NEBRASKA WINS CLOTHES AGENCY

Exclusive Distribution of Hart Shaffner & Marx Clothing Acquired.

The Nebraska Clothing company and Hart Schaffner & Marx announce a New Year's surprise to Omaha today: The appointment of the Nebraska Clothing company as exclusive distributors in Omaha for Hart Schaffner & Marx clothing, effective January 1, 1924.

In a letter addressed to the people of Omaha Hart, Schaffner & Marx say: "The Nebraska Clothing company has a national reputation for value giving and service; our clothes have a parallel reputation. These two concerns, the Nebraska and ourselves, are now in a position to give the greatest measure of service that it is humanly possible to give in serving the men of this community. The Nebraska Clothing company has just purchased a large quantity of our suits and overcoats at a big price concession—all bright, new midseason styles. They are going to offer these goods to Omaha men at prices that are approximately manufacturer's cost as an introductory offering in celebration of the event."

Commenting on the addition of the clothes of Hart Schaffner & Marx to their present large stock, John A. Swanson, president of the Nebraska Clothing company, said: "It is the policy of this store to give the greatest possible dollar for dollar value in clothes—to sell standard quality clothes at the lowest profit margin known in the retailing of men's wear—to offer at all times the maximum of quality; in other words, the known best clothes made at the lowest prices known. For years Hart Schaffner & Marx has been keenly alive to the advantages of sharing in the vast volume distribution enjoyed by this store, of our determination to properly handle any line we feature, to maintain the integrity and honor of the reliable manufacturers which we represent, and that was the reason for giving their line to the Nebraska Clothing company."

BIG EXPANSION PLANNED BY FORD

Water Route From N. Y. to Detroit and Extension of Plants in West Booked.

By Associated Press.

Detroit, Jan. 1.—Extensive improvement of waterways looking to the development of an even water route from Green Island, New York, to Detroit; completion of a plant started at St. Paul, Minn., an addition to the Kansas City assembly plant and extension of business throughout the south and west are among the items named in a statement by the Ford Motor company in its expansion program for 1924, announced here today. An official of the company close to Mr. Ford was authority for the assertion that the statement covered improvements which would call for an expenditure of from $110,000,000 to $150,000,000 during the year.

Regarding other extensions which will be made by the company the statement says:

"Plans have been completed and construction is to be begun early in the year on a new assembly plant at Philadelphia.

"About February 1, production is to be begun at the new Hegewich plant at Chicago, where in addition to the assembly of 600 cars and trucks per day, all closed car bodies required in the Chicago district will be manufactured.

West Coast Invites.

"The west coast is regarded as especially well prepared to handle the large volume of business expected in 1924 as a result of additions made to the Los Angeles assembly and manufacturing plant during the past year.

"An addition will be built to the Kansas City assembly plant, increasing the floor space 168,000 square feet, and a new sales and service branch at Salt Lake City on which construction has begun will be completed in April."

The increase in production of by-products from the Ford plants is also covered in the statement. In this connection it is announced that new coke ovens now under construction at the River Rouge plant here in which coke and its by-products will be manufactured at low temperature process will be put into operation.

There will also be put into operation at the River Rouge plant, it is asserted, a cement plant which will make 1,000 barrels of cement daily from blast furnace slag. This cement will be used in the building operations of the company.

New Body Plant.

At the Highland Park plant of the company here it is planned to extend additional manufacturing units and increase that used facilities.

The new body factory and a wood manufacturing plant will be put into operation early in the year at Iron Mountain, Mich. Here the timber will be finished for automobile bodies, and in addition wood alcohol, wood tar, gas, oil and charcoal will be manufactured from the pieces too small for use in automobile body manufacture.

Increased production is also forecast for the company's plant at Flatrock, Mich., which manufactures automobile lamps. The Ford wheel plant at Hamilton, O., the statement says, will be increased to keep it "abreast of growing requirements."

Potato Crop Short.

Chicago, Jan. 1.—The lowly potato scored some sharp price advances during the week ending December 29, and with the crop of 18 late potato states 40,000,000 bpshels short of last year the spud market is in a fairly strong position, according to the federal bureau of agricultural economics weekly review.

Only about one-third of the potato production is actually shipped and shipments to date have been about the same as last year. The increase in prices to jobbers at Chicago was 30 cents per 100 pounds.

HAPPY NEW YEAR TO 12 DIVORCEES

Day Signs Decrees as Last Act of Year—Praises Six-Months' Provision.

District Judge L. B. Day made it a happy New Year for a large group of divorce court "patients" by signing 12 decrees of divorce before closing his desk last night.

"Divorce seems to be the only medicine I can prescribe in these 12 cases," sighed Judge Day. "These people will start the new year free from matrimonial ties. They may be happy and again they may not. In any event, they won't be able to get married again for six months, and inasmuch as this is leap year, I think it is wise that the law has inflicted this six-month period of singleness on them."

Judge Day signed the decrees as follows:

Harold Henderson from Elsa Henderson, on the grounds of extreme cruelty. She regains her maiden name, Elsa Barker. There was an alimony and property settlement out of court, made on November 24.

Alimony Is Awarded.

Jessie Howard from Orville Howard. He is to pay her $950 in $40 installments and $20 a month for their child, Eleanor, who is to remain in the mother's custody.

Martin Libke, jr., from Myrtle Libke on the grounds of extreme cruelty. The Libkes were married on June 10, 1921, and according to evidence, she left him a month later and has never returned to him.

Lena Ewing from James Ewing on grounds of extreme cruelty.

Lillie M. Geiger from James Geiger on grounds of extreme cruelty. Evidence showed that he deserted her and their two children, Ruby and Amy, who are to remain in the mother's custody. He must pay his wife $25 a month.

Marie Soper from Oliver Soper on grounds of nonsupport.

Property Settlement Made.

Irene D. Feeser from Louise B. Feeser on grounds of extreme cruelty. There was a property settlement, and he agreed to pay all clothing bills and to give her his life insurance. She regains her maiden name, Irene D. Black.

Eva E. Wass from Everett Wass on grounds of extreme cruelty. She is to have the custody of their child, Everett, 2, and $25 a month.

Nina M. Schmitt from Henry J. Schmitt on grounds of nonsupport. It was a default case. She is to receive her maiden name, Nina M. Reed.

Le Marr Coryell from Ethel Coryell. Theirs was a short-lived experience. They married at Papillion, May 4, 1923.

Mattie Hudson from Charles Hudson, on grounds of extreme cruelty. Her maiden name, Mattie Evans, was restored.

Harvey Vore from Flora M. Vore, on grounds of cruelty.

UNEMPLOYMENT TAXES CHARITIES

Welfare Bodies Caring for Families, Finding Work for Jobless.

The seasonal unemployment in Omaha is combining with the forces of Omaha's cold spell to tax the capacities of charities while they await the first installments payable through the 1923 Community Chest, it was reported last night.

"Everything is running ahead at full speed," said Mrs. George W. Doane, secretary of the Associated Charities. "We are kept very busy distributing clothing, shoes, and following up the care of 300 families, who depend on the charities for much of their sustenance."

Coming as it does after the Christmas work, unemployment is straining the capacity of the association to its utmost. According to Mrs. Doane, the aim of the organization is to "help the families to support themselves." In the meantime, jobs are hunted and the means of livelihood provided.

"We have quite a number of men—many of them heads of families, for whom we are seeking jobs," said Miss Harriet E. Laney, in charge of the Omaha City mission. "Last year we had no difficulty to speak of in finding work for the unemployed, but it seems surprisingly hard to find anything but temporary jobs for them this year.

"Many people are passing through Omaha. These add considerably to the task of caring for Omaha residents." She told of a family of six from Colorado that was held up on account of an accident. They are corresponding with relatives in Akron, O. In the meantime they were forced indoors by the snowstorm which marked the advent of real winter here. "No, we have not received our share of the Community Chest yet, but we have been very fortunate so far," Miss Laney said.

Many are flocking to the Salvation army, according to officials. The association has been caught unprepared, and with the sudden influx caused by the change in weather, its capacities have been taxed. The seasonal unemployment also adds to the responsibility placed upon the Salvation army.

It was stated that many travelers stranded in Omaha by the storm have applied to the army for aid, and have been taken in. They come from all parts of the country.

Lions Club First New Year Meeting to Be January 8

Members of the Lions club will hold their first meeting of the new year January 8. The following men were appointed leaders of the January group: Ted Maenner, chairman; Carl Krumrei, H. C. Moeller, C. W. Parker, Frank Sveska, J. H. Wallace, Ford Bates, F. J. Burbeck, D. M. Edgerly, S. K. Hanford and Charles Hopper.

Omaha Third in Livestock.

Kansas City, Mo., Jan. 1.—With record receipts of 8,537,267 head for 1923, Kansas City retained its place as the second largest livestock market, the United States Department of Agriculture market news service announced here tonight. The Kansas City receipts were more than 100,000 greater than at Omaha, the third largest market. Chicago is first.
