ST. PAUL MEET NEARING ROCKS

Convention June 17 May Be Called Off, or Given to Communists.

By International News Service

St. Paul, Minn., May 29.—Indications are that the third party convention scheduled to be held here June 17 will be formally called off or else turned over to communists alone, William Mahoney, in charge of arrangements for the proposed meeting, said today. Mahoney has surrendered to public sentiment and sanctioned the calling of a meeting of progressives from all parts of the state Sunday to decide whether the convention is to be held.

Washington, May 29.—Following up Senator Robert M. LaFollette's denunciation of the "farmer-labor-progressive" convention, to be held at St. Paul on June 17, the American Federation of Labor today warned trade unionists throughout the country to have nothing to do with the convention.

The warning was signed by Samuel Gompers, who said that he had evidence that the convention would by controlled "by international communists from Moscow."

WOMAN'S SLAYER GOES TO PRISON

Movie Operator, Convicted by Jury, Given 20 Years to Life.

New ork, May 29.—Harry L. Hoffman, middle-aged motion picture operator, tried for the slaying of Mrs. Maude A. Bauer, was found guilty of murder in the second degree this morning. Hoffman was sentenced to from 20 years to life imprisonment.

The jury was out 12 hours.

Mrs. Bauer, mother of two children, was killed in a lonely Staten Island road March 25 last, after she had accepted a "lift" from a passing motorist. Her automobile, in which her two children and her mother had been riding, had stalled and Mrs. Bauer was in search of a garage when she met the man in the machine who killed her.

Hoffman waived the usual stay of sentence and County Judge Tiernan immediately sent him to prison.

About 10 days ago Mrs. Linne left for Basset, Neb., to attend a reunion of school chums. Linne was to follow. He hasn't. Police today are checking downtown hotels.

CLEVELAND FEARS BATTLE OF TONGS

Cleveland, O., May 29.—The Chinese quarter of this city is under police guard today and an outbreak of tong warfare is feared as the result of the shooting and probable mortal wounding of Yee Hee Kee, 58, former president of the On Leon tong, and well known Chinese merchant here, on the streets early today.

Kee was shot five times as he was emerging from a building in the downtown district by two Chinese.

All depots, docks and bus lines are being watched for the two Chinese, who are thought to be from Pittsburgh, as it was in that city that Kee was removed as head of the tong last year.

DRUGGIST SUSPECT IN KIDNAPING CASE

Man Found Unconscious in Louisville Hotel Implicates Self in Crime.

By International News Service.

Louisville, Ky., May 29.—C. F. Heath, 35-year-old druggist of Chicago, found unconscious in his apartment at the Coker hotel here this morning, after being removed to the City hospital, made a statement in which, police say, he admitted implication in the kidnaping and murder case of Robert Franks, 13, son of Jacob Franks, Chicago millionaire.

Chicago, May 29.—C. F. Heath, who was found in a Louisville hotel today apparently suffering from an overdose of some narcotic, was found in a hospital here in the same condition last week, according to police. Officers said they had rushed to the hospital on hearing of the man's condition in the hope that he might be able to throw some light on the murder of Robert Franks, but discovered he had left before their arrival.

Efforts to trace Heath led to nothing. Police moved hastily to a flat which had been occupied by the man and his wife, only to find they had made a hurried departure.

Heath, it was said at police headquarters here, formerly conducted a drug store in the vicinity of the spot where Robert Franks was last seen.

Real Estate, Giant of Investments, The Foundation of Wealth

There is not a dollar's worth of wealth in the world that is not founded on Real Estate.

If Real Estate were to disappear, there would be no factories, no farms, no stores, no banks, no crops, no railroads, no buildings, no property of any kind. They all depend upon Real Estate—it is their foundation.

Everything in the world, every form of wealth, depends upon Real Estate, and there will never be another square foot of it manufactured.

Populations will increase, thereby increasing the demand for real estate, but the supply of real estate cannot increase. **Only the demand can increase.**
