KENDALL'S SPAVIN CURE

This remarkable medicine will cure Spavins, Splint, Curb, Callous, &c., or any enlargement, and will remove the Bunch without Blistering or causing a sore. No remedy ever discovered equals it for certainty of action in stopping the lameness and removing the bunch. Price $1. Send for circular giving positive proof, and your nearest agent's address. It is truly wonderful what remarkable success thousands have had with Kendall's Spavin Cure in treating all blemishes on horses and every kind of lameness from whatever cause. It has also been used with perfect success in deep seated pains of long standing in man. On one we have in hand was a joint lameness of 15 years duration, and for a person afflicted had tried many remedies with no effect, and was finally permanently cured by two doses of Kendall's Spavin Cure. We give below a testimonial which was made under oath, and as we have examined the horse many times we know it to be true in every word.

To whom it may concern.—In the year 1875 I treated with "Kendall's Spavin Cure" a bone spavin of seven months growth, nearly half as large as a hen's egg and completely stopped the lameness and removed the enlargement. I have worked the horse ever since very hard and he never has been lame, nor could I ever see any difference in the size of the hock joint since I treated him with "Kendall's Spavin Cure."
