Baptist Church Rally.

Last Thursday night the Baptist Church had its Annual Rally which marked the closing of the first year of the pastorate of Rev. S. P. Morris. The first part of the program of the evening was a supper that was greatly enjoyed, as it consisted of an abundance of the best the ladies could prepare.

After the supper a literary program, in charge of Mrs. Jos. Pigman was rendered. The program consisted of vocal and instrumental music, select reading and recitations.

Roll call and responses, and report of the treasurer for the year.

The treasurer's report showed all the expenses of the church for the year had been provided for, besides paying off some old debts of taxes and interest of long standing, besides putting down a hydraulic well and other improvements at the parsonage. Contributions had been made to all the departments of missionary work, including foreign and home. Take the year as a whole it has been one of progress along all lines of church work. The average attendance has largely increased at the regular preaching services as well as in the Senior and Junior B. Y. P. U. and Sunday School sessions.

The membership has been increased by a number of accessions both by baptism and letter. The pastor and church feel greatly encouraged over the acheivements of the past year and enter upon the new conventional year with anticipations of better results in the year to come.

NEW HELENA.

Bert Lindley and family visited at Mr. Williams Sunday.

Miss Ruth Roberts visited at Mr. Edmunds last Sunday.

Mrs. Tim Roberts was a guest at Mr. Bowley's last Sunday.

Mrs. Haze Williams was an Anselmo visitor last Saturday.

Dick Roberts and Tom Christy are the proud possessors of new top buggies.

The New Helena boys went to Dale Sunday to play ball with the Dale boys.

Threshing and putting in fall grain is the principal occupation of the farmers of this valley.

Mr. Scofield of Aurora, Neb., is looking after his business here this week. Also visiting his many friends.

Mr. and Mrs. Thaning of Oklahoma, arrived here Saturday evening. They are visiting their daughter, Mrs. Oscar Bowley, and other friends.

ROUND VALLEY.

Mrs. Andrew Olson has been very sick the last week.

Miss Fannie Engelsgjerd went to Sioux Falls Normal School again.

Now is the time to call on Helgeson for the cigars—a new girl again.

Mrs. Osmond Larson, who has been sick for some weeks, is now improving.

It is reported that Allen West is on his way from Idaho back to Custer county.

T. B. Wetherel is now with his family staying at his father-in-laws, N. A. Hall.

Leroy Westbrook sold his homestead to Morgan & Skillman and left for St. Antoni, Texas.

Will Sargent is also threshing in the valley, and soon a steam threshing outfit will come in the valley, and then hands will be scarce.

Edward Olson and family arrived a week ago from Washington to this valley again. It seems that all are coming back to Custer county.

Pet Johnson, who has been threshing around Somerford for the last few weeks has again arrived in the valley and will have 2 or 3 weeks threshing here.

Mrs. Smous, who once lived in the neighborhood of Round Valley, but later in Oregon, is reported to have moved to the land where nobody returns from.

RYNO

BORN—To Mr. and Mrs. R. L. Griffith, October 1st, 1903, a son.

A heavy rain last night; a fine electric display and heavy thunder. It burnt the fuse out of C. G. Empfield's 'phone and fired some paper lying on the 'phone.

Nasby's health very poor, this will account for not writing regular.

J. S. Birge and wife of Cairo, Nebraska, are visiting their son W. S. Birge.

In what condition are your fire guards; you may need them on short notice.

Davis Headley's health some improved; he is able to go out in the buggy.

C. G. Empfield has contracted to build a house 24x28 for J. H. Prettyman on his ranch.

Farmers are feeding their soft corn; very little if any in the hail strip will be marketable.

William Carrel and his son Harve and son-in-law Crandale Sampson, started yesterday enroute for Blaine county, Neb., to look at the land; if they are pleased with the country they propose to homestead.

ROUND GROVE.

Geo. Weldon decided to quit the farm and has moved to Litchfield.

Mr. Dickerson has a fine field of winter wheat. It was put in with a press drill and is a good stand.

School began in the higher grades in the Round Grove district last Monday. Miss Griffith is the teacher.

Mr. St. John, who died from injuries received in the recent train wreck was a brother to the former editor of the Litchfield Monitor.

Rev. Smith preached at the Muddy Mills school house last Sunday morning at 10 o'clock. He left an appointment for every two weeks.

Mrs. James Gill went to Lincoln last week for treatment at the hospital. She has been sick for some time but recently was injured in a runaway.

About a week ago the train set the prairie on fire near Mr. Dickerson's place. There was a strong south wind but fortunately the fire was checked before any damage was done. It came near burning hay for Mr. Dickerson and Pearson.

A large number of the people from Mason and Litchfield who intended to go down to Ravenna on the train to attend Campbell Bros. show were disappointed as the train did not go through until almost dark, owing to the wreck at Halsey. However, several went down and took in the evening performance.

The republicans of Custer county were very fortunate in nominating Jules Haumont for county assessor. We have known him for nearly 20 years and he has proven himself to be strictly honest and upright. Several years ago he was assessor of Garfield township and the expense was just exactly one half as much as it has been some years since. If Mr. Haumont is elected, which no doubt he will be, we can be assured that the county will be assessed cheaper than ever before. He will prove the new law a success if it can be done. Vote for Jules Haumont and you will make no mistake.

ORTELLO.

Mrs. Jesse Moore, visited with the Hempstead family southwest of Broken Bow Saturday and Sunday.

Miss Reyner made a trip down home on Saturday returning to take up her school work Monday morning.

Some of the young people drove down to the Circus last week in time for the evening performance returning home for breakfast next morning.

The potato crop is short here and the reason why is a puzzler, for surely there was enough moisture to produce a crop if that is a needed quantity. Will some one give the cause. Here is a chance for some of the students of the State Farm to make a guess.

Jas. Whittle has ordered the lumber for a new cottage, 24x24 on his place north of this Burg. We are glad to see this evidence of prosperity and it means more than this, when set backs and difficulties come it means that they will stick to the home, come what may.

Elbert Hubbard—An Individual.

By Will A. Campbell, Editor of The Knocker

Like Grover Cleveland, Ex-Sheriff of Erie County, New York, Elbert Hubbard (divorced) is an Individual. Though the author of "The Retired Farmer" does not think that the ex-sheriff can compare with the author of a Gessage to Messig, and founder of the Roycroft experiment, he has written a criticism of both immorals. Mr. Hubbard is one of those envied by all broad minded," whose ears long closed to earthly things catch heavenly sounds," and though it is impossibe for all men to be sane enough to approach the truth Hubbard teaches without endangering their souls, it is well to know of the men who transformed the actual with beautiful illusions.

□ On beautiful plate finish, deckel edge, book paper, we have printed 600 copies of the criticism and distributed the type. Each copy is signed and numbered by the author. It is printed on one side of the paper only and has red head bands. Withal, it is one of the finest specimens of printing ever done on paper with ink. It can be sold to anyone, but can be had with the Magazine, The Knocker, until January 1, 1905, for $1.00, had and received. THE KNOCKER SHOP,

In the District Court of Custer County Nebraska.
Frank H Young,
vs.
Charles H Bennett, et al.

To the Dakota Loan Corporation, Globe Investment Company, Henry A. Wyman Rs Receiver, J. Lowell Moore and J. L. Moore, Trustees: You and each of you are hereby notified that the plaintiff filed his petition in the district Court of Custer County, Nebraska, on the 30th day of September, A. D. 1903, the object and prayer of which are to foreclose a certain real estate mortgage given by the said Charles H. Bennett to the Globe Investment Company and now owned by this plaintiff, which said mortgage was given to secure the payment of the one promissory note of said Charles H. Bennett for the sum of $700.00, dated October 1st, 1892, and due October 1st, 1897, and upon the South half of the North West quarter and the South half of the North East quarter of Section Thirty four (34) Township Fifteen (15) North Range Nineteen (19) West of the 6th P. M., in Custer County, Nebraska.

Default having been made in the payment of said note and there being now due the sum of $700.00 with Interest thereon from April 1st, 1895 at 10 per cent per annum, plaintiff prays that said mortgage be foreclosed and the land sold to satisfy the amount due thereon.

Plaintiff also prays that the mortgage given by George F. Cross and wife Myra A. Cross to the Dakota Mortgage Loan Corporation on June 7th, 1886, and recorded in book 6 of mortgages at page 486 of the records of Custer County, Nebraska, be declared to be no lien on said premises and subject to the statute of limitations, and asks that the same be removed as a cloud from the title to said land and the plaintiff's mortgage to be prior and a better lien to said mortgage. Also that a certain mortgage given by the said Charles H. Bennett to the Globe Investment Company, dated October 1st, 1902, to secure the payment of $47.81 and recorded in book 45, page 368 be decreed as junior and inferior to plaintiff's mortgage.
