—Mr. McElwain of this place has shown us some of the finest specimans of crab-apples we have yet seen.

—A. B. Smith saw the Eclipse, in Colorado, from a snow-pile one hundred feet deep.

—FOUND—A ring. The owner can have the same by proving property and paying for this notice.

—Phil Young gives more candy for a nickle than any one else in town, so the boy's say, go and convince yourself of this fact.

—Frank White, Sr. is going to move over into the old P. O. Store in Fitzgerald Block and the old building he now occupies will be sold.

—Some of the young folks are to have a picnic on the hill near Geo. S. Smith's this evening, we understand, with music and fun in abundance.

—Beecher went west to Lincoln on Friday last and a number of the citizens crowded round the Depot to see the old gentleman. Mrs. B was with him.

—Billy Neville has sold his Billiard Hall to James Grace and he goes to Hastings where he is now building bridges on the B. & M. extension to Red Cloud.

—The band have received theirnew instruments and discourse really good music nightly. In fact we don't know what we would do without that band, any more.

—No Snide—A big Circus really this time. Dan Rice's whole ground room would not accommodate the dressing rooms of Barr Robbins's immense Troupe of people.

—We peeped into Streight & Miller's harness shop and saw a whole house full of nice horse-rigging. It is wonderful the amount of harness they make and sell here.

—The Cass County Fair Poster sent us by the Secretary, Mr. Young, is a gorgeous affair. Beats the State Fair all hollow. Mr. Young means to have a good fair here this fall if advertising will do it.

Barr Robbins, who has been here before, and always has a good show exhibits on the 21st of August. We are assured that he will have one of the largest and best entertainments he has ever given.

—Mr. McElwain brings us in a small branch containing in the space of about seven inches, twelve transcendent crab apples some of which would measure over six inches in circumference.

—The Rev. W. E. Copeland will Lecture at the Baptist church on Sunday the 11th day of August, at 11 a.m. and in the evening. All friends of freedom of thought are cordially invited to attend.

—Some weeks ago Mr. Stroud lost a pocket book, with about ten dollars in it. He advertised the same and last week Billy Fox and Mr. Ashley returned him the book, muddy, rained on and dilapidated by the storms but intact, money, papers and all.

—Are you going to see Barr Robbins Show, if so do not fail and go to the "Post Office News Depot" for your choice and fresh candies, Ice cold Soda Water, only five cents per glass, Sugar coated Pop corn five cents per box, etc.

—Miss Hesser brings us from her father's orchard some of the finest peaches and from the green-house a most elegant bequet. We are glad to learn that Mr. Hesser is getting well and sound again, though he has had quite a siege of it since his runaway.

—"Lino" of the Republican says the "State News Items" in the Republican are not his and wants us to say something of the Local. Well, the local is good too, now and then, can't expect you to keep it up always. Don't be so hard on Plattsmouth about that R. R. bridge though, wait till we see it ourselves before you really swoop down on us.

—Last week Tuesday as Geo. Levings was carrying an armful of weeds out of the garden a snake of some kind bit him on the lip. It swelled and swelled, George got scared, the Doctors came, whiskey was administered and other remedies and at night George was as crazy as a combined set of "pizens" could make a man. After a night of torture we are happy to say he is getting better and will suffer no permanent injury.

—If our next County Fair, the 17th to 20th of September—is not a success it will not be because Mr. Young has not taken pains to make an attractive premium list; and has not worked hard to arouse our people to a realizing sense of its importance. A real County Fair, that is one where the whole county is represented is almost impossible in Cass County, but we can and do make fair exhibits when we try from this end of the County.

The Greenwood Camp Meeting.

The Omaha Herald has an account of a Camp Meeting at Glenwood—we guess he means at Greenwood.

The HERALD paid a short visit to the grounds near Greenwood on Tuesday. We found the brethren very pleasantly situated in a bend of Salt Creek about one mile from Greenwood station, Cass County, Nebraska.

The Camp Meeting, as it is called, is under the auspices of the "Neb. State Holiness Association"—It commenced last Wednesday and closed yesterday, and has been very successful.

On Sunday the Rev. Dr. Fisher preached at 11 o'clock A. M., Brother Henderson, of Lincoln in the afternoon. Brother Davis, Elder at Neb. City in the evening. Besides this the day was fully occupied. There were services at 5 o'clock, A. M., and at 8 and 10 A. M. Childrens meeting at 1:30. Services at 3 P. M. and at 6 P. M., young people's meeting, very interesting conducted by Prof. McKinzie. Services again at 8 in the evening.

We met during our short visit the Rev. Mr. Blackburn, of this place, and many brethren of the M. E. Church.

We had a very pleasant *Dejeuner*, literally, (a little dinner) with Mrs. Spurlock, and came home impressed with the idea that our Methodist friends are able to reach a class and make at home an element in our population that no other religious denomination has yet reached, so fully and so happily.

BURR ROBBINS'

Great American and German Allied Shows, Coming to Plattsmouth Wednesday Aug. 21, 1878.

The amusement going public have, for years, been satiated and wearied with the stereotyped, worn out performances, and tedious, monotonous similitude which has characterized the various traveling shows from one season to another. A new departure in accordance with the advertisement of the age necessitates a change. Fresh diversities are essential—new, novel and constant changes are required. Col. Burr Robbins, to meet this demand, has entirely revolutionized the show world and inaugurated a new era in the profession. In addition to the two combined menageries, containing every known species of animals, beasts, reptiles, monsters of the sea and birds of the air, a grand double circus company composed of artists of both the Great American and Royal German Circus has been added in a series of entertainments varying entirely from the old routine manner of shows. Charming sensational arenic scenes, avoiding all stale and objectionable features.

The clowns are incomparably the most original, witty, musical and grotesque disciples of Momus ever witnessed. Everything is pungent and brilliant, and each differ in the diffusion of their humor, satire, caricatures and comicalities,

The collection of animals and museum attractions are complete, and include a collection of wonders never before exhibited.

The entry into town of the world of wonder is marked by a new and praiseworthy accessory. In addition to the most grand and extensive street parade ever seen, there is what is called the Spectacular Allegory and Living Tableaux Carnival, containing the most refulgent and patriotic display, teeming with artistic, novel and grand auxiliaries. It is a moving natural panorama of historic events, represented by art and nature.

The papers published in towns where this show has exhibited, are liberal in its praises. They announce the animal collection the largest ever shown under canvass: and they say of the arenic performances: "They are chaste and pure in character, and therefore unexcelled."

It will pay every man, woman and child within a radius of forty miles, to see the show and give the day to instructive amusements.

B. Siebold's Sickle and Tool Grinder.

The most wonderful help-saver and practical aid to farmers and others using tools is the new "Sickle and Tool-grinder," now sold by B. Siebold of this county. Persons wishing to see sample, or procure these excellent articles can call on Robert Donnelly, at his blacksmith shop, in Plattsmouth, or B. Siebold on his farm.

THE GRAND PAGEANT.

Burr Robbins' Great American and German Allied Shows has Come and Gone.

We insert the following very favorable notice, from the Keosauqua Vindicator, of the above named show, which is to exhibit in Plattsmouth Wednesday, August 21th:

Everyone will join with us in saying it is the best show ever in Keosauqua. The street procession at 10 a. m. rivals in grandeur and brilliancy any show we have had for the past ten years. The procession of nearly a mile long with waving flags and unique banners, splendid trappings, gold encrusted chariots, radiant colored deus, silver mounted harness, hundreds of plumed horses, knights in armor, ladies richly costumed in queenly robes, automaton gymnasts, minstrels and other resplendent sights.

It is a square institution from the top of the centerpole down to the ticket wagon. Mr. Robbins has been in the business a lifetime, and no man can point to a dishonorable act that he has committed. He has made money and invested it. His circus and menagerie is his pride. He would not have a poor performer at any price. He would not employ a dishonest man about his concern at all. He will not have a drunkard about him. His party is composed of as fine gentlemen as can be found about any business house in Iowa. His circus might pitch its tent in a man's front yard or on Normal school grounds or the public park, and not a word be said that would offend any one, and when it went away not a cents worth of damage would be done. His company is like a well drilled army, that obeys orders. We believe that Burr Robbins' show is the best on the road.

We have not seen the establishment noticed by the press, or heard it spoken of by persons who have witnessed its exhibitions except in terms of commendation. Unquestionably it is in every way worthy of patronage,

Coming!

Dr. Richey wishes it announced that it is impossible for him to reach Plattsmouth before Friday, August 16th, on account of pressure of work at Malvern, Iowa.

A Gentle Hint.

In our style of climate, with its sudden changes of temperature,—rain, wind and sunshine often intermingled in a single day,—it is no wonder that our children, friends and relatives are so frequently taken from us by neglected colds, half the deaths resulting directly from this cause. A bottle of Boschee's German Syrup kept about your home for immediate use will prevent serious sickness, a large doctor's bill, and perhaps death, by the use of three or four doses. For curing Consumption, Hemorrhages, Pneumonia, Severe Coughs, Croup or any other disease of the Throat or Lungs, its success is simply wonderful, as your druggist will tell you. German Syrup is now sold in every town and village on this continent. Sample bottles for trial, 10c.; regularsize, 75c. 38tf-alt

The Liver is the imperial organ of the whole human system, as it controls the life health and happiness of man. When it is disturbed in its proper action, all kinds of ailments are the natural result. It has been successfully proved that Greene's August Flower is unequalled in curing all persons afflicted with Dyspepsia or Liver Complaint, and all the numerous symptoms that result from an unhealthy condition of the Liver and Stomach. Sample bottles to try 10 cents. Positively sold in all towns on the Western Continent. Three doses will prove that it is just what you want. 5ly-alt.2w

Star Manufacturing Company, Fort Madison, Iowa; Gentlemen: The Centennial rat poison, received last Monday. We have given three doses. On Monday, Tuesday and Wednesday nights, and we verily believe there is not a rat or mouse left. The saw mill, feed, custom and merchant's mills were full of them, as were also our houses, cooper shops, barns and hog pens. Since giving them the poison they have been running round as "crazy as loons" and the river bank is line with dead rats, in fact it has created a terrible commotion among them and they have all left, thanks to the "Centennial Rat Exterminator," each box of which is worth a twenty dollar bill. We will see our druggists and have them send for it. Thanks, thanks. Very respectfully, E. M. BRITTS, & Co.
