Many have never studied drawing, and yet all must pass a "satisfactory" examination in that branch to obtain a second grade certificate.

Who will grade the highest for the next six months, all branches considered?

Bob Maxwell has bought a one half interest in the Tewsbury mill near Weeping Water and the firm is now Tewksbury and Maxwell the HERALD hopes most heartily the new firm will succeed.

Master George H. Palmer—six years old—has got too old and too big to be wholly dependant on his Papa's income, we notice that he has made his start in life merchandizing, selling apples, two for five cents, real beauties too—bully for George.

Mr. Fleming of the firm of Fleming & Race, visited us Tuesday on his way to Colorado, where his wife has been all summer, this climate not agreeing with her so well as a higher latitude. Mrs Fleming will propably remain in Colorado the greater part of this season.

—It's "moighty" handy to have a Murphygraph connected with this office—that's the way we now get our Kearney news.

—Mr. Dawson has removed to the house formerly occupied by Mr. Cutler and Mr. Carruth and family will occupy their own house and go to housekeeping again.

J. V. Weckbach will leave on the 18th to lay in a large stock of new goods for the Spring trade, and in order to make room for the same in his already well filled store, will sell everything now in stock at bottom prices, for the next few weeks. Don't you forget it.
