# Nebraska Aggies Defeat Omaha Cardinals, 32 to 0

### Husky Farmers Pass Way to Victory Over Coach Adams' Green Team.

THE University of Omaha Cardinals went down yesterday afternoon before the onslaught of the heavy Nebraska Aggies by the score of 32 to 0.

The Farmers, coached by Rufus Dewitz, Nebraska star, took advantage of breaks and scored most of their touchdowns as a direct result. The Aggie line, averaging 185 pounds to the man from wing to wing, outweighed but at no stage in the game outfought the lighter Cardinal forwards, who showed wonderful improvement over the showing made last week against Tarkio.

**Captain Bolzendahl, playing right tackle despite a bad knee, was good on defense, and Meek, on the opposite tackle, made a worthy mate, being into every play on his side of the line. Krogh at defensive center also played a hard game for the Omahans. Theleen held down left guard, while Pinto and Krogh alternated center and right guard. Prather and Drdla played good games at the wings, until Prather was taken out in the final quarter with injuries.**

The Aggies completed two passes for 70 yards, each of which placed the team in a position to score. Despite the heavy line, the Farmers failed to gain much yardage in line backs, and ran the ends with little better success, although Wellman got loose once for a long gain around his right end.

Wellman, playing left half on the Aggie's team, was one of the best ground gainers the visitors had. Wellman graduated last year from Omaha Central high. Patton, Aggie quarter, also played good ball in the backfield.

# High School Harriers in Action

Lincoln, Oct. 22.—Nebraska high schools this week are competing in the third annual home course high school cross-country run.

# LUIS FIRPO BALKS AT ROMERO BOUT

New York, Oct. 23.—Luis Firpo has balked at efforts of Tex Rickard to sign him for a match with Quintin Romero, the Chilean heavyweight, or George Godfrey, Philadelphia negro fighter.

The promoter wants to put on Firpo with either of these men at Madison Square Garden the first week of December, but so far the Argentine, still involved in legal complications growing out of deportation proceedings against him, has declined to sign articles.

Firpo indicated he still harbored resentment against Romero for the latter's alleged disparaging remarks last sprin when Luis refused to meet the Chilean in South America. Firpo told Rickard's matchmaker he was disinclined to fight Romero on this account.

# Iowa State Coach Starts Work for Game With Kansas Farmers

AMES, IA., Oct. 23.—Sam Willaman, head football coach at Iowa State college, is spending this week in building up the Cyclone reserve strength and in correcting the faults of plays and players before he meets the Kansas Aggies at Manhattan a week from Saturday.

Coach Bachman, at the Kansas institution, has a real squad of men this year and can put two or three teams of first string quality in the field, so that it is necessary for any team that he meets to be able to send in reserve strength to offset his substitutions.

**Galbraith has been shifted from tackle to end the last three nights and seems to be able to accommodate himself to this new position. He has the ideal build for an end, being tall and powerful, and may fit into Willaman's combination nicely, now that Bill Anderson is back in shape to take his place at tackle. Another shift has moved Thomas from guard to fullback. Thomas is a fighter and may find himself a regular berth if he can learn to play that position in time for the next contest.**

**Willaman will keep his men at work during the coming week and has scheduled a stiff scrimmage for Thursday and Friday. The next four games will try the fighting mettle of the Cyclones to the limit, for beginning with the Kansas Aggies, the Cyclones meet some stiff competition in Minnesota, Grinnell and Drake.**

Outside of N. Behm, the Cyclones came out of the Missouri game in good shape, but Behm suffered a fractured finger that will keep him out of scrimmage this week. He should be in shape by a week from Saturday however. Palm, who broke his hand against Kansas university, is almost ready to start play again.

# Harvard Coach Well Supplied With Good Material This Year

By DAVIS J. WALSH.

CAMBRIDGE, Mass., Oct. 23.—The golden days of Harvard's greatness, the days of Mahan, Brickley, Hardwick, et al., when a tie game was a tragedy and a defeat not to be tolerated, are to be exhumed and made to live again by the 1924 football team, in the fond expectations of all who are in touch with gridiron affairs at the stadium. Harvard's guns are cocked, primed and loaded.

No stars, understand. Just eleven men playing football for 60 minutes of the hour and, and 11 more to take their places in case they don't.

**"I wouldn't say my men failed to give their best last year," Bob Fisher told the writer today. "But they were certain of their places and their attitude was psychological.**

**"The other day, Nash, a regular tackle, was hurt. He returned to the squad several days later and is just as good a player as he always was. Yet Nash is now on my second team. Lindner, the man who filled in for him, has done so well that I can't afford to take him out. Cody is another tackle who has come on so fast that I don't see how I can keep him off the team. Yet I can't fire Greenough, my captain, to give him a place."**

**But it seems that forwards are not the only Harvard superfluity. In Check, Miller, Gherke and Hammond it has four backs who can kick, run and pass almost equally well, and there you have another Harvard novelty. A ball running quarterback hasn't been seen on a stadium team during the modern era. Check is the young man.**

"We decided to abandon the non-running quarterback the minute we saw Check in action," Fisher declared. "We now have 11 men playing football instead of 10 men and a pilot. Check is an honor man in his classes, knows football thoroughly and is robust enough to take the pounding when he runs with the ball and still think clearly on the following play."

# Tech and Bluffs High Gridsters Meet in Practice

Anyone who may have gone to the Tech high field Wednesday hoping to see any trick plays uncovered which Coach Drummond may have in reserve went home disappointed after an hour of scrimmaging between the Maroon and White and the Thomas Jefferson squad from Council Bluffs. Both teams kept to straight football during the entire workout with the exception of a few aerial attempts.

Each squad got a chance to show its ability in carrying the ball, both made consistent gains. Most of the passes went incompleted with the exception of a few short throws.

Coach Drummond substituted freely during the scrimmage and every one in uniform got a chance to show his ability. Garvey was the only regular absent and he is expected to be back this evening.

The injury to Captain Short is not as serious as was at first feared and he will probably be ready to start in the game with South a week from this Saturday.

# RICHARDS WILL DEFEND NET TITLE

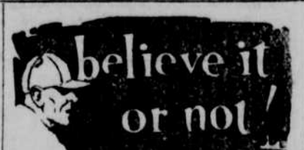
New York, Oct. 22.—Vincent Richards and Francis T. Hunter, Olympic tennis champions, who probably have established a new record for international competition this year, now are on their way to Mexico to take part in the national tournament there.

Richards won the Mexican singles title last year, defeating Manuel Alonso, spectacular Spaniard in the finals. He will defend this crown against a field which also will include the Kinsey brothers of San Francisco, holders of the national doubles title, and probably other California stars. Richards and Hunter will pair in the doubles as they have through a campaign that carried them over a good part of the globe this year.

# HASTINGS ELEVEN HAS GOOD RECORD

Hastings, Neb., Oct. 22.—Following a run of three straight victories, in which they have allowed no points from their opponents, Superior, McCook and Aurora, and run up a total of 70 points against these teams, the Hastings high school Tigers will meet the Kearney high school team at Kearney Friday. Coach Thomas' men are in good form and are scheduled to give Kearney a stiff battle. Captain Coffey, who was hindered last week in the Aurora game by illness, and Smiley, who was entirely out because of injuries, will probably be back in suit for the Kearney game.

**PRESIDENT COOLIDGE SAYS:**
**If knowledge be wrongly used, civilization commits suicide.**



FRANK KNOLL, well known oil man of Omaha and Kansas City, is having his eyes examined, for he labors under the belief that he needs glasses.

**Frank was out on the Platte river and was alone in the blind. His pal was running down a cripple quite a ways downstream. Along came a great flock of teal. Frank called and called. The teal swung, swerved, circled and headed for the decoys. Frank crouched very low in the blind and when the teal**

**were over the decoys he raised up and decided he had raised too soon. The ducks were quite a ways out. Nevertheless, he started firing and got two out of the flock.**

**Then with a whish up rose a half-hundred ducks out of the decoys.**

**Frank in rising to his feet had looked at another flock decoying and had shot at them instead of the flock which he had called to him.**

"Just my kind of luck," says Frank. "If I stay out all day and wait until it is almost too dark to pull in my decoys, and I go out to do so, as sure as the sun rises, a flock, the only one of the day, will swing in over me. And of course, my gun will be in the blind."

# WILLIE HOPPE RESUMES PLAY

Chicago, Ill., Oct. 23.—Willie Hoppe today will start the third block of his 400-point, three-cushion billiard match with Augie Kieckhefer, with a lead of 85 points.

The balkline champion made a high run of 14 in yesterday's block of 100. The score at the end of two days' play:

Hoppe, 200; Kieckhefer, 115.

# Foye to Play for Golf Title

"Cap" W. J. Foye will play the winner of the John Redick-Ralph Dold match for the golf championship of the Omaha Country club next week Redick and Dold will play their semi-final match before Sunday, perhaps Saturday.

A mixed foursome golf competition will be on the program at the Country club Friday afternoon, while match play against par will be the order of the day Saturday.

# OMAHA ATHLETE STARS AT DRAKE

Des Moines, Ia., Oct. 23.—"The greatest center who has ever played on Drake's freshman team, "Bill" Boelter, coach of the Drake freshman team, said of Leo Fried.

Fried, formerly of Omaha, was a star at the South High school that he attended while there, and was placed on the Omaha Bee's all state team in 1920.

He is making a wonderful showing on Drake's freshman team in defensive and offensive playing. At the rate he is now going it is evident that he will be one of Drake's stars in the near future.

# HUDKINS TO MEET SCHAEFER FRIDAY

Ace Hudkins, lightweight champion of Nebraska, will get his first taste of the "big time" Friday night.

Hudkins is scheduled to fight in an eight-round preliminary in Chicago Friday night. His opponent will be Frankie Schaefer, said to be a pretty good boy.

Hudkins leaves for Chicago tonight, accompanied by his manager, Pat Boyle.

Boyle also has agreed to send Morrie Schlaifer against Billy Wells in a main event in Chicago next week.

# HOPPE BEATS KIECKHEFER

Chicago, Oct. 22.—Willie Hoppe, world's champion balk line billiard player, continued today his efforts to show that he can play the three-cushion game as well when he defeated Augie Kieckhefer, 50 to 28, in the third block of their scheduled 400-point match. The standing is now: Hoppe, 150; Kieckhefer, 85. Hoppe ran out in 42 innings and had a high run of 14, the highest of the match. Kieckhefer's high was five for the block.

# RECLASSIFICATION OF OMAHA WOMEN BOWLERS MAKES TROUBLE IN TWO LEADING PIN LEAGUES

### Metropolitan and the Greater Omaha League Pin Tumblers to Hold Meet Tuesday to Iron Out Difficulties.

By "WAG."

THE ball is not rollin' smoothly down the alleys in the two women bowling leagues of Omaha, or, in other words, everything is not as it should be.

This fall Omaha has two women bowling leagues, the Metropolitan Ladies' circuit and the recently organized Greater Omaha Ladies' league. The former rolls at the Omaha alleys, formerly the mecca of all city bowlers, while the latter takes its fling at the lanes of the new Omaha Recreation parlors. The Metropolitan league has 10 teams and the Greater Omaha has six—sometimes.

**The whole trouble hinges on the recent reclassification. At a recent meeting of the leagues the bowlers were reclassified. Women who had bowled together for three years in the Metropolitan league were taken from their team and given a place on a team of lower classification so that team could stand a better chance of bowling better team totals.**

**This reclassification caused considerable trouble. The dissatisfaction grew and grew until at least one-third of the members threatened to pull stakes and desert the leagues. Drastic action was needed, and another meeting was held last Tuesday. The fair sex sort of smoothed over the trouble, but it still crops out now and then. Last Tuesday the Metropolitan league bowled at the Omaha alleys and all members appeared for their games. The Greater Omaha league rolled at the Omaha Recreation alleys and only a few showed up for play. Now another meeting will be held Tuesday to try and iron out all difficulties so that the two leagues will be able to finish the season in harmony.**

Several of the leading women bowlers of Omaha didn't like the idea of being placed on teams of lower classification. Not that they didn't want to bowl with the women who have low averages, but because they have bowled together for three years and were known as the women's tournament team of this city.

# MURPHY-DID-ITS HAVE BIG FEED

The members of the city amateur championship ball team, the Murphy-Did-Its, were entertained by their backer, Bert Murphy, at a chicken dinner at Wheeler's Carnation Inn at Millard, Neb., last night. Following the feed short talks were given by Gene Melady, Frank McCaffrey, Bert Murphy, Clink Wheeler, Johnny Dennison, Henry Bressman, Manager Ike Mahoney and each member of the auto men's ball team. A good time was had by all.
