PLATTSMOUTH, OCT. 11, 1877.

REPUBLICAN TICKET.

For Judge of Supreme Court,
GEO. B. LAKE.

For Regents of State University.
C. H. HOLMES.
N. R. PARSINGER,

For County Officers.

For County Clerk
SAMUEL HALL.

For County Treasurer,
J. W. JOHNSON.

For Sheriff,
R. W. HYERS.

For County Judge,
A. N. SULLIVAN.

For Sup't of Public Instruction,
U. W. WISE.

For County Commissioner,
JAS. CRAWFORD.

For Coroner,
O. M. STREIGHT.

For County Surveyor,
G. W. FAIRFIELD,

THEY tell us we had the jolliest, most sociable and harmonious convention on Saturday, ever held in Cass county.

THE democrats expected us to go out to Weeping Water and quarrel like the very mischief, it seems. We didn't do it, did we?

JUST as we go to presss a telegram comes from Lincoln with the nominations for Judge and Regents, and saying the Convention did not pass any resolutions.

THE HERALD thinks the gentlemen at Weeping Water on Saturday, put up a very strong ticket and one that is almost sure to be elected next November.

WE are pleased to learn that Mr. Davis had a very respectable and friendly force at the convention. The best of friends must give way sometimes, for the good of the whole.

MR. J. W. JENNINGS has no reason to be discouraged at the strength and number of his friends in the county. We can't get every thing at once, John. Keep cool and try again, my boy!

HON. L. SHELDON, and several old war-horses of the Republican party attended the convention Saturday, as delegates. The HERALD most heartily welcomes them back again to the true republican fold.

IF you want a good paper and want it kept up, the readers and citizens must pay for the same promptly. You pay readily for the papers you have to pay for in advance and away from home, why not treat your home papers as well.

ONLY four lawyers on the State delegation, from town. Its too bad gentlemen, why didn't you let it go round. Take in Col. Vancatta, young Mr. Morrison and the rest next time.

HON. S. M. KIRKPATRICK received a very respectable vote for County Treasurer, at the convention. He would have been a very suitable nomination, had not the exigencies of time and place made the nomination of Mr. Johnson more suitable.

Cast your bread upon the waters and it will come loafing back.—Wheeler.—Ex.

Can this be our "Dan" that has dropped into proverbs. No, our Dan takes cake in his'n.

HESSER brought a load of plants from Plattsmouth that have been making a splendid display. He will furnish plants to any who may wish to purchase to-day at very low figures—and plants that are of the best description.—Lincoln Journal--Fair week.

Our Candidates.

THE HERALD is acquainted with both Mr. Hyers and Mr. Sullivan, our candidates for Sheriff and Judge, and hereby congratulates them on their glorious nomination and, we hope, happy election.

PROF. WISE is so well known that a history of his life, his deeds, or a recommendation to vote for him would be superfluous.

WE have not the pleasure of a personal acquaintance with Mr. Crawford, the nominee for Co. Commissioner, but we are assured he is a number one man and true as steel. That's the kind of man we want.

MR. HALL, the republican candidate for Clerk is said to be an excellent young man, and a very suitable person for clerk of this county.

THAT sterling republican and honest man, J. W. Johnson, will be hard to beat at the coming election. We rather fancy the democrats are nonplussed at the harmonious nomination of such a strong ticket.

A more extended notice of the candidates will be given next week. The lack of space, on account of the tax list, and the absence of Mr. MacMurphy prevent any more comments now. But we have four weeks, nearly, to "wake 'em up" in.

THE State Fair is being announced a success by every one who was there. The officers and managers come in for a fair share of the praise. With few exceptions the enterprise could not have been better conducted. It has been a great advertisement for the State and with the dawn of a new emigration and the prospect of another tidal wave of settlement towards the west. Nebraska may hope by some supplementary effort, to get her share of the increase.

—Slight collision took place on Sunday at the curve on the railroad between here and the landing.

—Lincoln Avenue is being graded and fixed up "sp'inkum." John Shannon and Sam Chapman took us out to see it t'other day.

—Dick Streight, Dan Johnson, and Sam Long took a premium on every horse they showed at the State Fair. Good for the boys.

--Wiley Black brought us some more of those famous sweet potatoes, Saturday.

—Chas. Marshall feels like a big Sun Flower. Took the first Premium at the State Fair for his fine work at Merges' and a bouncing young shoe maker full ten pounds to be exhibited at the next fair.

—Mr. O. M. Streight wishes us to thank his friends for the honor of the nomination of Coroner and to say that he respectfully declines the same.

—The Watchman has a new name for our Louisville friends, he calls them the Grocery Editors—By the way we thank them for their beautiful Sentiments about the HERALD.

—Saturday morning was a busy morning on main street. All the politicians and the politician's candidates and candidate's politicians were on hand. Horses and buggies rushed round and off they go for W. W.

—Dick Streight met with an accident returning from the Convention The bridge at 4 Mile Creek is bad, and Streight after crossing left his team with McElwain while he went back to see that the other teams got across all right. By some means Streights team ran backwards off the bridge and bank and broke his buggy badly, one of the horses was also cut some.

—We must have some pay on our Subscription list. It is impossible to run a newspaper without the money to pay some bills at least. Our town list is far behind. Many owe us who can well afford to pay and the little from each one, if all pay, makes a great deal to us.

—The subject of a wagon road across the Platte is talked of again. We sincerely wish our leading men of means and our County officials would take hold of this thing and see if it could not be pushed through. It will help Plattsmouth and accommodate a larger portion of the northern part of the County almost as much as another railroad would. A large portion of Southern Sarpy could come here to trade and our people could have egress North easily and readily.

Cass County Convention.

By order of the committee,
G. W. SHRADER.

Consumption can be CURED

Schenck's Pulmonic Syrup,
Schenck's Sea Weed Tonic,
AND
Schenck's Mandrake Pills.

Are the only medicine that will cure Pulmonary Consumption.

Frequently medicines that will stop a cough will occasion the death of the patient; they lock up the liver, stop the circulation of the blood, hemorrhage follows, and in fact they clog the action of the very organs that caused the cough.

Liver Complaint and Dyspepsia are the causes of two-thirds of the cases of Consumption. Many persons complain of a pain in the side, constipation, coated tongue, pain in the shoulder blade, feeling of drowsiness and restlessness, the food lying heavy on the Stomach, accompanied with acidity and belching up of wind.

These Symptoms usually originate from a disordered condition of the stomach or a torpid liver.

Persons so effected, if they take one or two heavy colds, and if the cough in these cases be suddenly checked, will find the Stomach and liver clogged, remaining torpid and inactive, and almost before they are aware the lungs are a mass of sores, and ulcerated the result of which is death.

Schenck's Pulmonic Syrup is an expectorant which does not contain opium or anything calculated to check a cough suddenly.

Schenck's Sea Weed Tonic dissolves the food mixes with the gastric juices of the stomach aids digestion and creates a ravenous appetite.

When the bowels are costive, skin sallow, or the Symptoms otherwise of a bilious tendency, Schenck's Mandrake Pills are required.

These medicines are prepared only by

J. H. SCHENCK & SON
N. E. corner Sixth and Arch Sts. Phila.
And for sale by all druggists and dealers. 29t4

Various causes—advancing years care, sickness, disappointment, an hereditary disposition—all operate to turn the hair, and either of them inclines it to shed permanently. AYER'S HAIR VIGOR will restore faded or grey, light and red hair to a rich or deep black as may be desired. It softens and cleanses the scalp, giving it a healthy action, and removes and cures dandruff and humors. By its use falling hair is checked, and a new growth will be produced in all cases where the follicles are not destroyed or glands decayed. Its effects are beautifully shown on brashy, weak, or sickly hair to which a few applications will produce the gloss and freshness of youth. Harmless and sure in its operation, it is incomparable as a dressing, and is especially valued for the soft luster and richness of tone it imparts. It contains neither oil nor die, and will not soil or color white cambric; yet it lasts long on the hair and keeps it fresh and vigorous. For sale by all dealers.
