Joseph Shera, the well known merchant at Rock Bluffs, made his appearance in the HERALD office this week in behalf of the well known firm J. & H. Shera, who have just purchased the Rock Bluffs Steam Flouring and Saw Mill, and will run the same in connection with their store.

They are determined that customers shall have good flour, and will pay especial attention to grinding custom grists, warranting their friends and patrons *good flour* if their wheat is good. In the store, Messrs. Shera & Brother have an immense stock of goods for the fall trade, which they have laid in at unusually low prices, and will sell at the same figures, in proportion. ANOTHER FIRE.

Plattsmouth indulged in a small conflagration on Saturday last. About 7 o'clock in the evening, the iron tongued bell that hangs in a vice on top of Henry Boeck's pile of brick some times misnamed the engine house, sounded clack et te clack—click, click, click. Soon the M. E. church bell rang out clear and lively, too lively for a sermon and nextly six small boys yelped *fire fire!* out of the north-west corner of their faces. After that 9 dogs and thirteen men shouted fire and then the whole town that wasn't sick abed started for the fire, which was at the City Hotel. A gal let a lamp drop or something and three old newspapers and two patent hoopskirts caught fire. Two little babcocks were brought to bear on the fire and before Frank White could chop a hole through the roof the whole thing fizzled out, the fire we mean not the other things we have written about.

The editor of the HERALD not being in town that day the above is written from memory, imagination and other folks stories. If its wrong it only proves that editors are not the only liars.

PERSONALS.

Alex. Schlagel has been down to Lincoln, playing Odd Fellow.

Morgan Waybright arrived home on Saturday last, with Mrs. Waybright, who, we are happy to learn, is in much better health and spirits than before her trip. Morgan looks ten years younger for his resting spell.

Mr. John Beverage arrived here last week, he has been paying a visit to relatives in Virginia, his old home.

Mr. Wm. Brentner, an old resident of Cass bounty, but who has been living in Virginia for the past two years, returned to Plattsmouth last week, bringing a wife with him. Will thinks Nebraska is far ahead of Virginia.

Waterman, our big lumber man, went east with his wife Tuesday, for a good old fashioned visit.

PLATTSMOUTH GAME CLUB.

Annual Hunt of the Death-Dealing Thirty.

WHANG! BANG! CRACK! CRICK! AND A BAG FULL.

A Rainy Tuesday, but a Happy Set of Hunters.

WHERE'S THE GAME?

The annual hunt of the Plattsmouth Sporting Club took place on Tuesday last. Agreeable to custom the Club met on Monday evening and elected Hon. Sam. M. Chapman as leader of one division, and Dr. R. R. Livingston leader of the rest of the Plattsmouth Salamanders.

By special permit Mr. Geo. Holdrege was allowed to hunt on Monday and have his game counted by proper authority. He made 165 points. Pretty good for a Massachusetts man. Mr. Vivian, also, being subject to chills every Tuesday, was allowed to hunt on Monday, and returned 190 points.

TUESDAY MORNING

Long before the sun even thought of rising, the valiant sons of Guns assembled to the number of——:

Each couple started out singly and alone, armed and equipped, as the law directs, with a pocket full of crackers and cheese, a small black bottle, 1 qt. of salt, and a dollar and fifty cents in currency,—to hire small boys with, you know.

About noon it commenced raining, and the boys commenced s—— shooting under cover we mean; along towards night it began to get dark, and a good many "hit 'em quicks" came staggering in under a heavy pressure of game. As the sun declined to shine (on this part of the world) more and more, the "blaze aways" commenced to drop down, one by one, singly and in in pairs, and the game dropped in, too, only not so fast as the hunters.

When they all got good and wet, and tired and hungry, they counted the game and found the "hit 'em quicks" (Chapman) had 945 points, and the "blazeaways" (Livingston) tallied 1,035.

It is only fair to state that Chapman's men shot the most game on the day of the hunt. Mr. Holdrege and Mr. Vivian had a clear day to hunt in, and did exceedingly well, but it was not Tuesday's hunt.

Doc. Jones made 190 points, the best tally made on Tuesday. Chapman was heavy on Geese, Doc. Livingston went his length on Ducks. Rabbits and Squirrels had the field.

They do say Billy Hobbs went coon hunting all day. Uncle Streight caught his by putting line snaps on their toes. Cutler served a writ of man dam us on his game, and brought them in on execution. John Shannon used Cherry Bounce, and Ben Hempel Switzer Kase to catch their birds.

Amongst the "hit 'em quicks" Lon. Cunningham ate all his crackers up at home, Alex Schlegel used up all the salt out at Louisville, Fred Dorrington threw stones at his, Bill Jones set the dog on them and brought them in, by hound; Hank Streight put salt on their tails too; Matthews sat down and whittled so melodiously, birds fell into his trap, at once, and Parker Wise coaxed his game in with a duplicate tax-list and future promises, Geo. Smith got his by *habeas corpus*.

Altogether it was a jolly day, and the stiff, sore, and hoarse chaps, who gaily hunted Tuesday, will set down to a magnificent supper to-night, judging by the glorious pile of *game*, that lay in Sam Chapman's office yesterday morning.

The HERALD ain't hungry any, boys!

POINTS.

A great many persons not huntists, do not know what is meant by "points" in a shooting match. Of course all game is not alike to catch, and to just count them by the head, would be manifestly unfair, so a scale is agreed upon according as the different kinds of game are hard to shoot, or scarce, or valuable, thus: Prairie chickens count 10; quail, snipe, and small game 5; Geese, 20 or 25; Ducks, 10 or 15; Turkey, 50; Rabbit and squirrel, 5; coon, 20; and a Deer, 500. These rules are arbitrary, and vary in different clubs and in different hunting districts.

Centaur Liniment.

There is no pain which the Centaur Liniment will not relieve, no swelling it will not subdue, and no lameness which it will not cure. This is strong language, but it is true. Where the parts are not gone, its effects are marvellous. It has produced more cures of rheumatism, neuralgia, lock-jaw, palsy, sprains, swellings, ear-ache, caked-breasts, scalds, burns, salt-rheum, &c., upon the human frame, and of strains, spavin, galls, &c., upon animals in one year than have all other pretended remedies since the world began. It is a counter-irritant, an all-healing pain-reliever. Cripples throw away their crutches, the lame walk, poisonous bites are rendered harmless, and the wounded are healed without a scar. It is no humbug. The recipe is selling as no article ever before sold, and it sells because it does just what it pretends to do. Those who now suffer from rheumatism, pain or swelling deserve to suffer if they will not use Centaur Liniment. more than 1000 certificates of remarkable cures, including frozen limbs, chronic-rheumatism, gout, running tumours, &c. have been received. We will send a circular containing certificates, the recipe, &c., gratis to to any *one* requesting it. One bottle of the yellow wrapper Centaur Liniment is worth one hundred dollars for foundered or sweeniled horses and mules, or for screw-worm in sheep.—Stock-owners—this liniment is worth your attention. No family should be without Centaur Liniment. J. B. ROSE & Co., New York. 46-1y

CASTORIA is more than a substitute for Castor Oil. It is the only safe article in existence which is certain to assimilate the food, regulate the bowels, cure wind colic and produce natural sleep.
