Madison County Farmers Unable to Get Corn Pickers

Battle Creek.—A great shortage of corn pickers is being experienced by farmers of Madison county and all of north Nebraska. Many applications are on hand for farm workers but the call is not being answered and as a result a serious shortage of farm labor is experienced. Farmers in this county are paying 5 cents a bushel for husking. Higher prices for corn and anxiety to get cattle into the stalks has resulted in much of the demand for corn pickers at this time.

Firemen in Full Dress Respond to Fire Alarm

New York, Oct. 22.—Flames which broke out at the Country Life Press, the publishing house of Doubleday, Page & Co., Garden City, Long Island, were extinguished by firemen in tuxedos, full evening clothes and in white flannels. The firement happened to be attending social functions in the vicinity when the alarms were turned in.

Sugar Beet Harvest Is Underway on Cozad Farms

Cozad—The beet harvest in this community is on in full swing. Several cars of beets are being shipped daily to the factory at Grand Island. There is a feeling here that a factory will be constructed in Cozad in time to take care of the 1923 crop. The acreage yield runs from 12 to 22 tons.

Farmers' Union Notes

A campaign to have the dues of all farmers union members in Nebraska for the year 1922 paid before January 1 is being made by the officers of the state organization. A letter has been sent to the secretary of each local by President C. J. Osborn, urging that a rousing annual meeting be held for the election of officers and the collection of dues.

Franklin County Meeting.

Franklin—Managers and directors of Farmers Union co-operative associations in Franklin county held a conference here to consider the question of closer co-operation between the different business enterprises of the Farmers union. C. W. Southwell and J. B. Porter of the Farmers Union state exchange in Omaha were present to participate in the conference. A campaign to increase the membership of the union in this county will begin on October 30. This will be conducted by the county officials of the organization and J. O. Shrieyer, state vice president.

Hold Annual Meeting.

Kimball—the annual meeting of the Kimball County Farmers' union was held at St. John church in the country 17 miles southeast of here in connection with the St. John annual community congress. C. J. Osborn, state president of the Farmers' union, addressed the convention, urging upon farmers the necessity of co-operation to work out of the depression caused as an aftermath of the great war. Following are the officers elected for the coming year: President, George Ernst; vice president, Forrest Kenny; secretary-treasurer, Mrs. Daniel Inner; legislative committeeman, A. W. Wilson; directors, Ed McMinnon, John Drake and John Pedroff. Mr. Ernst was also chosen county delegate to the state convention, which meets in Omaha in January.

State President Speaks.

Lamar—A large farmers' unions meeting here was addressed by C. J. Osborn, state president of the union. He urged farmers to get together and discuss their problems and then co-operate to solve them. This is an inland town and the farmers' union has no co-operative marketing association here, but a great many of the farmers are interested in and patronize the Farmers' Union Co-operative association at Venango, which operates an elevator and ships livestock.
