The nomination of Judge Parker makes it easy for a great many democrats and populist to support Roosevelt.

Should Bryan declare himself a candidate for the United States Senate, as it is whispered he will assure a hot campaign and insure a grand republican victory for Congressman Burkett.

A general strike of the Union laborers at this season of the year can only result in lower prices for cattle and hogs and higher prices for fresh meats and idleness for members of the union.

The democratic state convention to nominate state officers will be held at Lincoln, August 12th. The chances are that W. H. Thompson of Grand Island, will be Governor Mickey's political opponent again.

The report that the Russians killed 30,000 Japs by land mines appears to have been a hoax, and that the Japs 130,000 strong are daily closing in on the Russians strong hold and hourly lessening their chances of escape.

The farmers as well as all other producers, will vote for Roosevelt regardless of their former political affiliation. Many are thinking as one populist remarked recently, "I have concluded that the republican party is good enough for me."

Gollmar Bros. Coming.

Gollmar Bros.' $20,000 feature, a blood-sweating Hippopotamus captured on the banks of the river Nile, a tremendous man devouring, weird monster of the deep with an epex of a fearful size, massive protruding jaws, a tremendous physiognomy, a mouth twice large enough to envelope an entire human body. Eight able bodied men slain while assisting in the capture of this monstrous hehemoth. A fortune spent in capturig and transporting this blood-perspiring, man-slaying mammoth from the river Nile. On exhibition morning and evening in Gollmar Bros.' millionaire menagerie. His like does not exist on either continent and never will, simply because this specimen of the animal kingdom is almost extinct.

Every morning at 10 o'clock, rain or shine, a mammoth free street carnival and big double street parade, 7 open dens of ferocious wild beasts, Roman gladiators, Highland bagpipers, 5 bands of skilled musicians, gorgeous steam caliope, hilarious jesters, dashing horsemen, Nestors of the circus world, a complete revelation of Noah entering the ark, or a Roman fete day. All gratuitously presented at 10 a. m. on the public highway. Two performances daily, at 2 and 8 o'clock. Doors open at 1 and 7 o'clock.

Will exhibit at Broken Bow, Monday, August 1.
