive Boot and Shoe Store in Cass County. Nothing below cost, but cheaper than ever. PETER MERGES.

All parties having Stock to ship to the Fair and desirous of sending the same before Monday, can apply to Mr. James Wood, General Passenger Agent at Plattsmouth, who will give them the same rates and reductions as during fair week; but all passenger tickets at reduced rates are only good from the 1st to the 8th.

We had quite an alarm of Fire on Tuesday evening. The chandelier in Solomon & Nathan's store broke down, and the oil flying out for a few moments it looked as if we should have quite a decent conflagration. A large crowd gathered at once, and we are happy and proud to state that the BABCOCK and all the boys were on hand instanter. Before they were needed, however, a few blankets had smothered the incipient blaze.

"DOG ON IT."

For several nights an innumerable host of dogoned worthless useless and infernal curs have gathered in this end of town and howled and yelled like four-footed demons. Sleep has been impossible and night has been turned into pandemonium. Cannot the city authorities abate this nuisance? The flies and mosquitoes are bad enough, to say nothing of the heat and then to be kept awake for the few moments one might sleep is intolerable. We are informed that there are something less than a hundred dogs here that have no owners, dogs that have been left by emigrants, and lost. Now, gentleman pass an ordinance asking every white decent man with a white man's dog to tie it up for three days and nights and then let the City Marshal slaughter all the rest. Remember dog days are coming.

GOOD TEMPLARS LODGE.

J. A. Fairbanks, of Lincoln, G. W. C. T. of the Good Templar organization of this State was in town last Wednesday and installed the following officers of Olive Branch Lodge No 2. I. O. G. T.:

H. H. Bedwell—W. C. T.
John Chapin—R. H. S.
Mrs. D. Miller—L. H. S.
Miss Stinchcomb—W. V. T.
T. W. Shryock—W. Treasurer.
D. D. Martindale—W. Sec'y.
Lon. Chalfant—W. Ass't. Sec'y.
D. L. Morrow—W. F. Sec'y.
Rev. Chas. McElvey—W. Chaplain.
J. O. Phillippi—W. Marshal.
Miss C. Mitchell—W. D. Marshal.
Philip Young—W. O. G.
James Grace—W. I. G.

After the installation and other regular business, Mr. F. addressed the Lodge for about an hour on Temperance subjects. He stated that he had instituted 22 new Lodges this year, and that the order had received a thousand new members.

Mr. Fairbanks left on Thursday morning for his work in another part of the State, and expressed himself well pleased with the condition of the order here, and hoped that when he next came around he would see a much larger body of people engaged in the noble work.

Centaur Liniment.

There is no pain which the Centaur Liniment will not relieve, no swelling it will not subdue, and no lameness which it will not cure. This is strong language, but it is true. Where the parts are not gone, its effects are marvellous. It has produced more cures of rheumatism, neuralgia, lock-jaw, palsy, sprains, swellings, ear-ache, caked-breasts, scalds, burns, salt-rheum, &c., upon the human frame, and of strains, spavin, galls, &c., upon animals in one year than have all other pretended remedies since the world began. It is a counter-irritant, an all-healing pain-reliever. Cripples throw away their crutches, the lame walk, poisonous bites are rendered harmless, and the wounded are healed without a scar. It is no humbug. The recipe is selling as no article ever before sold, and it sells because it does just what it pretends to do. Those who now suffer from rheumatism, pain or swelling deserve to suffer if they will not use Centaur Liniment. more than 1000 certificates of remarkable cures, including frozen limbs, chronic-rheumatism, gout, running tumours, &c. have been received. We will send a circular containing certificates, the recipe, &c., gratis to to any one requesting it. One bottle of the yellow wrapper Centaur Liniment is worth one hundred dollars for foundered or sweenied horses and mules, or for screw-worm in sheep.—Stock-owners—this liniment is worth your attention. No family should be without Centaur Liniment. J. B. ROSE & Co., New York. 46-1y

CASTORIA is more than a substitute for Castor Oil. It is the only safe article in existence which is certain to assimilate the food, regulate the bowels, cure wind colic and produce natural sleep. It contains neither minerals, morphine or alcohol, and is pleasant to take. Children need not cry and mothers may rest. 46-1y

Some fellow up by Parmele's lumber yard was doing considerable growling the other night, because he had to wait so long for somebody or something.—Thinking the man wanted lumber and seeing Mr. Parmele coming down the street, we very innocently remarked 'there comes Mr. P. if you want lumber." "Don't want any lumber, want to buy a school-marm—want to buy two school marms," was the queer reply.

REMEMBER THE STATE FAIR.

Next week our Seventh Annual State Fair commences at Lincoln.—Every arrangement has been made for the convenience of exhibitors and visitors. It looks as if we should have the best Fair Nebraska has yet held, and it behooves our farmers and mechanics to make as good a display of our productions and inventions as they can. Many strangers will be present from other States, D. H. Wheeler, the enterprising Secretary having advertised it most thoroughly.

Kellogg Concert.

The Concert given by the Kellogg Troupe, at Fitzgerald's Hall, on Saturday evening last, was what might be termed a rare musical treat. The singing was artistic, and Mr. Vaughn, as a violinist, would be hard to excel. Miss Lillie Simpson, the charming pianist, is too well known to need any comment from our hand.

In conclusion, this Troupe performs all it promises, and to our uneducated ears, discounts Madam Anna Bishop's, two to one.

Gaiters for $1.40 at the Shoe Store. Who would go barefooted? 5tf.

LIVELY.

On the street Saturday about 3 p. m. Frank White bawling "going, going, going, going gone," two boys ringing bells to keep up the music and two more shouting Fannie Kellogg as they bore a banner with this strange device "Concert to Night," sixten drunken men fighting, Joe Conner hollering to a haymaker on a load of grain and 95 other men are jabbering about the auction, the grain market, the Granges, the people's party, or the hot weather in 40 different languages and all "tew once."

PLEASANT RIDGE SUNDAY SCHOOL.

This Sunday School held a picnic on Saturday last in Nick Holmes' Grove. Speeches were made by the Rev. Messrs. Bartle and Arnold. The brass band of Four-Mile Creek discoursed some good music, and a bountiful lunch helped to make things pass pleasantly and sociably. After dinner, Mr. Mutz and Mr. Gilmore addressed the children a few moments. Over 150 people were there and all enjoyed them selves honestly and heartily.

Reports of the Sunday School were then read and everybody went home delighted and pleased with the picnic.

ANTI-MONOPOLY MOVE.

Nearly all the precincts of Cass county were represented by delegates or proxies at Weeping Water Falls, on Saturday, August 23.

Dr. J. F. Kenaston, of Stove Creek, was elected chairman, and F. M. MacDonagh, Secretary.

A County Central Committee was chosen, who are requested to meet at the Secretary's office, on the County Fair ground, at 1 P. M., the second day of the Fair.

It was decided to call a county delegate convention to meet at Weeping Water Falls, Saturday, September 27th, at 11 A. M.

The basis of delegation was decided to be one delegate for every fifty, or fraction thereof from each of the pre-precincts of the county on the total vote.

Each precinct is instructed to hold its preliminary meeting in good time to select delegates, who shall fairly represent the popular voice.

Resolved, That the proceedings be furnished the county papers for publication. J. A. KENASTON, Ch'n.

F. M. MACDONAGH, Sec'y.

We publish the above report, as we have all others sent us, as matters of news. This report is from the Secretary's own minutes, as you will see.

The HERALD had a reporter of its own at that meeting, and there were 9 people in the house all told, six of which took part in the proceedings, and 3 were spectators. If six people can represent *all* the precincts in Cass county, there must have been an infernal lot of proxies.

A COUNTY FAIR, OR NOT A COUNTY FAIR; THAT IS THE QUESTION.

Will the time and money spent in getting up a County Fair return to the people of the county an equivalent in money or material prosperity, to say nothing of the pleasure?

How much of the improvement in animals, grain, fruit, vegetables and machinery is due to the influence of county and State Fairs? Of course it is impossible to tell very accurately; but we think ai a rough guess that twenty per cent. is due to their influence.

It is there that the best the county produces is on exhibition, and every man can see how much it is superior to what he possesses.

Suppose that in ten years from now there are in this county one hundred thousand hogs. That number of Berkshire hogs would be worth half a million dollars more than the same number of the native breeds, such as were in the county ten years ago. In this estimate I count their extra value as breeders, their quietness, and the less grain it will take to fatten them.—Twenty per cent. on a half million dollars is one hundred thousand. The same thing holds true in every other department of Agricultlure.

Again, look at the advantages of such a place as the Fair grounds for buying, selling, and exchanging property.

The in and in system of breeding animals, brings a heavy loss upon many of us who do not feel able to pay $20 for a Berkshiie, each year or two, or $150 for a Durham. Now we can take them to the Fair and exchange for others just as pure and good. Every man ought to take to the Fair a sample of all the grain and vegetables he raises; then we can tell who has the purest and best. There are but few if any fields of corn in the county but what are mixed to some extent, and for that reason, sells for a less price in market. There should be a united effort in this matter.

The annual Fair is the place to buy, sell and exchange. You can see more men and do more business in two days at that place than in a month riding over the country to see the same men and find them not at home. Therefore, commence now a memorandum of all the men you wish to see, and the questions you wish to ask, and have it ready at the Fair on the 10th, 11th and 12th of September, for everybody and everything will be there.

There will be Durham cattle, worth their weight in copper if not in gold, and hogs from Old England. Let Cass county show the world what it can do.
